Arabian Horse Day was held at the [Arapahoe Park Racetrack](#) in 2016 and the attendance of the event was so well received, AHA is holding the event again in 2017. This year's event will be held at the [Colorado Horse Park](#) in Parker, Colo. in conjunction with the Concours Dressage International event. The day's events will boast meet and greets with **REAL** Arabian horses, food truck cuisine that is sure to please the whole family, kid activities throughout the day, a lesson demonstration followed by a Q&A put on by [Certified Horsemanship Association](#), an equestrian safety presentation by [Parker Adventist Hospital](#), Arabian horse discipline parade, drawing giveaways and more! Cost is \$10 per car. Proceeds will go to benefit the Global Genes organization which is a non-profit organization that "builds awareness, educates the global community and provides critical connection and resources that equip advocates to become activists for their disease."

The event is designed to be a fun, educational day where individuals can learn about the Arabian horse and the various areas in the horse industry. Different equine organizations and associations will be in attendance, giving you the opportunity to talk to horse industry professionals, ranging in horseback riding summer camps to equestrian safety tips brought to you by Parker Adventist Hospital's [Equestrian Safety Program](#).
