Release from the Arabian Horse Association

(26-July-14) – A tragedy in the ring during an awards presentation, involving a horse and youth rider resulted in loss of life for a horse on Friday evening, July 25 at the 2014 Youth National Arabian & Half-Arabian Championship Horse Show in Albuquerque, NM.

Thankfully, the youth rider involved was uninjured in the accident. A difficult moment for those who love Arabian horses and their exhibitors, we are saddened that such an accident resulted in losing a horse. These moments are an emotional blow to the Arabian industry as a whole and our thoughts go out to the owners, riders, trainers and youth who loved this horse.
