PROGRAM INFORMATION

All Entries must be postmarked/electronic transaction dated by December 31

BREEDING ENTRIES (Deferred Billing option available.): The entry fee is \$400. Every fourth Breeding Entry enrolled in the same year by the same breeder/nominator may be enrolled at one half price. The discount applies to each submission of at least four entries mailed in the same envelope. This entry is for an unborn foal sired by a Sweepstakes Nominated Sire or out of a Sweepstakes Nominated Dam who is bred to a non nominated, Non-Arabian sire or a Nominated Arabian Sire. All Breeding Entries must be enrolled in the year in which they are conceived. A Breeding Entry is eligible to win Allocated prize money in any Sweepstakes designated payback class for the life time of that horse as well as being eligible for the Sweepstakes Point Payback Program. This entry category allows for eligibility to compete in the Regional Yearling Sweepstakes Halter classes. Under the live foal guarantee, the Breeding Entry fee may be transferred to any following year's unborn foal of any mare under the same ownership, providing a death certificate or statement signed by a veterinarian is submitted. For these purposes, a live foal is defined as a foal which stands and nurses within 30 days of parturition. **A new Breeders Sweepstakes Entry form must be completed and returned with the Dead Foal Credit Voucher when you nominate a future unborn foal or nominate a horse as a Nominated Dam, Nominated Sire or Original Entry using the Dead Foal Credit as payment (Please see current AHA Handbook regarding specific rules and Deferred Billing Agreement requirements).** If the Breeding Entry was submitted on a differed billing agreement, the balance owing must be satisfied before any consideration of a credit will be made (ABSC 11/93).

A late fee of \$100 will be assessed to Breeding Entries postmarked/electronic transaction dated from January 1 through February 15.

US & CANADIAN HALTER FUTURITIES (Deferred Billing option is NOT available.): The nomination fee per country is \$30. An additional \$30 processing fee is assessed for each country entered. The National Halter Futurity is a progressive program for Arabian colts, fillies and geldings, and Half-Arabian and Anglo-Arabian fillies and geldings. Unborn foals are entered into the program and then re-nominated each year up until their 3 year old year. 3 year olds that have remained current in the program are then eligible to compete in the 3 year old Halter Futurity Classes offered at the US and Canadian National Championship Shows. In the event a breeding does not result in a live foal, upon presentation of a veterinary certificate stating that a mare has not produced a live foal (defined as a foal that stands and nurses within 30 days after parturition) the nominated mare's nomination fee will be applied to the subsequent year. The nomination fee for the subsequent year may be transferred to another mare having the same ownership. This subsequent year's transaction will require payment of an additional \$25 processing fee. (Res. 24-94)

A late fee of \$100 per horse/per country will be assessed to Halter Futurity nominations postmarked/electronic transaction dated from January 1 through February 15.

Nominations postmarked/electronic transaction dated after February 15 will be not be accepted in the Breeders Sweepstakes or Halter Futurity programs.

For additional program information please refer to the current AHA handbook. **Entries can also be made online at www.ArabianHorses.org.**
