

ARABIAN HORSEPOWER

See Arabian Horses **UP CLOSE**

Saturday, July 30th
9 a.m. – 12 p.m.

You're invited to come learn more about Arabian horses through a fun fact scavenger hunt.

- See horses up close
- Find out what makes Arabians special
- Ask all the questions you want

Come to the AHA booth in the **Creative Arts Building at Expo New Mexico**, and pick up your Arabian Horsepower activity booklet with a list of 8 questions and a map. Find answers to these questions as you follow the map to different barns on the grounds.

First 400 children to find the answers will receive a **FREE Arabian horse cinch sack backpack**. This activity is geared for children ages 4-12, but any child can participate.

This activity is **FREE**; however, Expo New Mexico does charge \$2 for parking. After finishing the scavenger hunt, stop by **Tingley Coliseum** to watch the Youth National championship finals.

It's all happening during the 2005 Arabian Youth Nationals!
