I hereby acknowledge that I have read and agree to be bound by and follow the Arabian Horse Association's Rules and Regulations pertaining to transported and stored semen. I also understand that AHA will investigate non-compliance with these Rules and Regulations and, in the event of such non-compliance, any resultant foals may be ineligible for registration and penalties provided under Reg. 137 of AHA's Rules and Regulations may be imposed.

Specifically, I acknowledge that I understand the following with respect to this Request for Transported-Stored Semen Service Certificate and to the registration of foals resulting from the use of transported or stored semen collected from this stallion:

1. The stallion must have a valid Semen Transportation Permit or Transported-Stored Semen Service Certificates will not be issued;
2. One (1) Transported-Stored Semen Service Certificate is required to register a foal conceived using semen that has been transported or stored; and
3. The permit will expire upon the sale or exportation of the stallion.

NOTE: Stallion owners must ensure that they have purchased a sufficient number of Transported-Stored Semen Service Certificates prior to the sale or exportation of a stallion. Once the ownership of a stallion changes, either through exportation or sale, the stallion's Semen Transportation Permit will expire and the former stallion owner may no longer purchase Transported-Stored Semen Service Certificates.

Unused Transported-Stored Semen Service Certificates may be returned to AHA for a \$15.00 redemption.
