The Arabian Spirit

Free spirited but gentle as can be
The Arabian colt without misery
His mom may be gone
And he still manages to be
Gay and full of tranquility

His spirit is playful and wild
As his owner is a man but yet a child
He understands the man's abilities
And that he is safe with his owner's felicity

The colt's spirit keeps him going
Keeps him from falling
Everything the colt has done with his owner
Has never once made him worry about his mother

And even with his mother away
The colt keeps on giving everyday
He lets his owner take the place of her
And knows with his owner there is no fear

The trust and companionship between the two
Is so strong that there is nothing to go wrong
Their love and tenderness will go forever and a day
And no one could ever break their chain
Of love, trust, and forgiveness

The Arabian spirit will be true in every way.
