Regional Level: If fewer than nine horses are in the class, 50% rounded up will be eligible for prize money.

Yearling Halter Classes are restricted to Sweepstakes Breeding Entries.

Sweepstakes AAOTR classes are eligible to be split into multiple age divisions (must be all inclusive). Splitting AAOTR classes is not recommended as this reduces the Sweepstakes payout for each split. At the Regional Level, if more than one AAOTR class is offered in a division, Sweepstakes money will be split. Should multiple AAOTR classes be offered, the class with the fewest splits will be paid.

Payback Schedule:

| Reserve Champion | \$500 | \$200 | \$125 | \$75 |
| Top Five | \$250 | \$150 | \$75 | \$50 |

The 50% payout rule applies to all Sweepstakes classes (except National Yearling Classes, AAO TR Jackpot Classes at U.S. Nationals and Young Horse Dressage Class at Sport Horse Nationals).

Prize money at the National and Regional shows will be paid only to the party whose name appears on a horse's Certificate of Registration for horses registered with AHA or whose name appears on the Sweepstakes Certificate for horses registered with CAHR or CPAR at the time of the show. Checks for prize money shall be mailed no later than 60 days upon receipt of complete results.

The Social Security Number of Federal Taxpayer Identification Number and all Sweepstakes requirements must be on file with AHA before prize money is released. If this information is not on file or is not provided with 120 days after notification, Sweepstakes Prize Money will be forfeited. If enrollment requirements are not fulfilled by December 31 of the calendar year following the year in which the prize money is won, the prize money shall be forfeited. Foreign residents winning prize money at an event in the United States will be subject to income tax of 20% per Internal Revenue regulations. The amount will be withheld from total winnings. If a prize money check is issued and not presented for payment by December 31 of the year following the year in which the prize money was won, the prize money shall be forfeited.

Each AHA account that receives prize money must have a W-9 on file. It is possible to have two or more AHA accounts that have unique information (i.e. horses, owners, etc.). Therefore, a separate W-9 is required for each account. It is especially important for joint accounts. Payees on a joint account have the choice of which owner will assume the tax liability and file the tax return should one be required. The only reason a W-9 should be requested is due to the fact a Tax ID is not on file for that specific account/ownership.
