

RANCH RIDING – PATTERN 4

1. Walk
2. Jog/Trot serpentine
3. Lope left lead around the end of the arena and then diagonally across the arena
4. Change leads (simple or flying)
5. Lope on the right lead around end of the arena
6. Extend lope on the straight away and around corner to the center of the arena
7. Extended jog around corner of the arena
8. Collect to a jog
9. Jog over poles
10. Stop, do 360 turn each direction (either direction 1st) (L-R or R-L)
11. Walk, stop & back

In Ranch Riding the Jog should be a natural two beat gait demonstrating more forward motion than the Western Jo. The Extended Jog is an obvious lengthening of the stride with a definite increase in pace. The horse should be moving in a manner as if it were covering a large area on a ranch with an above level topline.
