

2011 Volunteer Service Award Winners

Volunteers are the backbone of our association. This program is designed to recognize and honor those who have contributed significant service, resources and expertise to their club and the association at the following levels:

- Club Level
- Regional Level
- National Level

Member Organization Level awards are presented by the club. At the annual convention we present the Regional Level awards during general session and the National Level awards during the President's Banquet. Each recipient receives an award certificate, congratulatory letter and lapel pin.
