Class intent must be declared at the time of enrollment into the program (Example: I intend to compete in the Western Pleasure Maturity AAOTR).

In addition to the program enrollment, you must enter into the Performance Futurity/Maturity/Derby Class at U.S. Nationals on an official entry form or online at the AHA website by the date of entry close. If you do not enter the show or program, a late fee(s) will be assessed.

Note: All Half-Arabian horses competing in the Half-Arabian Halter Futurity and the Performance Futurity/Maturity Program must have DNA type of the horse and the horse's Purebred Arabian parent on permanent record with the AHA Registry and the horse has been shown to qualify as an offspring of the stated purebred parent. The DNA parent verification must be on file at the AHA office in order for the horse to be eligible to compete in the class.
