

Arabian Horse Day Social Media Templates

Below are some ideas for social media text to use to promote Arabian Horse Day.

The person posting can, but is not required, use the banners and images provided by AHA to post with these suggestions, or they may use images of the event location or Arabian horses as well.

Posts to invite the public to an event:

- Join us at Meet an Arabian Horse Day on (date and time) at (location) to experience a fun day with Arabian horses. Learn about their history, versatility and personality and how you can get involved with horseback riding through local lesson programs.
- Meet and touch an Arabian horse to experience love at first sight. Learn about their history, versatility and personality at Meet an Arabian Horse Day on (date and time) at (location).
- Have you ever met an Arabian horse? If not, here's your chance! Meet an Arabian Horse Day on (date and time) at (location) will allow you to meet beautiful horses in a fun and relaxed setting.
- Come to (location) on (date and time) to Meet an Arabian Horse day! Learn about the history of the breed, their athletic versatility and more. Touch and experience an Arabian horse in person.

All of the above should Link to arabianhorses.org/horseday or to your local barn, club or event Web page where people can find contact information and get more details about the event.
