NOMINATED SIRE OWNERS

The completed Nominated Sire Breeding Information Report for 2024 must be received by the AHA office by **November 15, 2024**

AHA will actively solicit the owners of the mares that your Nominated Sire has bred and encourage them to enroll their unborn foals as Breeding Entries.

Nominated Sire Breeding Reports can be completed online at www.ArabianHorses.org. Simply log in to the AHA website, scroll down to the "I Want To....." section and click on Nominated Sire Breeding Reports, enter the registration number **or** name of your sire and click search. You will be given a list of Nominated Sires if part of the registered name is similar. Locate your sire, click on continue and enter as many mares as needed.

You can also fill out the AHA Nominated Sire Breeding Information Report and follow these simple steps:

- Complete a report for each Nominated Sire
- List all outside mares that were bred this year
- If only inside mares were bred, or if your sire was inactive, please indicate on the form and submit it to AHA

Mare owners are encouraged to enroll their foals as Breeding Entries making them eligible for a lifetime of amazing benefits.

- Enroll for only \$400
- Every fourth Breeding Entry enrolled in the same year by the same owner and submitted at the same time will be enrolled at one half-price
- Only Breeding Entries are eligible to compete in Regional and National Yearling Classes
- Lifetime earnings in Sweepstakes designated classes and distance rides
- Breeding Entries are more marketable for resale
