Sweepstakes AAOTR classes are eligible to be split into multiple age divisions (must be all age inclusive). Splitting AAOTR classes ***is not*** recommended as this reduces the Sweepstakes payout for each split. When Leveling AAOTR class(es) are offered for a discipline, they will receive the prize money in place of the AAOTR class(es). Should multiple AAOTR classes be offered, the class with the fewest splits will be paid. No other Sweepstakes classes can be split. If they are split, they will not be eligible for prize money (including Junior Horse classes).

Foreign residents winning prize at an event in the United States will be subject to income tax of 30% per Internal Revenue Service regulations. The amount will be withheld from total winnings. In 2026, these classes will be open only to Sweepstakes nominated horses (Breeding and Original Entry) at Mid Summer Nationals.

### **SWEEPSTAKES PRIZE MONEY**

Sweepstakes Prize Money at the Regional and National Level will be issued within 60 days of receipt of completed results. Prize money will be paid to the recorded of the horse at the time of the show. If a horse is sold and the transfer date is during the dates of the show, the prize money will be issued to the new recorded owner.

A tax ID must be associated with each account that receives payout. A W-9 is required for the release of any prize money, regardless of the amount. If a W-9 is not received within 120 days after notification, all Sweepstakes Prize Money will be forfeited.

Foreign residents winning prize money at an event held in the States will be subject to income tax of 30% per Internal Revenue Service regulations. This amount will be withheld from total winnings.

**Regional Level:** If fewer than nine horses are in the ride, 50% rounded up will be eligible for prize money.

Each AHA account that receives prize money must have a W-9 on file. It is possible to have two or more AHA accounts that have unique information (i.e., horses, owners, etc.). Therefore, a separate W-9 is required for each account. Payees on a joint account have the choice of which owner will assume the tax liability and file the tax return, should one be required. The only reason a W-9 will be requested is due to the fact a Tax ID is not on file for that specific account/ownership.
