I hereby acknowledge that I have read and agree to be bound by and follow the Arabian Horse Association's Rules and Regulations pertaining to embryo/oocyte transfer. I also understand that AHA will investigate non-compliance with these Rules and Regulations and, in the event of such non-compliance, any resultant foals may be ineligible for registration and penalties provided under Article 1035 of AHA's Rules and Regulations may be imposed.

I understand that the DNA type of the donor mare must be on permanent record with AHA before the permit will be issued. **I am aware that collection and implantation of an embryo/oocyte prior to the issuance of a permit will result in an assessment of the Late Permit Fee of \$250.** I may also be charged for any additional costs that are incurred by AHA investigating the accuracy of the embryo/oocyte transfer.

I have enclosed the **\$100.00 Permit Fee** and hereby request an Embryo/Oocyte Transfer permit for the mare listed below:
