I hereby acknowledge that I have read and agree to be bound by and follow the Arabian Horse Association's Rules and Regulations pertaining to transported and stored semen. I also understand that AHA will investigate non-compliance with these Rules and Regulations and, in the event of such non-compliance, any resultant foals may be ineligible for registration and penalties provided under Reg. 137 of AHA's Rules and Regulations may be imposed.

Specifically, I acknowledge that I understand the following with respect to this Request for Transported-Stored Semen Service Certificate and to the registration of foals resulting from the use of transported or stored semen collected from this stallion:

1. The stallion must have a valid Semen Transportation Permit or Transported-Stored Semen Service Certificates will not be issued;
2. One (1) Transported-Stored Semen Service Certificate is required to register a foal conceived using semen that has been transported or stored; and
3. The permit will expire upon the exportation or change in recorded ownership of the stallion.

**NOTE:** Stallion owners must ensure that they have purchased a sufficient number of Transported-Stored Semen Service Certificates prior to the change in recorded ownership or exportation of the stallion. Once the recorded ownership of the stallion changes or the horse is exported, the stallion's Semen Transportation Permit will expire and the former stallion owner may no longer purchase Transported-Stored Service Certificates.

Unused Transported-Stored Semen Service Certificates may be returned to AHA for a \$15.00 redemption.
