If you are currently riding and/or competing with your horse outside of AHA-Recognized Shows and Rides, these Incentive Riding Programs are designed for you. From USDF dressage to local open shows or just getting out and having fun on your horse, you can join any or all of the following programs and receive awards for reaching set milestones.

INCT 101. FREQUENT RIDER PROGRAM

The Frequent Rider Program (FRP) is an online program that rewards riders for every hour they spend riding (or driving) their horse in non-competitive activities. Participants can submit entries for trail rides, ranch work, parades, riding lessons or just pleasure riding.

1. Logon to ArabianHorses.org to find out more on participation, entry submission and general program information. Initial processing fee is required.
2. When an FRP milestone is reached, participants will receive the appropriate award or recognition for that milestone.

INCT 103. OPEN EVENT INCENTIVE PROGRAM

The Open Event Incentive Program (OEIP) is an online program that rewards riders and horses who compete in all-breed events outside the AHA community on either a local or national level.

1. Horses' accomplishments will be automatically recorded in their permanent Event Record on Arabian Horse DataSource. There is a required fee to record the horse's event(s).
2. When an OEIP milestone is reached, participants will receive the appropriate award or recognition for that milestone.
3. At the end of each calendar year, a high point rider from each event category will receive the OEIP Year-end High Point Trophy, plus photo recognition on this website.
