This includes, but is not limited to, rules that govern owners, exhibitors, agents, trainers, managers, riders, drivers, handlers, competition officials, competition employees, and members of the families of the above, individual members of AHA or any person who acts in a manner in violation of the rules of the Association or deemed prejudicial to the Association’s best interests.

Any AHA, USEF and/or EC violations committed will be subject to the AHA, USEF and/or EC penalties. (Refer to Chapter 3, Code of Ethics and Sportsmanship, ETHICS 104)

COMP 102. CONFLICTS

1. Show Commission Members, Show Committee Members, AHA Board of Directors and Show Managers/Secretaries of any AHA Recognized Show or Event cannot exhibit their horses at a show or have their horses shown before a judge they directly contacted or employed for that show. (Refer to ETHICS 104.13).

2. Any Commissioner functioning at a National event and also participating in that same event as an exhibitor will not have any contact with the judges other than as an exhibitor and will not have any responsibility for the functions of the show office. This will not prevent the commissioner who is exhibiting from participating in resolving issues brought before the full commission.

COMP 104. DRUG TESTING AND MEASUREMENT OF SHOES

1. See USEF or EC for Tests and Measurements.

2. The U.S. National Show Commission is required to negotiate a contract with USEF to provide for mandatory drug testing at the U.S. National Show at the annual rate of $25,000. (Res. 53A-92) Further, it is the prerogative of Show Management to require drug testing or to require the shoe and foot measured for any entry at any time during the show.

3. The Canadian National Show Commission is required to negotiate a contract with EC for mandatory drug testing at the Canadian National Show at the annual rate of $15,000. (Res. 24-04) The Champion and one horse selected at random from all Top Ten national performance and halter classes are required to have one foot and shoe measured (Refer to General in the

If at any time the show manager or secretary does not meet this requirement, the show sponsor will automatically be billed for the AHA Membership(s). Additionally, it is recommended that shows use extreme care in the selection of the manager and secretary. A thorough knowledge of the AHA rules is essential for a person serving in either capacity. (BOD 5/09)

9. At least three weeks prior to the start of an AHA Recognized Show or Event, a Certificate of Insurance must be furnished to the AHA office. It should be effective for each day of the competition naming AHA as added insured to the general liability policy with minimum limits of $1,000,000 for bodily injury and property damage. Regional Directors and AHA give AHA Member Organizations first consideration for show recognition provided the show has applied for recognition prior to August 1 of the year before the show takes place. Non-affiliated organizations which have had an established date for an All-Arabian Show for five years or more shall be given the same priority consideration as the AHA Member Organizations. (Res. 26-83)

COMP 501. SINGLE JUDGE SYSTEM

Using this system, all classes will be judged by one judge, and those placings shall prevail.

COMP 502. TWO JUDGE TOTAL POINT/SCORE SYSTEM

1. Using this system, all classes will be judged by two judges. These two judges are designated as the Number One Judge and the Number Two Judge in the prize list.
2. Each judge will judge independently.
3. Scores from both judges will be added together to give the total score for that horse. The horse with the highest total score will be named Champion; the horse with the second highest total score will be named Reserve Champion, etc., until all placings have been filled. (Refer to REQ 212 for Sport Horse In-Hand and Under Saddle)
4. The Number One Judge will call the gait in all performance classes.
5. The judges’ cards will be posted.
6. In the event of a tie on the total score for Champion, Reserve, or the last place of the placings, the Number One Judge’s card will be consulted to break the tie. The horse placing highest on the Number One Judge’s card will place above the other horses in the tie. For purposes of breaking ties, a horse appearing on the Number One Judge’s card places above those not on the other card.

COMP 503. THREE JUDGE TOTAL POINT SYSTEM

1. Using this system, all classes will be judged by three judges. These three judges are designated in the prize list as the Number One Judge, the Number Two Judge, and the Number Three Judge.
2. Each judge will judge independently.
3. Each placing will have a point value as established by the Show Committee. Scores earned by each horse from all judges will be added together to give the total score. The horse with the highest total score will be named Champion; the horse with the second highest score will be named Reserve Champion, etc., until all placings have been filled.
4. The Number One Judge will call the gait in all performance classes.
5. The judges’ cards will be posted.
6. In the event of a tie on total score for Champion or Reserve to the last place, the Number One Judge’s card will be consulted to break the tie. The horse placing highest on the Number One Judge’s card will place above the other horses in the tie. If the tied horses do not appear on the Number One Judge’s card, the Number Two Judge’s card will be used to break the tie in the manner described above. The Number Two Judge’s card will be used to break ties only after all possible ties have been resolved using the Number One Judge’s card. For purposes of breaking ties, a horse appearing on a judge’s card places above those not on the other cards.

COMP 504. THREE JUDGE SYSTEM

1. Using this system, all classes will be judged by three judges. These three judges are designated as the Number One Judge, the Number Two Judge and the Number Three Judge in the Prize List.
2. Each judge will judge independently.
3. Each placing will have a point value according to the Three Judge System. Scores earned by each horse from all three judges will be added together to give the total score for each horse. The Champion and Reserve Champion will be selected as follows:
   a. Only the first-place horse on each of the three judge’s cards will be a candidate for Champion. If the same horse appears first on two or more
of the judge’s cards, that horse will be named Champion. If different horses appear on each of the three judge’s cards, the one with the highest total points will be named Champion. A tie on points will be resolved by the placing on the number one judge’s card, and then on the number two judge’s card, and then on the number three judge’s card as circumstances dictate under this system.

b. After the Champion has been determined, the remaining first place horses, and the horse or horses placing second below a first place for the Champion on a judge’s card used for the Champion placing, are the only candidates for Reserve Champion. If the same horse appears first on a judge’s card and second below a first place for the Champion on a judge’s card used for the champion placing (or two or more second placings as herein described), such horse will be named Reserve Champion. If no horse fits within the criteria stated in the preceding sentence on two or more of the judge’s cards, the horse with the highest total points after the Champion has been named will be named Reserve Champion. A tie on points will be resolved by the fall of the cards as stated in the last sentence of a. above.

4. After the Champion and Reserve Champion have been determined, the placing of the remainder of the class will be based on points with the highest point total placing highest in the class until all placings required have been determined. A tie on points will be resolved by the fall of the cards as stated in the last sentence of a. above.

5. The Number One Judge will call the gaits in all performance classes.

6. The judges’ cards will be posted.

COMP 505. EUROPEAN JUDGING SYSTEM

1. A European Judging System may be utilized at any AHA Recognized Show (except Regional & Nationals) as long as it includes the following basic elements:
   a. Uses one to five judges. The system requires that the judge(s) scores be announced after each horse is evaluated. The placing in each class will be based on the total score for each horse. The score for type will be utilized as the first tie breaker.
   b. The Number One Judge’s card will break ties not decided by the type score. Subsequent judges’ cards (in numerical order) will be utilized to break ties if the tie is not resolved by the Number One Judge’s card.
   c. This system may or may not be utilized in Championship classes.
   d. Shows may utilize a European Judging System to select Top Ten and Champion and Reserve Champion.

COMP 506. MAJORITY OPINION SYSTEM (MOS) (BOD 11/95) (Res. 45-00)
Utilized for Arabian Breeds Challenge Cup (UPHA)

1. The Majority Opinion System (MOS) is a method of scoring judges’ cards for a multi-judge panel where each judge has the power of one full vote to place all competitors in a class. Final placings are scored by at least a two-thirds majority of those votes favorable to each place being awarded. All judges tie the same number of entries per class, that number depending on the number of entries in the class.

2. Using this system, all classes will be judged by three judges. These three judges and their cards are designated as Number One (A), Number Two (B) and Number Three (C).

3. The Number One (Call) Judge is appointed in rotation and the three judges rotate their positions in the ring for each class.

4. Each judge will judge independently with no conferring (except in the presence of the Ringmaster when a workout is to be called) until the cards are handed in.

5. Ties are resolved by the two-thirds majority vote opinion of the three judges.

6. The United Professional Horsemen’s Association (UPHA) Arabian Breeds Challenge Cup will resolve a three-way identical tie for first place by a mandatory workout of the tied exhibitors. If the tie is not resolved after the workout, the class is determined by the Fall of the Cards.

7. The judges’ cards will be posted.

8. A computer can be utilized during the show.

COMP 507. ARABIAN SCORING SYSTEM (Res. 11-06)

1. When adjudicating Breeding/In-Hand classes judges may utilize the “Arabian Scoring System”. (Res. 7-17) The various attributes of the horse, which may include but are not limited to: Arabian Type and Presence, Head, Neck & Shoulder, Body & Substance, Conformation, Legs & Feet, Quality & Movement and Suitability as a Breeding Animal will be scored. There will also be a penalty category for rule infractions, poor manners, undue stress or inhumane treatment. The horses shall be ranked based on a total numerical score. Ties for Arabian breeding classes will be broken first by the highest total Arabian Type Score, second by the highest total score for Movement, third by the highest total Conformation score, and finally by call judge’s card. Ties for Arabian gelding classes will be broken first by the highest total Conformation score, second by the highest total score for Movement, and finally by call judge’s card’s.

2. After the Champion has been determined, the remaining first place horses, and the horse or horses placing second below a first place for the Champion on a judge’s card used for the Champion placing, are the only candidates for Reserve Champion. If the same horse appears first on a judge’s card and second below a first place for the Champion on a judge’s card used for the champion placing (or two or more second placings as herein described), such horse will be named Reserve Champion. If no horse fits within the criteria stated in the preceding sentence on two or more of the judge’s cards, the horse with the highest total points after the Champion has been named will be named Reserve Champion. A tie on points will be resolved by the fall of the cards as stated in the last sentence of a. above.

5. The Number One Judge will call the gaits in all performance classes.

6. The judges’ cards will be posted.

2. Shows may use either “In the Ring” or “Exit the Ring” procedure as identified in the Halter section of the Arabian Division in USEF/EC.
