(Res. 73-71) Horses (sires, dams, and foals) must be registered with the Arabian Horse Association Registries, the Canadian Arabian Horse Registry or the Canadian Partbred Arabian Register.

2. The U.S. and Canadian National Show Commissions will be responsible for: (BOD 12/15)
   a. Dividing classes
   b. Class entry fees
   c. Close of entry date
   d. Scheduling classes

FUT 102. ELIGIBILITY

1. Nominations.

   a. The nomination must be made on the dam of the foal postmarked/electronic transaction dated on or before December 31 of the year prior to birth, and the fee of $30 per mare per country paid to the Arabian Horse Association. Nominations postmarked/electronic transaction dated after December 31 will be accepted through February 15 of the year the foal is born with an additional $100 fee per horse per country. (BOD 11/05) The entry form and fees paid will be returned to the owner listed on the entry form.

   b. Nominations must be made on an official National Breeding & In-Hand Futurity form and information shall include name and number of dam; name and number of sire; and year foal is due.

   c. There is a $40 processing fee per mare per country to be paid at the time of original nomination. (BOD 3/17) This is in addition to your nomination fee and is a one-time charge only. The $100 late fee for a new nomination will be retained by the AHA office.

   d. No fees shall be refunded if nomination requirements are not fulfilled, the mare nominated does not produce a foal, if the nominee dies or if the nominee is gelded or spayed before the date of the show in which he or she would be eligible to show as an entire colt or filly.

   e. All fees are non-transferable with the following exception: Upon presentation of a veterinary certificate stating that a mare has not produced a live foal (defined as a foal that stands and nurses within 30 days after parturition) the nominated mare’s nomination fee will be applied to a new nomination in the consecutive year. The nomination fee for the consecutive year may be transferred to another mare having the same ownership. This consecutive year’s transaction will require payment of an additional $25 processing fee. (Res. 24-94)

   f. If a transfer is to be made to a succeeding year’s foal, a new entry form must be submitted by the nominator.

   g. When multiple embryo transfers (by the same sire/dam/owner/foaling year) are submitted by one nominator, the first registration application(s) received for that particular cross by AHA will be linked to the in-utero foal record(s). In the event that the nominator makes application for registration at the exact same time for more embryo transfer foals than he/she has in-utero nominations available, then the nominator will be contacted for an official order in which he/she wishes the foals to be registered. (BOD 11/12)

2. Renominations.

   a. In order to show, a Futurity entrant must pay the following fees:

If a change in ownership occurs for a CAHR or CPAR registered horse, a copy of the transferred Certificate of Registration must be submitted to AHA with a transfer fee. A transfer fee will be assessed if the owner on the Certificate of Registration differs from the owner listed on the original Registration Form. If a futurity nominee is sold that is registered with CAHR or CPAR, it becomes the responsibility of the new owner to inform AHA of the change of ownership and the new owner will be responsible for paying a transfer fee as well as paying the re-nomination fees as they become due.
