## "Name a Future Legend" AHA's Name-the-Foal Contest Kicks Off at Youth Nationals 2014

---

**(10-July-14 – AURORA, CO)** – The Arabian Horse Association and ChriShan Park Arabians are proudly presenting the "Name a Future Legend" contest for the 2014 show season.

Carrying over from a "Hall of Legends" promotion from the 2013 U.S. National Arabian & Half-Arabian Championship Horse Show, the contest allows AHA members, as well as outside participants to submit names for an unborn foal throughout the months of July, August, and September. The winning name will be chosen and announced at the 2014 U.S. National Arabian & Half-Arabian Championship Horse Show in Tulsa, Okla., in October. The foal will be registered with AHA with the winning name. The contestant whose name was chosen will receive a 1-year membership to AHA, an engraved bracelet of the foal's name, and the recognition of having named the foal.

The contest will kick-off, Saturday, July 19 at AHA's Youth National Arabian & Half-Arabian Championship Horse Show. Participants at the show, as well as those who are not in attendance will be allowed to submit names. Names can be submitted via email to [contests@arabianhorses.org](mailto:contests@arabianhorses.org) or through social media using the hashtag, #GrandCaymonFoal. Those in attendance at AHA's four Nationals Shows can submit their name at the #AHABlueRoom booth.

Submitted names must be island themed and include the 'CSP' initials.

Chris and Shan Wilson of ChriShan Park Arabians of Springfield, MO have graciously donated a 2015, unborn foal to be named for the contest. Sired by CSP Grand Caymon (Mamage x JJ Sioux Hope) and out of CSP AngelFire (Afire Bey V x Barbarys Angel+//), the foal will have the pedigree of legends. CSP Grand Caymon is an Arabian Breeders Sweepstakes Nominated Sire, standing at stud and in training at ChriShan Park with Shan Wilson. Son of multi-National Champion, Mamage and out of a GG Jabask+/ granddaughter, CSP Grand Caymon could be the next sire of future champions and legends.
