

### Chart of Suggested Percentages

Priority shown by ribbon colors (blue, red, yellow, white, pink, green, purple)

*The Education and Evaluation Commission, with input from fellow judges, has developed this suggested percentage breakdown of class specifications for a number of 'rail' classes. Our goal is to evaluate entries in comparative classes in a more methodical, objective manner. We ask that you give time and attention to how you evaluate the horses in each of these classes before you judge so that a more consistent evaluation can occur.*

AR133	Park Horse	Brilliant Performance with Proper Cadence & Balance	Presence	Quality	Manners	Conformation	Suitability of Horse to Rider
1	PH - Open	40%	20%	15%	15%	10%
