GR 1 AHA INDEMNITY & NON-RESPONSIBILITY CLAUSES

All entries are accepted with the understanding that the Arabian Horse Association and State Fair Park, World Equestrian Center and Tulsa Expo Square, their officers, officials, and employees will not be held responsible for any loss, damage, or injury to any exhibitor, his or her agent or employee, or to any horse or any article of any kind. The exhibitor will be responsible for any loss, damage, or injury to any person, animal, or property occasioned by him/her, his/her agents or employees, or by any animal owned or exhibited by him/her, and shall indemnify the Arabian Horse Association and State Fair Park, World Equestrian Center, Tulsa Expo Square and Keystone Centre, against any and all loss, damages and liability thus occasioned, including, but not limited to any and all legal costs, including attorney fees, which may be incurred as a result. The submitting of any official entry form to the show secretary shall constitute an acceptance of these provisions by each person or agent signing the entry form.

GR 2 ADMISSION TO THE RING & CONTROLLED PADDOCK PROCEDURE

No person will be permitted to enter the ring except participants in the class, judges, their assistants and show officials. Attendants and grooms may enter the ring only when summoned by order of the judges. Attendants and grooms who enter the ring shall be considered a part of the showing team and must be neatly dressed in proper show attire, wearing unmarked dusters at all times when they are in the ring.

Only standard grooming equipment will be allowed in this area. There will be no whips, noise makers or other such equipment, devices or objects in the in-gate area which might disturb or create a hazard to horses or handlers except a show whip carried properly by a handler.

1. FOR PERFORMANCE CLASSES

At the discretion of Show Management, order of entry into the ring may be predetermined for any class.

A maximum of two grooms and one handler per horse will be allowed at the in-gate area.

2. FOR IN-HAND CLASSES

In all breeding classes, the order of go will be determined and posted by birth date of the horse from oldest to youngest. Entries will enter in the order as posted and will be inspected for signs of abuse by the Show Steward immediately prior to entrance into the ring for judging. The manner of inspection will be at the discretion of Show Management.

3. CONTROLLED PADDOCK

The one specified person assisting with entrance of in-hand horses into the ring will be allowed to use only the same length whip and appendages as are currently allowed for the individual handling the horse. Rule reference AR114.2: Whips are to be no longer than 6' including snapper/lash/appendage. Small appendages (no more than 12 inches in length) of ribbon, plastic, etc. are permitted.

The designated person **will not hit or use any other objects, such as trash cans, walls, etc., to make any noise.**

In addition, **effective immediately**, the use of plastic or paper bags of any type or size is prohibited in assisting with entrance(s) into the arena.

It is the responsibility of Show Management, along with the USEF Steward(s) to ensure the "designated person" understands this policy and their role.

Should this rule/policy be violated, a warning card may be issued to both the handler and the designated person or groom who initiates this violation.

GR 3 ARABIAN BREEDERS SWEEPSTAKES CLASSES (ABS)

All Horses entering into Arabian Breeders Sweepstakes (ABS) classes must be Sweepstakes nominated either as a Breeding entry (BE) or an Original Entry (OE).

Yearlings must be Breeding Entries (BE).

A horse that is co-owned by two distinct non family members per USEF AR110.e. 1 – 10 cannot be shown in the ABS AAOTr/AOTR Jackpot Classes, ABS AAOTh

Performance Halter Classes, USN Performance Futurity/Maturity/Derby Classes and the SHN Performance Maturity Classes.

See each show for more detailed information relating to ABS classes held at those shows.

ARABIAN BREEDERS SWEEPSTAKES PRIZE MONEY

Classes that are eligible for Sweepstakes prize money are designated in the class list and in the time schedule.

Sweepstakes Prize Money is available in designated Sweepstakes classes for horses placing in these classes which are Sweepstakes Nominated as a Breeding Entry or Original Entry and are eligible for prize money.

The 50% rule is in effect for all designated Sweepstakes classes, with the exception of the ABS Yearling classes, ABS Green Working Hunter Derby, ABS Dressage Prospect Incentive, the ABS AAOTr/AOTR Jackpot Classes and the ABS AAOTh Performance Halter Classes.

The Sweepstakes Commission reserves the right to pay the dollar amounts printed in the online version of the AHA Handbook in the event the incorrect dollar amount is announced or presented in center ring.

Any and all disputes which arise regarding the Sweepstakes program will be presented to the Sweepstakes Commission for resolution and their determination will be final.

GR 4 AMATEUR OWNER

*****A horse that is co-owned by two distinct non family members per USEF AR110.e. 1 – 10 cannot be shown in the ABS AAOTr/AOTR Jackpot Classes, ABS AAOTh Performance Halter Classes or Performance Maturity AAOTr Classes at any National Show.**

It is unethical to transfer or assist or facilitate in the transfer of a horse with the intent to circumvent the purpose of the rules regarding ownership of horses shown in the amateur owner and/or junior owner classes. It is unethical for any AHA member to not provide information relating to the transfer in question that is requested by the Probable Cause Panel or the Ethical Practice Review Board.

**Grey highlight indicates changes for 2022*

In determining whether the transfer was unethical, the EPRB may consider, among others, the following:

Horse ending up back in the previous owner's name within a year of the original transfer.

Horse being transferred at less than fair market value (owner to provide proof of the sales amount).

The fact that prize money went to a person other than the owner or family member.

The fact that the owner or family member did not pay the expenses relating to the upkeep and showing of the horse.

However, only awards made to the top 50% (rounded up not to exceed 10 awards) will receive AHA Horse Achievement Award Points, Amateur Achievement Award Points, High Point Horse Achievement Award points, and High Point Amateur Achievement Award points.

GR 6 BEDDING/SHAVINGS

Shavings and feed are available for purchase on the show grounds. Outside shaving deliveries are not allowed to the show grounds.

GR 7 CANCELLATION OR DATE CHANGE OF SHOW

Show Management reserves the right to change the dates and/or the location of the show or to cancel the show altogether. In the event of a cancellation, all entry fees and stall fees will be refunded upon request. (Office fees are non-refundable.) Neither the Show Management nor AHA shall have any liability to any exhibitor, owner, handler or other person, firm or corporation by reason of any change or cancellation of the show, except for the return of the aforementioned fees.

GR 8 CLASS INFORMATION

A class is composed of all its sections including Preliminaries (I,II,III) , Eliminations (A,B,C), Semi-Finals/ Finals (SF/F), Semi Finals -1st Go (SF), and Finals - 2nd/last Go (FNL).

Many National classes are divided into sections depending on the number of entries. Please check with the Show Office regarding if a class has sections and which section you have been assigned. If you miss YOUR SECTION, you have missed YOUR CLASS and will not be allowed to advance further. This policy will be strictly enforced.

1. ADDING CLASSES

Additional class entries must be submitted on the Official Entry Form for each show. Please check the box indicating this is not a new horse but added classes for a horse already entered.

2. CANCELLATION OF CLASSES

The AHA Convention has established a minimum of three (3) entries for all National classes. The Show Commissions may cancel any class with fewer than three entries.

3. CLASS CALLS

- a. The two-minute limit for gate closing will be strictly enforced. The gate will close two minutes after the first horse enters the ring or in cases with large classes taking more than two minutes, after the entry of the final horse in a continuous string of horses.
- b. Due to unforeseeable problems with any mechanical device, the public address system and

paddock calls over that system must be considered a courtesy.

- c. It is the responsibility of the exhibitor to be sure that his/her horse is at the gate at the prescribed time. Every effort will be made to maintain a working public address system to carry class calls; however, no protest will be upheld, nor will any section be changed on the basis of public address malfunction alone.

4. CLASS PROCEDURES

- a. Riders in Reining, Trail, Working Cow, Cutting, Dressage, Working Hunter, Jumper, Sport Horse In-Hand, Ranch Riding and Obstacle Driving classes may show more than one horse in the class.
- b. In all other classes, a horse may be shown in a class (including sections) by only one rider and only one horse per rider.

Exception: official scratches filled out at the gate.

Exhibitors who scratch at the gate and do not fill out a scratch form with the gate person will be charged either the failure to scratch fee or the no show fee.

6. CLASS SECTIONS

If you have multiple classes the same day, it is strongly advised to look closely at the schedule and request a section that will work best for your situation. Many sections have been split up in order to aid in conflicts.

a. SECTIONS REQUESTS

Sections can be requested up to noon 2 days prior to the section running. i.e. if sections are to run Wednesday, request may be submitted up to noon on Monday and sections will be posted Tuesday by Noon.

If a section is not specified, then random entry selection will be used for assigning sections.

If you miss YOUR SECTION, you have missed YOUR CLASS and will not be allowed to advance further. This policy will be strictly enforced.

**Grey highlight indicates changes for 2022*

Exhibitors with possible ring conflicts, should identify section requests on the Official Entry Form. Once at the show, sections and go forward sections can be requested **via the AHA App, website or in person at the show office**. All requests **MUST** be submitted BY NOON the day prior to when the sections are to be posted.

This change must be requested on the official Section Change Form and be filed with the Show Secretary in the Show Office.
 - ii. Show Management reviews all requests for changes and their rulings are final. Exhibitors must return to the Show Office to determine if their request for change has been granted and must sign the request form indicating they are aware of the action taken relative to their request.
 - iii. If Show Management creates a conflict with an exhibitor's scheduled class, due to a time change or other adjustment, a section or work order assignment may be changed by Show Management to resolve the conflict. In such case, every effort will be made by the Show Office to notify the exhibitor involved of the section/work order change.

7. CLASS/HORSE SUBSTITUTIONS

Substitutions will follow USEF/EC rules. If the owner wishes to use another horse to replace the deceased, sold or injured horse, substitutions may be made after the announced date of the closing of entries and will be handled as follows:

- a. The Office and the Scoring fee must be paid for the substitute horse, all other fees are transferable.

- f. Class entry fees will be refunded for all non-qualified classes only. All qualified horses/riders entered in a class including classes where cross entry is not permitted will not be refunded.

GR 9 CONTROLLED PADDOCK PROCEDURE

Since the controlled paddock was first instituted, the use of large plastic bags and other items has escalated well beyond what is necessary to assist our in-hand horses into the arena. Additionally, we have erred by not clearly stating how this one specified person appointed by either

the show committee or the exhibitor is to go about assisting with entrance(s) into the arena. It is well past time for us to establish these parameters and we ask for the support of all our owners and spectators in understanding that these parameters are for the welfare of our horses and our breed. These parameters will also help remove some of the negativity expressed regarding the current practices of how our in-hand horses are presented to the judges and to the public.

The one specified person assisting with entrance of in-hand horses into the ring will be allowed to use only the same length whip and appendages as are currently allowed for the individual handling the horse. Rule reference AR 114.2: Whips are to be no longer than 6' including snapper/lash/appendage. Small appendages (no more than 12 inches in length) of ribbon, plastic, etc. are permitted.

The designated person will not hit or use any other objects, such as trash cans, walls, etc., to make any noise.

In addition, effective immediately, the use of plastic or paper bags of any type or size is prohibited in assisting with entrance(s) into the arena.

It is the responsibility of Show Management, along with

GR 10 COVID & HEALTH PROTOCOLS

Exhibitors are advised that All AHA National Shows will follow the current guidelines put in place in accordance with the recommendations of the CDC, WHO, USEF and AHA in regard to social distancing and public health that are in place at the time of each National Show. Please check the AHA web site for updates.

GR 11 DISCIPLINE

Exhibitors are advised that any act of discourtesy or disobedience to the officials of this show on the part of the owner, lessee, trainer, groom, rider, driver, handler or member of the family of the person participating in the show will disqualify the horse from adjudication. The management reserves the right to remove any horse, owner, lessee, trainer, groom, rider, driver, handler, or member of the family of the person participating in the show from the show grounds without being liable for compensation of damages.

Any action(s) against a horse which are deemed excessive by a Judge, Steward or Show Veterinarian, in the show ring or anywhere on the competition grounds, may be punished by official warning, elimination, or other sanctions which may be deemed appropriate by the Commissions or the Judges & Stewards Commissioner. Such action(s) could include, but are not limited to, excessive use of whip, spurs, or bamboo poles. It is a violation of USEF and Equestrian Canada rules to commit any act or make remarks during the show that are considered offensive or made with the intent to influence or cast aspersions on the judging. (Refer to the current USEF and Equestrian Canada Rule Books).

GR 12 DISPUTE NOT COVERED BY RULES

Should any question or dispute arise not provided for in the governing rules of USEF or AHA, the question or dispute shall be referred to the Show Committee, whose decision will be final.

GR 13 DISQUALIFICATION

Refer to current USEF and Equestrian Canada Rule Books. For clarification on how a disqualified horse is replaced, refer to the current AHA Handbook.

GR 14 DNA TESTING

The Arabian Horse Association reserves the right to do

DNA testing at ANY National Show by collecting hair samples (or blood sample, if necessary) from Arabian, Half-Arabian or Anglo-Arabian horses. Samples will be collected under the overall supervision of the Registry Services Department. Any questionable results will go through the standard investigation process of that department. Prize money may be withheld pending the outcome of questionable results. All Half-Arabians competing in the Halter Futurity and Performance Futurity/Maturity/Derby must have DNA type on file of the horse and horse's purebred Arabian Parent placed on permanent record with the AHA Registry and the horse has been shown to qualify as an offspring of the purebred sire or purebred dam. *DNA must be on file with the AHA office before the horse will be eligible to compete in these classes.*

GR 15 DOGS & OTHER PETS/ANIMALS

No dogs will be allowed in the main arena or paddock area with the exception of Companion/Guide Dogs, and in accordance with USEF Rules. Dogs are not permitted to be loose on competition grounds and must be on a leash or otherwise contained. Individuals must not lead dogs on a leash while mounted. Dog owners are solely responsible for any damages, claims, losses or actions resulting from their dogs' behaviors.

Dog owners failing to comply with this rule may be subject to penalty under USEF Chapters 6 and 7, as well as issuance of warning cards. The Show Management further reserves the right to fine any exhibitor or farm whose dog is running loose and has to be confined by show officials. The first offense will be up to \$50.00. The second offense will be up to \$100.00 and expulsion of the animal from the show grounds.

GR 16 DRUG TESTING, SHOE & HOOF MEASURING

Complimentary hoof measurements will NOT be provided by USEF/EC Stewards at any National Show.

It is the prerogative of Show Management to require drug testing or to require the inspection of shoes, pads and/or hoof length for any entry at any time during the show. This is to be accomplished prior to the horse leaving a prearranged inspection area. All horses competing in the Arabian, Half-Arabian and Anglo-Arabian Hunter, Jumper, Dressage, Eventing, Combined Driving, Pleasure (Carriage) Driving, Working Western, and Sport Horse Sections are exempt from shoeing regulations. This does not exempt horses that are cross entered into any other

*Grey highlight indicates changes for 2022

Per resolution #24-04, mandatory drug testing will take place at the U.S. and Canadian Nationals. Horses will be picked at random.

GR 32 PATRONSHIPS

National shows have patron programs with various benefits including preferred stalling, class sponsorship, seating and patron's lounge benefits.

Patron seniority is based on the number of consecutive years a barn/trainer/individual has been Nationals Patron. Stalling assignments will be done based off Patron seniority and when Patronship forms are received. Any year a Patronship is missed will result in the Patron losing their seniority. In order to retain seniority, Patrons must be current every year. The National Show Commissions reserves the right to review special case requests regarding seniority, and their decision will be final. Each special case will be evaluated on its own facts and circumstances.

See the individual Patron sponsorship available on the AHA website for each National Show for specific benefit and cost information and deadlines. Patronship fees are listed on the patron form for each show, and should be mailed separate from the Official Entry Form.

Any requests to change status in a Patronship, including cancellations, MUST be emailed to NationalEvents@ArabianHorses.org.

All patrons who elect to use a golf cart will be held responsible for their own cart. Should their cart be damaged or stolen, the patron will be required to replace or repair the golf cart directly through the chosen golf cart vendor.

The submission of a signed Patron form constitutes an agreement by the signing party for a payment for Patronship After the entry closing date, any cancelled patronship is refundable by 50% if paid in full. If only minimum payment was made and patronship is not paid in full by date stated on form, no money will be refunded. Prior to entry closing date, patron fees may be refunded less the non-refundable deposit. After the entry closing date, patronships may still be available. Please contact AHA National Events Sales for more information.

Patronships are encouraged to be submitted before the deadline to ensure availability, seating and stalling priority.

1. PASSING DOWN PATRONSHIPS

A patron who has maintained a Patronship seniority that is retiring may elect to pass their Patronship on to an immediate family member. The family member receiving the seniority will be required to maintain the Patronship payments annually. Additionally, in order to keep the original stabling area, the family member may not exceed the number of stalls required by the original patron. To confirm the transfer of a Patronship, an email to the barn manager will be required. **If a farm associated with a**

*Grey highlight indicates changes for 2022

patronship is being retired, the trainer has the right to continue the patronship and maintain the seniority.

2. PATRON STABLING

Patron stalling is assigned prior to any non-Patrons. Priority for Patron stalling assignments will be based on the number of continuous years as a Patron, the prior year's stalling location, and number of stalls needed.

Only the named person/stable on the Patronship is allowed to hang one set of drapes that identify the Patron farm/stable. Piggybacking (stall with) will not be allowed. Patron farms/stables allowing other farms/stables/trainers to piggyback with them who are not patrons run the risk of being moved to other less desirable areas of stalling.

The entry blank (or electronic entry) must be signed by the trainer listed on the Patronship in order for the exhibitor to be stabled with said patron.

Farms, stables or trainers wishing to stall with other farms/stables in the patron stalling area must purchase a separate patronship in order to hang identifying drapes.

PATRON STABLING PROCEDURES

1. The transferring of a patronship to a non-immediate family member will not be allowed.
2. 80% of the stalls must be in the Patron's barn (for 49 stalls and under). For those with 50 Stalls or over, 90% of the stalls must be in the Patron's Barn.
3. If that 80%/90% is exceeded, then a new patronship will be immediately charged to the patron on record.
4. Barns with over 100 stalls may not be stalled together. Every attempt will be made to keep stalls as close in proximity as feasibly possible.
5. For Patrons that exceed their average number of stalls (over the last three years), the overflow may be in another location.
6. Only one set of drapes with signage representing the patron on record may be displayed.
7. A stabling form for each National Show will be used that lists horse, owner and trainer. The form should include a statement to refer to patron stabling rules for priority stabling procedures in the omnibus.
8. If necessary, a show commission can limit the number of tack stalls should be in the general rules for all shows.
9. Every effort will be made to stable non-patron groups together that have accurately filled out their stabling request form.
10. Patron stabling will be based first on historical location and secondly on patron seniority. If a patron wishes to move to another patron barn, they will be placed on a waiting list for that barn.

Press passes can be purchased in the commercial exhibitor office. Violation of the policy will result in removal from the show grounds. Additionally, commercial photographers found violating this policy will be assessed a \$900 fee. This policy extends to violations found post-show through websites, social media, and other outlets.

ENTERING FOR HORSES AND RIDERS NOT QUALIFIED BY THE CLOSING DATE

Horses and riders that are not qualified as of the closing date but intend to qualify before the start of the National Show they are entering MUST enter and pay the fee.

Qualifications for classes not qualified for by the closing date can be earned up to the start of the show.

If Results from a qualifying show have not been recorded, a qualification report signed by the show secretary will be required before a non qualified class will be qualified.

Elite, Choice and Select riders must meet the definition.

Refer to each show and GR 3 for rules regarding eligibility for Arabian Breeders Sweepstakes restricted classes (ABS).

If you have any questions contact AHA Competition Services at (303) 696-4500, option #4 or email NationalEvents@ArabianHorses.org.

GR 38 SCHEDULE & RING CONFLICTS

When entering, please be aware of entering classes which might run in different rings at the same time. Every effort will be made to solve these conflicts, however rings will not be held for extensive periods to solve conflicts. Entry fees will be forfeited in case of time conflicts caused by two rings running simultaneously that can't be resolved.

It is the policy of the Nationals Show Commissions to not make schedule changes within 24 hours of a class, unless there are extenuating circumstances. No classes will be moved in the schedule once the Omnibus is printed other than sections may be added or cancelled if entries warrant.

The schedules printed in this prize list are TENTATIVE and based on entry projections for each class and the number of sections required. Any change in the number of entries may affect the corresponding number of sections in that class. The Show Commissions will review class entry numbers and sections after the entry deadline and will revise the schedule accordingly if deemed necessary.

Please note No classes will be moved to an earlier day in the schedule. Classes scheduled with only a SFF that must be divided into section due to the number of entries, will have the sections run in place of the SFF and the SFF will be later in the schedule. **If Sections listed in the tentative schedule are canceled, the SFF maybe moved to run where the sections were scheduled for that class.**

Please check the AHA App, the Web site or with the Show Office upon arrival for schedule changes and posted sections.

Please be prepared as no entry fees or other fees will be refunded due to schedule changes. Schedule conflicts between rings are the responsibility of the exhibitor.

Updates to the schedules for all the Nationals shows will

be posted on each shows home page and the AHA App. Please refer to the most current schedule prior to entering the horse show.

GR 39 SCORING SYSTEM

Scoring Systems are outlined in the AHA handbook under COMP 5 and REQ 2.

All National Championship Shows are required to use the AHA approved Majority Opinion System (MOS) (Res. 45-00, Res. 31-07) Scoring System in all applicable classes.

All Breeding/Gelding In-Hand classes will be judged comparatively using the Majority Opinion System (MOS).

Working Hunter, Hunter Hack, Jumper, Hunter Seat Equitation Over Obstacles, Hunter Seat Equitation Not to Jump, Dressage, Dressage Seat Equitation, Reining Horse, Reining Seat Equitation, Cutting, Reined Cow, Working Cow, Trail, and Sport Horse classes are exempt from using the Majority Opinion System.

Sport Horse In-Hand classes that are judged by 2 judges will use the total score system.

Performance Halter will use the AHA score card, the scorecards will be turned into placings and in turn, run through the Majority Opinion System (MOS) to determine the Champion, Reserve Champion and Top Five.

Refer to each show for exceptions to the above for AEPA, AWPA and AHPA Futurity and Maturity classes.

GR 40 SECURITY

Exhibitors are advised that it is their responsibility to secure their valuables and stall area. The Show has a limited number of security personnel on the premises. Please report any issues related to security breaches.

GR 41 SHARPS CONTAINERS

For U.S. Competitions (per USEF Rule Book): Show Management will place at least one sharps container per fifty occupied stalls for the disposal of needles and other disposable sharp instruments in convenient locations in barns housing competition horses. It is competition management's responsibility to replace such containers when full and dispose of them properly. Competition management may fine any individuals including trainers, owners, exhibitors, or their agents up to \$100 plus clean-up costs for improper disposal of needles or other sharp disposable instruments. Competition management will place a notice of this requirement either in its prize list or on a specific handout given to trainers on check in at the competition. If local law has different requirements, local law will prevail.

Any and all stalls used by exhibitors must be returned to their original condition prior to leaving the grounds.

Exhibitors will be billed for any alteration/damage to their stalls on the premises to or any required cleanup of any stalls they use.

3. HORSE STALLS

Each entered horse must pay for one stall, all others are considered tack stalls.

No subletting of stalls will be allowed.

Stalls for any non-competing horses must have an official entry form on file with the show office and be listed on the stall request form.

4. TACK STALLS

If you are ordering just tack stalls, Please do not list them only on the stall reservation form or they may be missed. Please use an entry form leaving the horse information blank.

APAHA PREAMBLE

We, as Professional and Amateur Horsemen of the Arabian Horse Association, pledge to assume a positive role as leaders in the Arabian horse community.

While achieving the goals of promoting, showing, and caring for the horse, we shall protect the health, image, and welfare of the breed.

Therefore, we set forth the following standards:

HORSEMEN'S STANDARDS OF CONDUCT

We shall comply with and actively encourage all Professional and Amateur Horsemen to adhere to all rules and regulations of AHA, USEF, CAHR, and EC.

We shall instill confidence, trust, and mutual respect in our clients, fellow exhibitors, and the public by a commitment to ethical practice and avoidance of any action conducive to discrediting the Arabian horse, AHA, or our fellow horsemen.

We shall ensure that the welfare of the Arabian horse is paramount and that every Arabian horse be treated humanely and with dignity, respect, and compassion.

As Horsemen we agree that it is our obligation, not only to the horse, but to each other, to have a reciprocal relationship wherein we are compelled to comment to our peers on their actions as well as be receptive of comments on our actions, if those actions might be perceived or interpreted as abusive or inappropriate.

There should be no malicious force during training. Good horsemanship teaches a horse to respond to the aids with confidence. Abusive practices are those that inflict injury or result in intimidation and fear. This may include jerking, spurring, or whipping when employed in a manner that increases a horse's fear, confusion, or distress.

While most types of tack and training methods are not themselves abusive, we understand

that anything used wrongly, overused, or over done can prove to be abusive or perceived to be abusive by onlookers.

The duration of training sessions should take into account climate conditions, intensity of work, footing and the condition of each horse to ensure there is no undue stress.

We shall conduct all business affairs with integrity, sincerity, and accuracy in an open and forthright manner.

We shall act with integrity in financial dealings with clients, professionals, and the public. We shall employ a policy of full disclosure to our horse's owners, as well as potential buyers, about all facts and knowledge regarding a horse they own or are considering purchasing.

Horsemen will never perform, condone, or allow surgical alteration or procedure on an Arabian horse unless professionally prescribed by a licensed veterinarian, and then, only for the survival or threatened health of an Arabian or Half-Arabian horse. This includes the altering of the natural carriage of the tail, which is one of our breed standards and characteristics.

Horsemen will not administer to any horse engaged in competition drugs or medications that give an unfair competitive advantage or serve no required therapeutic purpose.
