EVERY CLASS OFFERED HEREIN WHICH IS COVERED BY THE RULES AND SPECIFICATIONS OF THE CURRENT USEF/EC RULE BOOK WILL BE CONDUCTED AND JUDGED IN ACCORDANCE THEREWITH.

The Youth Nationals, Sport Horse Nationals and U.S. Nationals are conducted in accordance with the rules of the United States Equestrian Federation (USEF), and Canadian Nationals is conducted in accordance with the rules of Equestrian Canada (EC). The official rulebook of each organization will prevail for all shows, particularly the Arabian, Half-Arabian and Anglo-Arabian Horse Division and the rules of the Arabian Horse Association. Any changes or corrections of the rules will automatically become part of this prize list and will appear on the AHA website (www.ArabianHorses.org) and via an Eblast. Every participant in each show is responsible for knowledge of these rules and is subject to these rules. The Show Commissions reserve the right to make changes to what is listed in the omnibus at any time.

Shaded text indicates changes for 2019.

For assistance, please call the AHA office at (303) 696-4500 (option #4), or fax at (303) 696-4599, Monday through Friday, 8:00 am to 5:00 pm (Mountain Time), or e-mail us at NationalEvents@ArabianHorses.org.

AHA INDEMNITY AND NON-RESPONSIBILITY CLAUSES

All entries are accepted with the understanding that the Arabian Horse Association and State Fair Park, Balmoral Park, Tulsa Expo Square and Keystone Centre, their officers, officials, and employees will not be held responsible for any loss, damage, or injury to any exhibitor, his or her agent or employee, or to any horse or any article of any kind. The exhibitor will be responsible for any loss, damage, or injury to any person, animal, or property occasioned by him/her, his/her agents or employees, or by any animal owned or exhibited by him/her, and shall indemnify the Arabian Horse Association and State Fair Park, Balmoral Park, Tulsa Expo Square and Keystone Centre, against any and all loss, damages and liability thus occasioned, including, but not limited to any and all legal costs, including attorney fees, which may be incurred as a result. The submitting of any official entry form to the show secretary shall constitute an acceptance of these provisions by each person or agent signing the entry form.

ADMISSION TO THE RING AND CONTROLLED PADDOCK PROCEDURE

No person will be permitted to enter the ring except participants in the class, judges, their assistants and show officials. Attendants and grooms may enter the ring only when summoned by order of the judges. Attendants and grooms who enter the ring shall be considered a part of the showing team and must be neatly dressed in proper show attire, wearing unmarked dusters at all times when they are in the ring.

Only standard grooming equipment will be allowed in this area. There will be no whips, noise makers or other such equipment, devices or objects in the in-gate area which might disturb or create a hazard to horses or handlers except a show whip carried properly by a handler.

1. PERFORMANCE CLASSES

At the discretion of Show Management, order of entry into the ring may be predetermined for any class.

A maximum of two grooms and one handler per horse will be allowed at the in-gate area.

2. IN-HAND CLASSES

In all breeding classes, the order of go will be determined and posted by birth date of the horse from oldest to youngest. Entries will enter in the order as posted and will be inspected for signs of abuse by the Show Steward immediately prior to entrance into the ring for judging. The manner of inspection will be at the discretion of Show Management.

CONTROLLED PADDOCK

The one specified person assisting with entrance of in-hand horses into the ring will be allowed to use only the same length whip and appendages as are currently allowed for the individual handling the horse. Rule reference AR114.2: Whips are to be no longer than 6' including snapper/lash/appendage. Small appendages (no more than 12 inches in length) of ribbon, plastic, etc. are permitted.

The designated person **will not hit or use any other objects, such as trash cans, walls, etc., to make any noise.**

In addition, **effective immediately**, the use of plastic or paper bags of any type or size is prohibited in assisting with entrance(s) into the arena.

It is the responsibility of Show Management, along with the USEF Steward(s) to ensure the "designated person" understands this policy and their role.

Should this rule/policy be violated, a warning card may be issued to both the handler and the designated person or groom who initiates this violation.

AMATEUR OWNER

*** A horse that is co-owned by two distinct non family members per USEF AR110.e. 1 – 10 cannot be shown in the ABS AAOTR Jackpot classes or Performance Maturity AAOTR Classes at US Nationals.

It is unethical to transfer or assist or facilitate in the transfer of a horse with the intent to circumvent the purpose of the rules regarding ownership of horses shown in the amateur owner and/or junior owner classes. It is unethical for any AHA member to not provide information relating to the transfer in question that is requested by the Probable Cause Panel or the Ethical Practice Review Board.

In determining whether the transfer was unethical, the EPRB may consider, among others, the following:

Horse ending up back in the previous owner's name within a year of the original transfer.

Horse being transferred at less than fair market value (owner to provide proof of the sales amount).

The fact that prize money went to a person other than the owner or family member.

The fact that the owner or family member did not pay the expenses relating to the upkeep and showing of the horse.

AWARDS

Top Ten Awards will be made regardless of the number of competing entries. However, only awards made to the top 50% (rounded up not to exceed 10 awards) will receive AHA Horse Achievement Award Points, Amateur Achievement Award Points, High Point Horse Achievement Award, and High Point Amateur Achievement Award points.

Types of awards are as follows: trophy and championship ribbon to the National Champion; trophy and reserve championship ribbon to the Reserve National Champion; plaques and ribbons to remainder of the Top Ten.

Champion and Reserve Champion will NOT receive Top Ten

* Grey highlight indicates changes for 2019

Plaques. Champion and Reserve Champion may purchase a plaque if they wish to do so in the Awards Room.

All horses qualifying for the semi-finals will receive a ribbon. In addition, all horses chosen to advance in preliminary and elimination sections will receive a ribbon.

All awards not claimed by the close of the show will be forfeited with no exceptions.

AWARDS CEREMONY

The Championship and Reserve Championship award ceremony at National Shows allow up to five people other than authorized personnel for award photographs.

AWARDS/SPECIAL

The National Show Commissions will determine if individual prizes and awards will be presented at the National Shows. AHA is not liable for payment of donated prize money paid by an outside organization. Exhibitors are instructed to contact the individual donors to complete any necessary paperwork.

BEDDING/SHAVINGS

Shavings and feed are available for purchase on the show grounds. Outside shaving deliveries are not allowed to the show grounds.

CANCELLATION OR DATE CHANGE OF SHOW

Show Management reserves the right to change the dates and/or the location of the show or to cancel the show altogether. In the event of a cancellation, all entry fees and stall fees will be refunded upon request. (Office fees are non-refundable.) Neither the Show Management nor AHA shall have any liability to any exhibitor, owner, handler or other person, firm or corporation by reason of any change or cancellation of the show, except for the return of the aforementioned fees.

CLASS INFORMATION

Any class can be entered by the closing date (qualified or not). Qualifications can be earned up to the start of the show. You are qualified from the earliest date you earn the points required. There is no such thing as re-qualifying.

Many National classes are divided into preliminary and/or elimination sections depending on the number of entries. (Refer to current AHA Handbook for information on "Dividing Classes at Nationals"). Please check with the Show Office regarding which section you have been assigned. If you miss YOUR SECTION, you have missed YOUR CLASS and will not be allowed to advance further. This policy will be strictly enforced. Preliminary sections are designated by Roman Numerals, (I, II, III, IV) and always run before eliminations when class entries warrant the use of preliminaries. Capital letters (A & B) designate elimination sections and either follow the preliminaries or can be the first go of the class. Semi-finals are designated by "SF," and finals are the last go of the class and are designated by "FNL." The final and semi-final can be combined as designated with "SF/F." Classes which may be divided are subject to be moved ahead on the schedule. Check with the Show Office for updates.

1. ADDING CLASSES

Additional class entries must be submitted on the Official Entry Form for each show. Please check the box indicating this is not a new horse but added classes for a horse already entered.

2. CANCELLATION OF CLASSES

The AHA Convention has established a minimum of three (3) entries for all National classes. The Show Commissions may cancel any class with fewer than three entries. Horses entered in classes cancelled in the 2019 National Arabian and Half-Arabian Championship Horse Shows will retain their eligibility for the 2020 National Show (Res. 61-86).

3. CLASS CALLS

- The two-minute limit for gate closing will be strictly enforced. The gate will close two minutes after the first horse enters the ring or in cases with large classes taking more than two minutes, after the entry of the final horse in a continuous string of horses.
- Due to unforeseeable problems with any mechanical device, the public address system and paddock calls over that system must be considered a courtesy.
- It is the responsibility of the exhibitor to be sure that his/her horse is at the gate at the prescribed time. Every effort will be made to maintain a working public address system to carry class calls; however, no protest will be upheld, nor will any section be changed on the basis of public address malfunction alone.

4. CLASS PROCEDURES

- A class is composed of its preliminaries, eliminations, semi-finals and finals. (See Section, Rider/Handler/Equitation Horse Change or Working Order Change Requests for more information on preliminaries and eliminations).
- Riders in Reining, Trail, Working Cow, Cutting, Dressage, Working Hunter, Jumper, Sport Horse In-Hand, Ranch Riding and Obstacle Driving classes may show more than one horse in the class.
- In all other classes, a horse may be shown in a class by only one rider and only one horse per rider.

5. CLASS SCRATCHES & NO SHOWS

- PLEASE refer to the fee chart for each show.
- All Scratches MUST be done in writing and turned in (depending on each national show) to the show office to be considered official.
- Class scratches must be made before the end of the prior session.
- Scratches taking place once the session starts will be assessed the scratch fee. Exhibitors who scratch at the gate and do not file an official scratch by the end of the session will be charged either the scratch fee or the no show fee.

6. CLASS SECTIONS

- Entrants, with possible ring conflicts, should identify section requests on the Official Entry Form. If a section is not specified, then random entry selection will be used for assigning sections.
- Requests for section or working order changes shall be handled as follows:
 - Random entry selection will be used for assigning sections. Any section request not received with your entries will not be considered until the time of the show.
 - At the show, exhibitors can request sections prior to the classes being sectioned. Sections will be posted the day prior to the class. Section requests submitted at the show must be in to the show office by Noon the day prior to when the sections are to be posted. i.e if the class is Tuesday, sections will be posted Monday, section requests must be in by noon Sunday.**
 - Exhibitors can request a GO FORWARD section AFTER they make the cut in the preliminary section. The request MUST be submitted to the show office within 1/2 hour after the session the elimination sections were held. (Example: 30 minutes after the completion of the session when the I, II, III cuts were held is the deadline to submit section A & B requests)

* Grey highlight indicates changes for 2019

- 4) ONCE A CLASS HAS BEEN SECTIONED, if an exhibitor has a conflict between scheduled classes, the exhibitor must request the change in section or working order at least two sessions prior to the earliest class involved. This change must be requested on the official Section Change Form and be filed with the Show Secretary in the Show Office.
- 5) Please check with the Show Office regarding which section you have been assigned. If you miss YOUR SECTION, you have missed YOUR CLASS and will not be allowed to advance further. This policy will be strictly enforced.
- 6) Show Management reviews all requests for changes and their rulings are final. Exhibitors must return to the Show Office to determine if their request for change has been granted and must sign the request form indicating they are aware of the action taken relative to their request.
- 7) If Show Management creates a conflict with an exhibitor's scheduled class, due to a time change or other adjustment, a section or work order assignment may be changed by Show Management to resolve the conflict. In such case, every effort will be made by the Show Office to notify the exhibitor involved of the section/work order change.

7. CLASS/HORSE SUBSTITUTIONS

Substitutions will follow USEF/EC rules. If the owner wishes to use another qualified horse to replace the deceased, sold or injured horse, substitutions may be made after the announced date of the closing of entries and will be handled as follows:

- a. The Office and the Scoring fee must be paid for the substitute horse, all other fees are transferable.
- b. A copy of the veterinary letter and/or a copy of notification of death or sale (to the appropriate registry) regarding the death or sale of the horse must be provided with the substitution horse's entry. For an injury the Vet certificate should give a detailed description of the injury.
- c. The classes must be the same type and rider age breaks.
- d. Additional classes may be entered for which the new horse is qualified. Post entry rules apply.

8. POST ENTRY Please refer to each individual show's rules.

9. RIDER/HANDLER/EQUITATION HORSE CHANGES

Any changes to the originally entered rider, driver, handler or equitation horse must be made on the appropriate form at the show office at least one session prior to the class involved. Failure to do so will result in a fine. Refer to Fee Chart for each show.

Once a class section has run, rider/driver/handler changes for advancing sections are not allowed except for a medical emergency per USEF rules. Please make sure the correct rider is listed for your classes.

10. REFUNDS

- a. Refunds will be considered upon receipt of a suitable veterinarian certificate attesting to illness or injury, along with a letter from the exhibitor explaining the circumstances.
- b. All fees, except the office fees, will be refunded with a veterinarian certificate received at the AHA office no later than 40 days prior to the first day of the show. Only the class entry fees, 9-90 fee, USEF fees, EC fees will be refunded, with a veterinarian certificate postmarked between 40 days and 15 days prior to the first day of the show. No fees will be refunded

for requests received at the AHA office between 14 day and the completion of the show.

- c. In the case of a deceased horse, a copy of the veterinary letter and/or a copy of notification of death (to the appropriate registry) is required before a refund will be made for all fees with the exception of the office fee which will be retained by AHA.
- d. All fees paid for classes cancelled by Show Management shall be refunded in full.
- e. Class entry fees will be refunded for all non-qualified classes only. All qualified horses/riders entered in a class including classes where cross entry is not permitted will not be refunded.
- f. All refunds will be sent by mail after the conclusion of the show.

DISCIPLINE

Exhibitors are advised that any act of discourtesy or disobedience to the officials of this show on the part of the owner, lessee, trainer, groom, rider, driver, handler or member of the family of the person participating in the show will disqualify the horse from adjudication. The management reserves the right to remove any horse, owner, lessee, trainer, groom, rider, driver, handler, or member of the family of the person participating in the show from the show grounds without being liable for compensation of damages.

Any action(s) against a horse which are deemed excessive by a Judge, Steward or Show Veterinarian, in the show ring or anywhere on the competition grounds, may be punished by official warning, elimination, or other sanctions which may be deemed appropriate by the Commissions or the Judges & Stewards Commissioner. Such action(s) could include, but are not limited to, excessive use of whip, spurs, or bamboo poles. It is a violation of USEF and Equestrian Canada rules to commit any act or make remarks during the show that are considered offensive or made with the intent to influence or cast aspersions on the judging. (Refer to the current USEF and Equestrian Canada Rule Books).

DISPUTE NOT COVERED BY RULES

Should any question or dispute arise not provided for in the governing rules of USEF or AHA, the question or dispute shall be referred to the Show Committee, whose decision will be final.

DISQUALIFICATION

Refer to current USEF and Equestrian Canada Rule Books. For clarification on how a disqualified horse is replaced, refer to the current AHA Handbook.

DNA TESTING

The Arabian Horse Association reserves the right to do DNA testing at ANY National Show by collecting hair samples (or blood sample, if necessary) from Arabian, Half-Arabian or Anglo-Arabian horses. Samples will be collected under the overall supervision of the Registry Services Department. Any questionable results will go through the standard investigation process of that department. Prize money may be withheld pending the outcome of questionable results. Half-Arabians must have DNA type of file of the horse and horse's purebred Arabian Parent placed on permanent record with the AHA Registry and the horse has been shown to qualify as an offspring of the purebred sire or purebred dam through DNA type testing in order to compete in the Halter Futurity and Performance Futurity/Maturity classes. DNA must be on file with the AHA office before the horse will be eligible to compete in these classes.

* Grey highlight indicates changes for 2019

DOGS & OTHER PETS

No dogs will be allowed in the main arena or paddock area with the exception of Companion/Guide Dogs, and in accordance with USEF Rules. Dogs are not permitted to be loose on competition grounds and must be on a leash or otherwise contained. Individuals must not lead dogs on a leash while mounted. Dog owners are solely responsible for any damages, claims, losses or actions resulting from their dogs' behaviors. Dog owners failing to comply with this rule may be subject to penalty under USEF Chapters 6 and 7, as well as issuance of warning cards. The Show Management further reserves the right to fine any exhibitor or farm whose dog is running loose and has to be confined by show officials. The first offense will be up to \$50.00. The second offense will be up to \$100.00 and expulsion of the animal from the show grounds.

DRUG TESTING, SHOE & HOOV MEASURING

It is the prerogative of Show Management to require drug testing or to require the inspection of shoes, pads and/or hoof length for any entry at any time during the show. This is to be accomplished prior to the horse leaving a prearranged inspection area. All horses competing in the Arabian, Half-Arabian and Anglo-Arabian Hunter, Jumper, Dressage, Eventing, Combined Driving, Pleasure (Carriage) Driving, Working Western, and Sport Horse Sections are exempt from shoeing regulations. This does not exempt horses that are cross entered into any other classes from compliance with applicable shoeing requirements while competing in those classes. See USEF Rulebook for current shoeing and toe length regulations.

Per resolution #24-04, mandatory drug testing will take place at the U.S. and Canadian Nationals. Horses will be picked at random.

EQUINE VACCINATION RULE

1. At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.
2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.

Keep the certificates in your possession until such time as it is requested. You may be required to show health papers and proof of a negative Coggins test prior to being allowed to unload horses.

HEALTH CERTIFICATE REQUIREMENTS FOR NATIONALS SHOWS IN CANADA

Health certificate Requirements— ENTERING the U.S.A. All horses require a negative Coggins test, dated and signed by the Health of Animals Veterinarian, within 6 months of entry to the U.S.A.

All horses require a health certificate, signed by your veterinarian and a Health of Animals Veterinarian within 30 days of entering the U.S.A. The certificate must state that the horse is free of contagious diseases.

Foals that are less than 5 months old and accompanied by the mare, require no testing to enter the U.S.A.

All horses must be accompanied by a document indicating proof of ownership. If the horse is registered, a photocopy of the original registration papers must be carried with the horse.

If Canadian horses are entering the U.S.A. for breeding or sales purposes, a formal entry must be made. This is done through a customs broker at the U.S.A. Port of Entry. There is a fee charged for this service.

Canadian show and rodeo horses entering the U.S.A. temporarily are required to fill out a form at the Port of Entry. This may be done by the owner or agent.

An American horse in Canada for 72 hours or less can re-enter the U.S.A. with an American Health Certificate.

American horses participating in a public recognized show can return to the U.S.A. on the American Health Certificate for up to 90 days, if the owner supplies proof of attending rodeos, horse shows, or race meets. This means you must have a published show program identifying your horse as a competitor in the show.

All horses must submit to inspection when entering the U.S.A. If a Canadian horse is sold to an American buyer, the seller must file an export entry form at the Canadian port prior to leaving Canada.

Some American states have permit regulations, so check with state agricultural authorities to obtain a permit prior to entering the state. In many cases, this can be obtained via telephone.

HOOF MEASUREMENTS

Complimentary hoof measurements will NOT be provided by USEF Stewards at any National Show.

Please be prepared as no entry fees or other fees will be refunded due to schedule changes. Schedule conflicts between rings are the responsibility of the exhibitor.

APAHA PREAMBLE

We, as Professional and Amateur Horsemen of the Arabian Horse Association, pledge to assume a positive role as leaders in the Arabian horse community. While achieving the goals of promoting, showing, and caring for the horse, we shall protect the health, image, and welfare of the breed.

Therefore, we set forth the following standards:

HORSEMEN'S STANDARDS OF CONDUCT

We shall comply with and actively encourage all Professional and Amateur Horsemen to adhere to all rules and regulations of AHA, USEF, CAHR, and EC.

We shall instill confidence, trust, and mutual respect in our clients, fellow exhibitors, and the public by a commitment to ethical practice and avoidance of any action conducive to discrediting the Arabian horse, AHA, or our fellow horsemen.

We shall ensure that the welfare of the Arabian horse is paramount and that every Arabian horse be treated humanely and with dignity, respect, and compassion.

As Horsemen we agree that it is our obligation, not only to the horse, but to each other, to have a reciprocal relationship wherein we are compelled to comment to our peers on their actions as well as be receptive of comments on our actions, if those actions might be perceived or interpreted as abusive or inappropriate.

There should be no malicious force during training. Good horsemanship teaches a horse to respond to the aids with confidence. Abusive practices are those that inflict injury or result in intimidation and fear. This may include jerking, spurring or whipping when employed in a manner that increases a horse's fear, confusion, or distress.

While most types of tack and training methods are not themselves abusive, we understand that anything used wrongly, over used, or over done can prove to be abusive or perceived to be abusive by onlookers.

The duration of training sessions should take into account climate conditions, intensity of work, footing and the condition of each horse to ensure there is no undue stress.

We shall conduct all business affairs with integrity, sincerity, and accuracy in an open and forthright manner.

We shall act with integrity in financial dealings with clients, professionals, and the public. We shall employ a policy of full disclosure to our horse's owners, as well as potential buyers, about all facts and knowledge regarding a horse they own or are considering purchasing.

Horsemen will never perform, condone, or allow surgical alteration or procedure on an Arabian horse unless professionally prescribed by a licensed veterinarian, and then, only for the survival or threatened health of an Arabian or Half-Arabian horse. This includes the altering of the natural carriage of the tail, which is one of our breed standards and characteristics.

Horsemen will not administer to any horse engaged in competition drugs or medications that give an unfair competitive advantage or serve no required therapeutic purpose.

Packages for the horse show will only be accepted August 6th – 15th. Neither AHA nor Keystone Centre is responsible for lost or stolen packages.

U.S. horses may enter Canada on a temporary basis to race, show or breed without having to pay the GST Tax. A temporary entry is valid for twelve months and may be extended an additional six months. A U.S. owner must pay the tax on goods and services that he or she purchases in Canada. If a horse is claimed or sold, the U.S. owner must pay the 5% tax which is based on the selling price of the horse. U.S. owners may register with the Canadian government to obtain a GST Tax Number. Once registered, the owner may seek a refund of any tax paid. This is the only way an American can obtain a refund for the GST Tax paid.

IMMIGRATION TO CANADA

Canadian origin horses returning to Canada and horses for permanent import into Canada must comply with CFIA requirements. It is also recommended that horses travel with a copy of their Certificate of Registration. Requirements can found at www.inspection.gc.ca/english/imp/airse.shtml

TESTS AND PERMITS FOR HORSE IMPORTATION

Please be aware of the following requirements for entry into Canada.

This information is imperative for:

Exhibitors with horses originating from Texas or New Mexico and are traveling to Canadian Nationals.

Please also be aware that disease status in locations may change at any time. The changes may have an impact on the import requirements into Canada. Please consult your local USDA office or the AHA office to be aware of any updates.

TEST REQUIREMENTS

COGGINS:

Negative agar-gel immunodiffusion (Coggins) test or ELISA for equine infectious anemia within 6 months prior to exportation. (No test is required for nursing foals up to 5 months of age exported with dam or for horses exported for immediate slaughter). Nursing foals must be issued their own health certificate, due to the use of an identification diagram.

PIROPLASMOSIS:

In addition to all other import requirements, horses that have been in New Mexico or Texas within 21 days prior to export into Canada must have a negative Equine Piroplasmosis test from Ames, IA or a USDA lab certified to conduct Equine Piroplasmosis testing.

The negative Equine Piroplasmosis test will be valid for 15 days from the date the blood sample is taken – not the date the test results are confirmed. Depending on the volume of testing conducted at the lab, the horse owner may have a relatively short window to import their horse(s) into Canada. The USDA lab in Ames, IA is usually able to provide the tests results within 3-5 business days, depending on which day the sample arrives and the number of samples they receive on that particular day.

IMPORT PERMITS

WHAT HORSES NEED AN IMPORT PERMIT?

All horses that have been in Texas or New Mexico in the last 21 days before being imported into Canada must have an Import Permit from the Canadian Food Inspection Agency (CFIA) prior to being imported into Canada.

Horses found at the show that have been in New Mexico or Texas during the last 21 days and have entered Canada without the required testing and permits may be quarantined and restricted from participation in the show.

TIME LINE FOR PERMIT APPLICATION

Permit applications must be received by the AHA office by July 15, 2019. NO LATE Permits will be accepted.

The Import Permit is valid for 90 days. Please apply for the permits as soon as possible. Due to the anticipated number of permits to be issued, significant delays may result if the application is received too close to the event. Remember the original of the permit must be with the horse at the border crossing when it is inspected, or it will be refused entry. CFIA will not be responsible for taking the permit to the port.

Permit holders may use a copy of the horse permit to cross the border.

WHO TO CONTACT FOR AN IMPORT PERMIT

The Arabian Horse Association will be submitting a permit for each trailer of horse(s) being imported to Canada who are coming from New Mexico or Texas.

Permit applications will be coordinated by Kelsey Berglund, Arabian Horse Association, Director of National Events.

ORIGINAL OF PERMIT

The original of the Import Permit and the original of US Health Certificate must be present with the horse at time of inspection at the Canadian border crossing for entry in Canada.

Changes to Import Permits

Once the permit has been submitted to the CFIA by AHA, absolutely NO changes will be made to your permit to add additional horses or switch horses from one trailer to another.

INSPECTION AT THE PORT OF ENTRY

All horses that have been in New Mexico or Texas in the last 21 day before entry into Canada must not only have an import permit and US origin Health Certificate, but also require Canadian Food Inspection Agency (CFIA) veterinary inspection at the port of entry into Canada.

An appointment will need to be set up prior to arrival at the portal. Overtime fees, in addition to the regular inspection fees, will apply if crossing during non-regular business hours.

CFIA Veterinary Hours of Inspection at the Port of Entry

Only certain Canadian Ports of Entry supply CFIA veterinary inspection. The three closest ports to Brandon Manitoba are:

- Emerson/ Pembina -- US highway I-29 becomes Canadian Highway 75
- North Portal, Saskatchewan. --- US highway 52 becomes Canadian Highway 39
- Boissevain/Dunseith US highway 281 becomes Canadian Highway 10
- The Boissevain Port of Entry is directly south of Brandon.

Prior arrangement will need to be made with the CFIA Port Veterinarian for inspection.

As the CFIA Veterinarian is not located at the port in all situations, appointments will need to be booked a few days in advance.

Emerson/ Pembina 1-204-373-2346

Boissevain/Dunseith (Brandon District Office covers this port) 1-204-578-6670

HOW TO SUBMIT YOUR PERMIT TO AHA:

Download a copy of the permit from the AHA website. Page one is all that is required.

Fill out the highlighted areas on the permit. Application must be legible.

Under "Country of Origin" – Include the State as well as where the horses have been before leaving to come to Canada

Example – horses may have originated from New York but have been in New Mexico or Texas IN THE LAST 21 DAYS before coming to Canada.

In the description area, include the following information:

- Horse's registered name
- Owner's name
- Trainer's name
- Horse's sex, color, markings

If more space is required attach a supplemental page with the information

Do NOT sign as applicant (AHA will sign the permit applications)

Each trailer load of horses that fit the criteria must be submitted separately. If an owner has more than one trailer load of horses then a permit application will be required for each additional trailer. For example;

If a farm has a trailer of 6 horses all coming from Youth Nationals and another trailer with an additional 6 horses coming from Texas, each trailer needs a permit and separate permit applications will need to be submitted'

If there will be 5 horses on the trailer but only 2 of these will have been in New Mexico in the last 21 days prior to entry to Canada, only the 2 that have been in New Mexico will require a permit. All horses will require US Health Certificates.

Fax the permit application to the AHA with a cover sheet BY JULY 14, 2019. No late permits will be accepted. On the cover sheet, include the following information:

- Attention: Kelsey Berglund
- A contact email address
- Location where the original of the permit is to be sent.
- Original permit is sent via FedEx, a physical street address is required.

AHA will submit your permit to the CFIA. At this time, CFIA has stated that the turnaround time will be approximately 2 business days, however, could take as long as 7 business days.

The approved permit will then be sent via courier from CFIA offices to the location specified in #7. The CFIA or the AHA does not take responsibility for permits that are lost in shipping. If permits do not arrive in a timely fashion please contact the AHA office for follow up. – Just another reason to ensure the permit application is submitted early.

REMINDER: At the time of this printing there were no States affected by Vesicular Stomatitis, however, please be aware that disease status may change at any time. The changes may have an impact on the import requirements into Canada. Please consult your local USDA office or the AHA office to be aware of any updates.
