RESOLUTION: Use bold/italic for new wording, strikethrough to indicate deletion

Whereas, Dressage is one of the largest disciplines in the A/HA/AA show world; and

Whereas, Dressage is a progressive discipline with very few horses reaching the FEI levels of competition; and

Whereas, Shows must hire a TD (Technical Delegate) when offering FEI level classes; and

Whereas, In the opinion of the proponent, this expense cannot be justified by most shows when there will be only a very few horses showing at those levels; and

Whereas, When Arabian breed shows do not offer these classes the competitors are forced to go to open shows; and

Whereas, USEF stewards are currently able to officiate at Arabian shows that offer through fourth level (one level below FEI); and

Whereas, We want to encourage shows to offer the FEI classes and FEI level competitors to attend these shows; Therefore, Be It

Resolved, That USEF AR172 be amended by inserting a new paragraph that reads:

14. USEF “R” stewards (on the AHA approved list) may officiate at Recognized Arabian local and Regional shows that are offering FEI level classes for the first time or that have not had more than five (5) entries the previous year. Shows with more than five (5) entries in the FEI level classes the previous year, must employ a USEF Dressage Technical Delegate the following calendar year if the classes are offered. This is an exception to DR125.4; and, Be It

Further

Resolved, That USEF DR125.4 be amended by striking out and inserting as follows:
4. A Technical Delegate must be selected from the current Roster of Dressage Technical Delegates to officiate at all Dressage competitions and Regular and Local Competitions offering “open” Dressage Division classes (i.e., classes which are not limited to certain breeds) or classes above Third Level. (Exception: A Category 2 or Combined Category Steward may officiate through Fourth Level in the Andalusian, Arabian, Friesian and Morgan Divisions, only if classes are not part of an “open” Dressage Division). A Recorded Dressage Technical Delegate must officiate at Level 4 and Level 5 Dressage Competitions. A Recorded Dressage Technical Delegate may officiate as the assistant to the Registered Technical Delegate(s) at Level 4 and Level 5 Dressage Competitions, and may officiate alone at Levels 1-3 Dressage Competitions. Exception: See AR172.14 for Arabians; and, Be It Further

Resolved, That USEF GR1211.3.a be amended by striking out and inserting as follows:

a. Appoint and identify in the prize list and catalogue one or more licensed Federation Stewards licensed to officiate in the divisions and sections for which the competition is approved who shall be present at each session of the competition. A technical delegate must be appointed for Eventing Competitions, Dressage Competitions and Regular and Local Competitions offering “open” Dressage Division classes (i.e., classes which are not limited to certain breeds) or classes above Third Level. (Exception: A Category 2 or Combined Category steward may officiate through Fourth Level in the Andalusian, Arabian, Friesian, Morgan or other breed-restricted Divisions at regular or local competitions, and through Grand Prix levels at Arabian competitions, only if classes are not part of an “open” Dressage Division.) If required to officiate, a Dressage Technical Delegate must be present and officiate for all Dressage classes held on the day(s) which he/she is in attendance. If no other classes except Dressage are held on a licensed day of a breed-restricted regular or local competition, a steward does not need to be present in addition to the Dressage Technical Delegate.

Effective: December 31, 2018 or when approved by USEF/EC
