Enclosed are NINETEEN (19) Resolutions (Resolution 1 contains an A and B portion) which will be presented at the 2019 Annual Convention in Tulsa, Oklahoma.

PLEASE BRING THE RESOLUTION PACKET WITH YOU TO CONVENTION.

There will be a Plenary Session to review Resolutions on Wednesday, November 13th at 5:00 p.m. which will allow the proponent of each resolution the opportunity to express the intent and answer questions about the resolution. The Agenda & Resolutions Committee, along with the AHA Staff, have prepared Impact Statements for some of these Resolutions. This work of gathering pertinent facts regarding each Resolution will ensure a smooth review and discussion process and help you make decisions that will benefit the Arabian Horse Association.

If you need any assistance from the Agenda & Resolutions Committee during Convention, please feel free to call my hotel room or leave a note in my committee mail box (located outside the AHA Convention Office).

Thank you for your interest and participation, and let’s make this a great Convention!

Commissioner's Review Panel - breeder category

I'm seeking a position on the commissioner's review panel – breeder category, because I feel I have the knowledge and experience, to address and help with many issues and welcome ideas and solutions to help the Arabian Horse Association to benefit from the challenges we face. I feel we should take proactive steps when trying to solve issues that affect the interest of our association, the Arabian breed and our horse owners, breeders, trainers and members.

SKILLS

For over 30 years I have been an active owner, breeder and exhibitor of Arabian horses. I have competed successfully in main ring and also in competitive trail and as a manager of Arabian horse shows I see firsthand the concerns of exhibitors and our show officials and the challenges they all face. I have been very active with promotional activities for our breed and helped with starting the Arabian breed demonstration at the Kentucky Secretariat Festival and other all breed activities where our Arabian breed has exposure. I have been a club president as well as a secretary for many years and know the challenges our clubs face. I have been designing trial courses since 2010. I've attended the AHA Judges School to broaden my knowledge of the judging of our Arabian and Half-Arabian horses. I have been a delegate for the AHA convention for several years and serve on the amateur committee. I was the region 14 Secretary for four years and served as the First Vice Director for four years working closely with our director and executive committee, before being elected as the Region 14 Director in January 2019. Outside our own Arabian breed, I hold a licensed judges card for the Rocky Mountain Horse Association and have been honored to be selected to officiate as one of the senior judges at their International show several times. I am also a Certified Equipment Steward for that breed and have been officiating in that capacity at several of their shows. I also manage a Regional Friesian Show, the Buckeye Baroque Summer Jubilee and the ERAHC Virginia Classic a Regional Andalusian/Lusitano show. My exposure to other breeds helps broaden my knowledge and exposes me to how various breeds show and promote their horses.

Sincerely,

Jeff Caldwell

Nominee for the Commissioner’s Review Panel – Amateur Position

Pre-Arabian Horse

I’m a college graduate with a Bachelor of Science Degree in Communications and Computer Science. I was an ROTC officer who then committed to 12 years of service as an Officer in the US Army and Army National Guard.

I spent 15 years as a law enforcement professional - and after rising through the ranks, left the department as a Police Lieutenant where I managed the police force as well as evening/night operations at an International Airport.

Currently I am the Chief Operations Officer of Equitas Consulting, LTD a small security, training, and consulting company.

My goal is to utilize my many years of law enforcement experience to serve as a member of the Ethical Practice Review Board or on the Probable Cause Panel. I had to define my “probable cause” daily to do my job and have 15 years of experience with hearings and presenting evidence and testimony in court to support a conviction or an acquittal.

Arabian Horse Experience

- I am the current Region 15 Director and Show Manager
- Former Region 15 Vice Director and Assistant or Co-Show Manager
- Show Committee member, Barn Manager and Awards Coordinator – 11 years
- Currently finishing the requirements for my C2 Steward’s License
- Serving on the AHA Amateur Committee, Hunter/Jumper Committee, Awards Committee & Sport Horse Committee – 7 years
- Member of AHA and USEF since 1988
- As a small breeder/owner/horse show addict – I’ve been riding and showing Arabians for the past 30 years and a member of numerous Arabian clubs – VAHA, ODAHA, NCAHA, Delmarva AHA & Heritage AHA – (Vice President)
- Attended the AHA Convention numerous times as an Alternate Delegate, and the past several years as a voting Delegate.

I actively ride and show my own horse and, *usually at the same time*, work at whichever show I’m attending. I have volunteered at or worked for a multitude of shows over the past 30 years - from local schooling shows, to Rated, Regional, & National Shows. I enjoy contributing to the success of a show and feel it keeps me “in the know” and aware of the issues of both the management and exhibitor side of showing.

I’ve been the Scribe, Paddock, Gate Person, Barn Manager, Awards Coordinator, Ring Master or Announcer for these shows: VAHA, ODAHA, Heritage, VHC/Blue Ridge – (Assistant Show Manager & Barn Manager), Magnolia AHA – (Ringmaster), East Coast Championships – (Barn & Awards Manager), Region 12 Championships – (Awards & Ringmaster), Sport Horse Nationals – (Awards Manager, Assistant Stable Manager & Night watch), US Nationals – (Awards Room Manager). I’ve also worked for various horse show photographers, The Hat Lady, and the Awards vendor at USN.

SKILLS

I purchased my first purebred Arabian in 2004 and have been heavily involved in the Arabian breed ever sense, from showing to volunteering my time to work shows, helping out my local Arabian club and everything that comes with it!

I started volunteering to work at the SAHIBA Arabian Spring Show held in Frankfort, KY running the silent auction, as a benefit for making money for our youth members.

I was then asked to announce the show as I did for about 4-years; then asked to ring master the show and that was what started what I'm doing in my retirement life as of today.

I feel with being a SAHIBA board member and elected as a club delegate for several years attending the AHA membership convention and with being a ring master for several Arabian regional shows, Region 9, 12, 14 & 15 and several national breed organizations Scottsdale Arabian Horse Show, AHA Canadian Nationals, AHA US Nationals, Andalusian Nationals, Friesian World Show, and Arabian Sport Horse Nationals paddock announcer & having the opportunity to work with several judges and stewards at this level and continue to do so, I have some insight in what is needed when selecting judges and stewards for various disciplines. I would urge you to vote for me to be elected to the Judges & Stewards Selection Committee. I promise that I will give it my best interest and work hard to help this committee to be as good as it possibly can! Thank You for taking the time to read my credentials.

I have been heavily involved in the equine world long before I got involved in Arabians!

I was raised on a Thoroughbred farm in Kentucky. My entire family has been involved with thoroughbreds in various ways for many years. I remember as a teenager when my immediate family lived on Man O'War farm, I would get the privilege of shining on the Man O'War statue that was at the entrance of our farm during the farm tour season!

Sincerely,
Carl Malicote.

2. The minutes of this Convention shall be approved by a committee of at least three persons appointed by the AHA President.

4. Cell phones shall be in silent mode at all times during General Session. Any and all cell phone conversations are prohibited in all General Sessions and meetings.

5. The adoption of these Standing Rules will also adopt the additional rules included in the AHA Handbook, chapters 8 and 9. In the instance of a tie on the additional vote, the Presiding Officer will break the tie.

7. Nominations for any office or committee position elected by the Delegates must be acknowledged during a General Session prior to the time of voting. No delegate shall speak more than twice on the same question or for more than two (2) minutes each time speaking. No delegate shall speak for a second time until all delegates seeking recognition the first time have spoken.

The amendment will not require a second since it has been filed with the Agenda and Resolutions Committee and sent forward for debate.
      ii) The amendment will be debated and voted on by the delegates present. Majority vote to adopt.

10. The proponent (contact person) may withdraw a resolution prior to it being read to the voting body in the General Session through written notification submitted to the AHA Convention office. The withdrawal of the resolution will be announced in General Session. Once a resolution has been read, a motion to withdraw will be handled as an incidental motion and requires a majority vote to be adopted.

RESOLUTION: Use bold/italic for new wording, strikethrough to indicate deletion

Whereas, Sport Horse In-Hand (show) Championships are determined solely upon highest scores earned in qualifying classes, and

Whereas, Since there are no championship classes, the horses are not subject to the stress of having to show again, and

Whereas, In the opinion of the Proponent, since the horses experience less stress, the age restriction for horses less than two years of age should be deleted from the rule; Therefore, Be It

Resolved, That USEF AR175.3 be amended by striking out the following:

3.  Sport Horse In-Hand Championships shall be based upon highest scoring horses in qualifying classes. Sport Horse In-Hand Champions and Reserve Champions must be at least one year of age two years of age. No horse may be named Champion and Reserve Champion in the same class. (Example: when amateur and open classes qualify for the same championship class,) If the same horse has the two (2) highest scores, the next highest eligible horse shall be named Reserve Champion.

Whereas, The Sport Horse rules refer to the Dressage rules and the Hunter rules when referencing legal and appropriate attire and tack, and

Whereas, There was some misunderstanding with the Dressage rule not permitting whips in championships and the USEF granted a Presidential Modification for the 2019 competition year to clarify whips are, in fact, permitted for dressage type in the sport horse under saddle classes, and the sport horse show hack classes; Therefore, Be It

Resolved, That USEF AR180 be amended by inserting the following:

AR180 Sport Horse Under Saddle Appointments (Tack & Attire)

1. Competitors with non-conforming appointments will be eliminated from judging consideration. Refer to DR120-121 and HU105-107
2. Appointments (tack & attire) must adhere to one discipline (dressage or hunter) and are not to be mixed. Refer DR120-121, and HU105-107. Mixing tack is not permitted (e.g. Pelham bit not permitted with a dressage style bridle.)
   a. Converters on Pelham bits are not permitted and two reins are required.
   b. Unconventional bits may be penalized at the discretion of the judge.
   c. Double bridles are permitted, except in Junior Sport Horse Under Saddle classes where snaffle bits are mandatory. If using a double bridle of either style, the lever arm/shank (length below the mouthpiece) must not exceed 3.94 inches or 10 cm. The inside diameter of the bridoon ring must not exceed 3.15 inches or 8 cm.
   d. Kimberwick bits are prohibited.
   e. Martingales are prohibited.
3. If the show is offering dressage type and hunter type splits, each exhibitor must ensure the appointments (tack & attire) are legal for the type shown. If the show does not offer the splits for the under saddle classes and/or championship classes, each exhibitor must ensure their appointments (tack & attire) adhere to one discipline only (dressage or hunter).
   a. Whips, crops or bats appropriate to and legal for the Type are permitted in all Sport Horse Under Saddle classes, including Championships.
   b. Earplugs are permitted, regardless of Type. And, Be It Further

Resolved, That USEF AR182.3 be amended by inserting the following:

3. Attire:
   a. Informal attire consists of conservatively colored short, dark coat, with tie, stock tie or choker collar, white or light colored breeches, boots or smooth leather half-chaps, hunt cap, derby, top hat or protective headgear.
RESOLUTION

b. Formal attire consists of white breeches, top hat and shad belly coat may be worn. It is usual to wear such attire after 6:00 p.m. or in championship classes.

c. Spurs and whip are optional. If a whip is carried, it may not exceed the length requirements in DR120. **Whips, crops or bats appropriate and legal for the Type are permitted in all Sport Horse Show Hack classes, including Championships.**

d. **Earplugs are permitted, regardless of Type.**

RESOLUTION: Use **bold/italic** for new wording, *strikethrough* to indicate deletion

Whereas, It is the desire of the Sport Horse National Show Commission to ensure that the rules for Hunter over Fence classes in the Arabian Division are consistent with comparable rules in the Hunter Division and to allow owners to enter multiple horses in the Working Hunter classes, and

Whereas, The current USEF AR110.4.b requires that, in Amateur Owner classes, “every competitor must be an amateur and the owner, or an amateur member of the owner’s family.”; and,

Whereas, USEF AR110.4.b is general in nature, and does not specifically address situations where there are three sections in the same class, and,

Whereas, That circumstance is covered by USEF AR165.3, which specifically address the type of class at issue here, and,

Whereas, In a three phased class at “Regional and Nationals Competitions,” USEF AR165.3 provides an exception to the general rule that “riders may not be different from section to section.”; and,

Whereas, USEF AR165.3. Specifically, “if a rider has more than one horse entered in the class, they may appoint another rider to ride their other entries in the under saddle section….” However, “the alternative/substitute rider must be eligible to compete in the class, where riders are restricted for eligibility.”; and,

Whereas, When read in tandem, USEF AR110.4.b and USEF AR165.3 allow an amateur owner to appoint a second rider in the under saddle phase as long as that second rider is an amateur and is either an owner of the horse or a member of the owner’s family; Therefore, Be It

Resolved, That USEF AR110.4.b be amended by inserting the following:

b. Every competitor must be an amateur and the owner, or an amateur member of the owner’s family (exception substitute rider in AAOTR/AOTR/JOTR Working Hunter classes, refer to AR165.3). And, Be It Further

Resolved, That USEF AR165.3 be amended by striking out and inserting the following:

3. At Regional and Nationals all competitions, where horses are shown in 3 classes in the same section, riders may not be different from class to class. Exception, if a rider has more than one horse entered in the class, they may appoint another rider to ride their other entries in the under saddle class, provided at least one horse is ridden by the Amateur Owner or an amateur member of the owner’s family, the additional horse or horses entered may be ridden by another unrelated
amateur, or if a rider becomes ill and is unable to continue another rider with the approval of the show steward may compete in the remaining classes. The alternate/substitute rider must be eligible to compete in the class, where riders are restricted for eligibility.

Top Five will be determined by the Majority Opinion System (MOS). The score cards will be turned into placings and in turn run through the Majority Opinion System (MOS) to determine the final outcome of the Championship class. (Res. 11-06) See COMP 815 for class procedure for comparative judging. (Res. 7-17) and, Be It Further

Resolved, That AHA COMP 815 be amended by inserting the following to the section title:

COMP 815. CLASS PROCEDURE FOR COMPARATIVE JUDGING IN BREEDING IN-HAND/PERFORMANCE HALTER (Res. 20-13, Res. 7-17)

1. Class Procedure for AHA Recognized shows including Regionals and Nationals;
   a. Judging begins when the first horse enters the ring. From the moment the horse enters the ring its movement is being evaluated. The horse shall enter at a trot, and at the handler’s discretion may either proceed directly along the rail, or trot a counter-clockwise circle at the in-gate end of the arena and then proceed along the rail to the far end of the arena. Upon each horse reaching the designated position at the far end of the arena they are to remain relaxed. The judge(s) will then ask for the next horse to enter the ring. When all horses have entered the ring the horses shall be asked to walk collectively counter-clockwise and/or clockwise must each (and all) judge(s). They shall walk in a relaxed manner on a loose lead with the handler at the side of his horse, whipping down. The lead line must maintain a discernible drape and the handler must not place his hand on the chain or close enough to in any way restrict the natural head and neck motion. The handler may not unnecessarily impede the forward motion of the horse while at the walk. Following the cessation of the walk all horses shall relax within the ring and on the horse “on deck” shall be prepared to show. Each horse shall be led to the judge(s) at the walk and presented for judging. In order to satisfy a proper presentation to the judge, horses should stand correctly, bearing weight on all four feet (not stretched), in a quiet and deliberate manner. Following the evaluation by the judge(s), horses shall walk away from the judge(s), and then strike a trot before coming left and proceeding counter-clockwise down the rail. They shall resume their position on the rail.
   b. Handlers are expected to keep a reasonable clearance between horses and judges should modify the alignment of horses to achieve that clearance. Further judging will not commence until the Call Judge approves the placement and spacing of all horses,
   c. After the last horse is presented, judges will have a period of time to finish their evaluation of entries and turn in their card (the specific time period to be determined by Show Management).

2. That in the event that any comparative judging is used, it is optional that the judge(s) provide reasons. Should show management desire reasons to be provided to their exhibitors, in a one (1) judge system, judge shall give oral reasons for their decisions after the card is handed in. (Res. 14-16) In the event of concurrent shows the two (2) judges shall alternate classes in giving reasons.

RESOLUTION: Use bold/italic for new wording, strikethrough to indicate deletion

Whereas, The addition of Ranch Horse Riding has proven to be very popular in the Arabian industry; and

Whereas, The Ranch Horse grouping of classes has become very popular in the working western industry as a whole among the other breeds and there is a great interest for expansion of this division in the Arabian breed; and

Whereas, It is in the best interest of our breed and Association to facilitate classes that increase participation and marketability of Arabian and Half-Arabian/Anglo-Arabian horses; Therefore, Be It

Resolved, That the USEF Rule Book be amended by inserting as a new Subchapter section AR-28 RANCH HORSE COW WORK and the remaining Subchapters be renumbered accordingly:

The ideal ranch horse must also be a cow horse and this class demonstrates and measures the horse’s ability to do cow work. In addition, the ideal ranch cow horse should have a natural ranch horse appearance from head to tail in each maneuver. There is a time limit per horse/rider team to perform the work and the time begins when the cow is turned into the arena. If the time has not elapsed and the judge is satisfied that all requirements of the class have been met, the judge should blow the whistle for the exhibitor to cease work. The judge may blow a whistle at any time for the exhibitor to cease work for safety reasons. Judges will give credit for what they have seen. Only the judge may award a new cow to an exhibitor to replace a cow that will not honor a horse. If the judge awards a new cow, the exhibitor has the option to refuse the new cow by continuing to work. If the exhibitor accepts the new cow, the time for working the cow will start over. If the exhibitor intends to accept the new cow, the exhibitor must pull up immediately. When multiple judges are scoring, any one of the judges may terminate the work or signal for a new cow.

SCORING SYSTEM: Each horse/rider team is scored between 0-100 points and automatically begins the run with a score of 70 points. The horse/rider team is scored on the quality of each maneuver (e.g. -1 ½ extremely poor, -1 very poor, -1/2 poor, 0 correct, +1/2 good, +1 very good and +1 ½ excellent). Plusses and minuses are a reflection of the smoothness, finesse, attitude, quickness, and authority of the horse/rider team when performing the various maneuvers.

RANCH HORSE COW WORK
1. Exhibitors in Ranch Horse Cow Work are allotted one minute and thirty seconds to complete the work. When there is 30 seconds left, the announcer will announce, 30 seconds remaining. At one minute and thirty seconds, the announcer will call for time. Exhibitors are not required to use all of the allotted time, but must ride until the judge whistles the end of the run or time expires, whichever occurs first. There are four parts to the work: boxing the cow; setting up the cow and driving it down the fence to the opposite end of the arena; boxing it at the opposite end of the arena; and, then driving the cow past the middle marker again. There is no expectation that the exhibitor will make a “fence turn,” rather the drive down the fence demonstrates correct position and control around the corner.

Part One - Boxing the Cow: The rider shall ride into the arena, face the cattle entry gate, and signal for their cow to be turned into the arena. The cow shall be controlled on the entry end of the arena for a sufficient amount of time to demonstrate the horse’s ability to “hold” the cow. If the cow does not immediately challenge the horse, the rider shall aggressively move in on the cow to demonstrate the horse’s ability to drive and block the cow.

Part Two - Set Up Cow and Drive Down Fence to Opposite End of the Arena: After the cow has been controlled on the entry end of the arena, the rider shall set the cow up for driving down the side of the arena. When coming out of corner, the horse shall be close enough to cow to demonstrate control with cow against the fence. This distance and control should be maintained for approximately ½ to ¾ the length of arena. Rider will then stop and release the cow and move horse toward center of arena to set the cow up for boxing on opposite end of arena.

Part Three - Boxing the Cow at Opposite End of Arena: The exhibitor will regain control or “hold” the cow at end of the arena to demonstrate the horse’s ability to “hold” the cow.

Part Four - Drive the Cow Back Down the Fence: Past the middle marker and continue until the judge blows the whistle to show completion. The cow should be driven back down the same side of the fence.

2. Credits and Penalties for Ranch Horse Cow Work: All runs begin upon entering the pen; any infractions (such as two hands on the reins, using either hand to instill fear or praise, etc.) are subject to penalty at that time. During the “Boxing” portion of the run, credit will be given for the horse’s expression and its “cow sense” (i.e. making moves with little rider assistance); holding, controlling, and turning the cow; the amount of work actually done; and the degree of difficulty of the work. Credit will be given during the “Set Up Cow and Drive Down Fence” for rating the cow; blocking the cow with pressure towards the end of the arena; driving the cow with control down the side of the arena; and controlling a difficult cow.

- One Point Penalties: Over-bridled (per maneuver); Out of frame (per maneuver); Loss of working advantage; Driving cow down the opposite fence (changing sides); Working out of position; Slipping rein; Failure to drive cow past the middle marker on second drive before time expired.

- Three Point Penalties: Knocking down the cow without having a working advantage; Losing a cow while boxing.

- Five Point Penalties: Spurring in front of the cinch; Blatant disobedience; Use of either hand to instill fear or praise.

- Ten Point Penalties: Unnatural ranch horse appearance (Horse’s tail is obvious and consistently carried in an unnatural manner in every maneuver). Off Pattern.

- Off Pattern (OP): Turning tail; Failure to attempt any part of the class; Repeated blatant disobedience; Schooling after entering the arena prior to calling for cow; Schooling horse between cows if new cow is awarded; Use of two hands (except for junior horses 5 years and under in snaffle bit/hackamore), more than one finger between split reins or any fingers between romal reins. Exhibitors cannot place above others who complete pattern correctly.

Zero Score: Turning tail; Repeated blatant disobedience; Schooling after entering the arena prior to calling for cow; Schooling horse between cows if new cow is awarded; Use of two hands (except for junior horses 5 years and under in snaffle bit/hackamore); more than one finger between split reins or any fingers between romal reins.
- Disqualification (DQ): No score; Lameness; Abuse; Illegal equipment; Disrespect or misconduct; Leaving arena before run is complete; Improper western attire; Fall of horse/rider.

RESOLUTION: Use bold/italic for new wording, strikethrough to indicate deletion

Whereas, The addition of Ranch Horse Riding has proven to be very popular in the Arabian industry; and

Whereas, The Ranch Horse grouping of classes has become very popular in the working western industry as a whole among the other breeds and there is a great interest for expansion of this division in the Arabian breed; and

Whereas, It is in the best interest of our breed and Association to facilitate classes that increase participation and marketability of Arabian and Half-Arabian/Anglo-Arabian horses; and

Whereas, It is important to keep consistent with the stock breeds to keep our breed competitive; Therefore, Be It

Resolved, That the USEF Rule Book be amended by inserting as a new Subchapter section AR-28: 26 RANCH HORSE Trail and the remaining Subchapters be renumbered accordingly:

The ranch trail class should test the horses’ ability to cope with situations encountered while being ridden through a pattern of obstacles generally found during the course of everyday ranch work. The horse/rider team is judged on the correctness, efficiency, and pattern accuracy with which the obstacles are negotiated and the attitude and mannerisms exhibited by the horse. Judging emphasis is on identifying the well broke, responsive, and well-mannered horse which can correctly navigate and negotiate the course. The ideal ranch trail horse should have a natural ranch horse appearance from head to tail in each maneuver. For rules regarding correct Western appointments, refer to AR 142.

SCORING SYSTEM: Each horse/rider team is scored between 0-100 points and automatically begins the run with a score of 70 points. The horse/rider team is scored on the quality of each maneuver (e.g. -1 ½ extremely poor, -1 very poor, -1/2 poor, 0 correct, +1/2 good, +1 very good and +1 ½ excellent). Plusses and minuses are a reflection of the smoothness, finesse, attitude, quickness, and authority of the horse/rider team when performing the various maneuvers.

1. The ranch trail course will include no less than six and no more than nine obstacles. It is mandatory that the horse be asked to walk, trot, and lope during the course. Walk can be part of obstacle score or be scored with the approaching obstacle. Trot must be at least 35 feet and scored with approaching obstacle. Lope must be lead-specific, at least 50 feet and scored with approaching obstacle. Care must be exercised to avoid setting up any obstacles that may be hazardous to the horse or rider.
2. When setting courses, management will be mindful that the idea is not to trap a horse/rider team or eliminate it by making an obstacle too difficult. All courses and obstacles are to be constructed with safety in mind so as to reduce the risk for accidents. Show committee shall have the option of setting up the trail course to best fit the arena conditions. An outdoor course is recommended if appropriate terrain is available. Each single-performance event can be time consuming, especially with large classes, so it is imperative that time restrictions are placed on the class. The show committee, either through a pilot run or estimation, shall select a course that has continuous and positive flow that can be negotiated in four minutes or less.

3. Judges must walk the course and have the right and duty to alter the course if it is not in keeping with the intent of the class. Judges may remove or change any obstacles they deem unsafe, non-negotiable, or unnecessarily difficult. Any time a trail obstacle becomes unsafe during a class it shall be repaired or removed from the course. If the course cannot be repaired and some horses have completed the course, the score for that obstacle shall be deducted from all previous draws in that class.

4. The course must be designed using the mandatory obstacles and maneuvers plus optional obstacles if needed. Combining two or more of the obstacles is acceptable.

5. Prohibited obstacles: Tarps, water obstacles with slick bottoms, PVC pipe used as a jump or walk-over, tires, rocking or moving bridges, logs elevated in a manner that permits such to roll in a dangerous manner.

6. Mandatory obstacles and/or maneuvers:
   a. Ride over obstacles on the ground (usually logs). Walk, trot, or lope may be used, but only one gait is required.
      -Walk-overs: Walk over no more than five logs no more than 10 inches high and spacing between 26 to 30 inches. The formation may be straight, curved, zig-zagged, or raised.
      -Trot-overs: Trot over no more than five logs no more than 10 inches high. The space between logs or poles should be 36 to 42 inches. The formation can also be straight, curved, zigzagged, or raised.
      -Lope-overs: Lope over no more than five logs no more than 10 inches high. The space between logs should be 6 to 7 feet. The formation can also be straight, curved, zigzagged, or raised.

   b. Opening, passing through, and closing a gate: Use a gate that will not endanger horse or rider and requires minimum side passing.

   c. Ride over wooden bridge: Bridge should be sturdy, safe, and negotiated at a walk only. Heavy plywood lying flat on the ground is an acceptable simulation of a bridge. Suggested minimum width shall be 36 inches wide and at least 6 feet long.

   d. Backing obstacles: Backing obstacles are to be spaced at a minimum of 28 inches. If elevated, 30 inch spacing is required. Back through and around at least three markers. Back through L, V, U, or straight or similarly shaped course which may be elevated no more than 24 inches.

   e. Side-pass obstacle: Any object which is safe and of any length may be used to demonstrate responsiveness of the horse to leg signals. Raised side-pass obstacles should not exceed 12 inches.

   f. Drag an object: For Open and Amateur classes ONLY. The drag is not to be used in Youth classes. Drag may be a complete figure-eight and may begin in either direction. The exhibitor must have the rope dallied on the saddle horn (half or full dally) for the duration of the drag.

7. Optional obstacles:
   a. A jump obstacle whose center height is not less than 14 inches high or more than 24 inches high. Holding the saddle horn is permissible for this obstacle.

   b. A live or stuffed animal which would normally be encountered in an outdoor setting may be used but not to be used in an attempt to spook a horse.

   c. Carry object from one part of the arena to another.

   d. Remove and replace materials from a mailbox.

   e. Trot through cones spaced a minimum of 6 feet apart.

   f. Cross natural ditches or ride up embankments.

   g. Swing rope or throw rope at a dummy steer head.

   h. Step in and out of obstacle.

   i. Put on slicker or coat.

   j. Stand to mount with mounting block.
k. Walk through water obstacle.
l. Open gate on foot.
m. Pick up feet.
n. Walk through brush.
o. Ground tie (Hobbles are allowed)
p. Lead at the trot.

8. At show management option the competition trail course may be made available to exhibitors or posted prior to the day of competition. It must be posted at least one hour prior to competition. Printed handouts for exhibitors are helpful and encouraged.

9. Credits and Penalties:

a. All runs begin upon entering the pen and any infractions are subject to penalty at that time (such as two hands on the reins, using either hand to instill fear or praise, etc.). The rider has the option of eliminating any obstacle; however, this will result in being “off pattern” (OP) and the horse/rider team may not place above others who have completed the pattern correctly. A judge may ask a horse to pass on an obstacle after three refusals or at any time for safety concerns.

b. Credit is given to horse/rider teams who negotiate the obstacles correctly and efficiently. Horses should receive credit for showing attentiveness to obstacles and ability to negotiate through the course when the obstacles warrant it while willingly responding to rider’s cues on more difficult obstacles. Quality of movement and cadence should be considered part of the maneuver score for the obstacle. Penalties are assessed as follows:

- One Point Penalties: Over-bridled (per maneuver); out of frame (per maneuver); each hit, bite, or stepping on a log, cone, plant, or any component of the obstacle; incorrect or break of gait at walk or trot for two (2) strides or less; both front or hind feet in a single-stride slot or space at a walk or trot; skipping over or failing to step into required space; split pole in lope-over; incorrect number of strides, if specified; one or two steps on mount/dismount or ground tie except shifting to balance.

- Three Point Penalties: Wrong lead or out of lead; draped reins; break of gait at lope; break of gait at walk or trot for more than two (2) strides; three to four steps on mount/dismount or ground tie.

- Five Point Penalties: Spurring in front of cinch; blatant disobedience; use of either hand to instill fear/praise; knocking over, stepping out of, or falling off an obstacle; dropping an object required to be carried; 1st or 2nd cumulative refusal; letting go of gate; five or more steps on mount/dismount or ground tie.

- Ten Point Penalties: Unnatural ranch horse appearance (Horse’s tail is obvious and consistently carried in an unnatural manner in every maneuver) Off pattern; Third refusal; Failure to dally and remain dallied; Failure to open and shut gate or failure to complete gate.

Zero Score: Repeated blatant disobedience; more than one finger between split reins or any fingers between romal reins; Use of two hands (except for junior horses 5 years and under in snaffle bit/hackamore).

- Off Pattern (OP): Breaking pattern; 2nd refusal; repeated blatant disobedience, and failure to dally and remain dallied; use of two hands on the reins (except junior horses shown in a snaffle bit/hackamore), more than one finger between split reins, or any fingers between romal reins; failure to open and shut gate, or failure to complete gate. Exhibitors cannot place above others who complete pattern correctly.

- Disqualification (DQ) No score: Lameness, abuse, leaving working area before pattern is complete, illegal equipment, disrespect or misconduct, improper Western attire; fall of horse/rider.

10. Posting at the extended trot is acceptable.

11. Touching or holding the saddle horn is acceptable.

12. Hoof polish is discouraged.

13. It is customary to not remove the hair from inside of the ears, but horses with clean clipped ears will not be penalized.

14. Trimming of the bridle path, fetlocks, or excessive (long) facial hair is allowed.
15. Appointments with silver should not count over a good working outfit. Silver on bridles and saddles and the use of weighted reins are discouraged.

16. Horses may cross-enter with any other Trail class at the same show.

Whereas, The addition of Ranch Horse Riding has proven to be very popular in the Arabian industry; and

Whereas, The Ranch Horse grouping of classes has become very popular in the working western industry as a whole among the other breeds and there is a great interest for expansion of this division in the Arabian breed; and

Whereas, It is in the best interest of our breed and Association to facilitate classes that increase participation and marketability of Arabian and Half-Arabian/Anglo-Arabian horses; and

Whereas, It is important to keep consistent with the stock breeds to keep our breed competitive; Therefore, Be It

Resolved, That the USEF Rule Book be amended by inserting as a new rule Subchapter AR-28 RANCH HORSE RAIL PLEASURE and the remaining Subchapters be renumbered accordingly:

1. The ranch horse rail pleasure class measures the ability of the horse to be a pleasure to ride while being used as a means of conveyance from one ranch task to another and should reflect the versatility, attitude, and movement of a working horse. The horse should be well-broke, relaxed, quiet, soft and cadenced at all gaits. The horse should be ridden on a relatively loose rein with light contact and without requiring undue restraint. The horse should be responsive to the rider and make timely transitions in a smooth and correct manner. The horse should be soft in the bridle and yield to contact. The ideal ranch rail pleasure horse should have a natural head carriage at each gait. In all gaits, movement of the ranch rail pleasure horse should simulate a horse needing to cover long distances, softly and quietly, like that of a working ranch horse. This class should show the horse's ability to work at a forward, working speed while under control by the rider. Light contact should be rewarded and horse shall not be shown on a full drape of reins. The overall manners and responsiveness of the horse while performing the maneuver requirements and the horse's quality of movement are the primary considerations.

2. This class is intended as a rail class but individuals working off the rail will not be penalized, and in fact, riders are encouraged to use adequate space given the extension of gait required.

3. Offered for horses three years of age or older.

4. The following **terminology qualifying gaits** shall apply:

   a. Walk – The walk is a natural, flat footed, four-beat gait. The gait is rhythmic and ground-covering. As in all gaits, the horse should display a level, or slightly above level topline with a bright, attentive expression.
b. Trot – The trot is a natural two-beat gait demonstrating more forward motion than the western pleasure jog.

c. Extended Trot – The extended trot is an obvious lengthening of the stride with a definite increase in pace.
   The horse should be moving in a manner as if it were covering a large area on a ranch with an above level topline.

d. Lope – The lope is a three-beat gait. The lope should be relaxed and smooth with a natural, forward moving stride.

e. Extended Lope – The extended lope is not a run or a race but should be an obvious lengthening of the stride, demonstrating a forward, working speed. The horse should display an above level topline with a bright, attentive expression.

5. **Class shall work both ways of the ring at all requested gaits.**
   **Class Specifications:** Horses to enter at walk or jog in either direction at discretion of the judge. Entries will be worked both directions of the ring at all qualifying gaits. The overall manners and responsiveness of the horse while performing the maneuver requirements and the horse’s quality of movement are the primary considerations.

6. Part of the evaluation of this class is on smoothness of transitions. A horse may be collected from the extended trot as the horse moves into the lope. The transition from the extended lope down to the trot is a transition to the seated trot, not the extended trot. Therefore, an extra cue to achieve this gait is expected. Horses that complete this total transition within three strides calmly and obediently should be rewarded. Horses that attempt to stop or do stop prior to trotting will be penalized. Judges expect to see horses that have been trained to respond to cues. To see these cues applied discretely and the horse responding correctly could be a credit earning situation.

7. A ranch horse should be willingly guided or controlled with little or no apparent resistance and dictated to completely. Any movement on his own must be considered a lack of control.

8. Penalties. An exhibitor shall be penalized for:
   a. Too slow a gait
   b. Over-bridled
   c. Out of frame
   d. Break of gait
   e. Wrong lead, out of lead, or cross-cantering
   f. Draped reins
   g. Trotting more than two strides when taking lead
   h. Blatant disobedience (kick, bite, buck, rear, etc.)
   i. Schooling
   h. Spurring in front of cinch
   j. Use of either hand to instill fear/ praise

9. Apparel and Equipment: For rules regarding correct Western appointments, refer to AR 142.

10. Posting at the extended trot is acceptable.

11. Touching or holding the saddle horn is acceptable.

12. Hoof polish is discouraged.

13. It is customary to not remove the hair from inside of the ears, but horses with clean clipped ears will not be penalized.

14. Trimming of the bridle path, fetlocks, or excessive (long) facial hair is allowed.

15. Appointments with silver should not count over a good working outfit. Silver on bridles and saddles and the use of weighted reins are discouraged.

16. It is suggested that competitors use a breast collar and rear cinch.

17. Horses 5 years and under, may be shown in a snaffle bit/hackamore.

18. Prohibited equipment includes tie downs, cavessons, gag bits, mechanical hackamores and running martingales.

19. Horses may cross-enter with any other pleasure class at the same show.

RESOLUTION 13 - 19

AR252 Judging Guidelines

Good Showmanship is developed through the knowledge and understanding of the horse and the ability of the handler to present the team in a confident manner. Showmanship involves the handling of the horse, learning the horse’s conformation, learning how to position and present the horse at its best, and understanding the disposition of the horse. Showmanship teaches the handler poise and self-carriage. A good Showmanship handler shows alertness and a confident attitude, always presenting the horse in a positive manner, and paying attention to every detail. The handler is always aware of their surroundings, the horse, the judge and the other exhibitors.

The showmanship class is not a halter class and should not be judged as such. The conformation of the horse is not to be judged, since the horse is considered a means of displaying the abilities of the showman. Horses are to be presented in the appointments (tack and attire) suitable for that horse’s style. The class is designed to evaluate the exhibitor’s ability to execute, in concert with their horse, a set of maneuvers prescribed by the judge with precision and smoothness while exhibiting poise and confidence, all while maintaining a balanced, functional and fundamentally correct body position. Style of presentation should be decided upon by two primary considerations. First, the type of horse, its movement and way of going determine if it is best to go western, hunter, saddle seat, dressage or show hack style. Safety is paramount when considering the type of lead and method of attachment or utilization of the reins to lead. Consideration of the size of the horse and height of the handler is important to a safe and successful presentation.

Showmanship is not a halter class and should not be judged as such. The conformation of the horse is not to be judged. Horses are to be presented in the appointments (tack and attire) suitable for that horse’s style. This class is designed to evaluate the exhibitor’s ability to execute, in concert with their horse a set of maneuvers prescribed by the judge with precision and smoothness while exhibiting poise and confidence, all while maintaining a balanced, functional and fundamentally correct body position.

1. SHOWMANSHIP 70 percent
   a. Leading
      1. The exhibitor must lead, back and turn from the horse’s left side holding the lead shank in the right hand a reasonable length, with safety in mind. The right hand must remain on the lead at all times (not on the chain). It is not appropriate to switch hands while completing the maneuvers (except set-up). If exhibitor has changed hands during the set up maneuver, they are to put the lead back in the right hand for all other maneuvers. Smaller exhibitors may need to use a longer hold on the lead strap. The excess lead strap is held in the left hand, either in a round coil or a figure-8, as long as it is being handled safely by the exhibitor. Both options are acceptable and exhibitors will not be penalized for either method used. Neither the coil or the figure-8 should be taping as this compromises safety. When leading, the exhibitor should be positioned between the eye and the mid-point of the horse’s neck, referred to as the leading position.
      2. Leading, backing, turning and initiating the set up should be performed from the left side of the horse. At no time should the exhibitor ever stand directly in front of the horse. The exhibitor should not touch the horse with their hands or feet, or visibly cue the horse by pointing their feet at the horse during the set up.
      3. The horse should be led in a straight or curved line, as indicated in the pattern, and track briskly and freely at the prescribed gait as instructed. The horse’s head and neck should be straight and in line with the body.
      4. Both arms should be bent at the elbow with the elbows held close to the exhibitor’s side and the forearms held in a natural position. Height of the arms may vary depending on the size of the horse and exhibitor, but the arms should never be held straight out with the elbows locked.
      5. When demonstrating the trot, the exhibitor should run as naturally as possible. The exhibitors should demonstrate a natural frame and gait.
   b. Showing
      1. The exhibitor should perform the work accurately, precisely, smoothly, and with a reasonable amount of speed. Increasing speed of the work increases the degree of difficulty; however, accuracy and precision should not be sacrificed for speed. The horse should lead, stop, back, turn and set up willingly, briskly and readily with
RESOLUTION 13 - 19

108 minimal visible or audible cueing. A severe disobedience will not result in a disqualification but should be
109 penalized severely, and the exhibitor should not place above an exhibitor that completes the pattern correctly.
110 Excessive schooling or training, willful abuse, loss of control of the horse by the exhibitor shall be cause for
111 disqualification.
112 2. The presentation/set up: The horse may be set up with a split stance or square. Either option is allowed and
113 acceptable. Exhibitors will not be penalized for either set up style. Exhibitor should stand toward the front, off
114 the horse’s shoulder, facing the horse. If at any time the horse is out of position, the exhibitor should work to
115 position the horse correctly.
116 3. After the horse is set up for inspection. As the judge or designated person moves around the horse, handlers
117 should position themselves so as to avoid obstructing the judge’s view of the horse. The handler is to show
118 using the Quarter System, where the exhibitor is always in the quadrant next to the judge or designated person.
119 The horse should be shown quietly and effectively at all times. Handlers must not just show themselves. The
120 exhibitor should maintain a position that is safe for themselves and the judge or designated person. The
121 position of the exhibitor should not obstruct the judge’s or designated person’s view of the horse and
122 should allow the exhibitor to maintain awareness of the judge’s or designated person’s position at all
123 times. The exhibitor should not crowd other exhibitors when setting up side-by-side or head-to-tail. When
124 moving around the horse, the exhibitor should change sides in front of the horse with minimal steps (3-4) and
125 should assume the same position on the right side of the horse that they had on the left side.
126 4. The position of the exhibitor when executing a turn to the right is the same as the leading position except that
127 the exhibitor should turn and face toward the horse’s head and have the horse move away from them to the
128 right.
129 5. Pull turns (pulling horse toward the handler to left) to the left, should be 90 degrees or less.
130 6. Push turns/Pivot (pushing the horse away from the handler). On For turns of greater than 90 degrees, the turn
131 consists of the horse pivoting on a hind leg while stepping across and in front of the right front leg with
132 the left front leg.
133 7. When executing a back, the exhibitor should turn from the leading position to face toward the rear of the horse.
134 with the right hand extended in front of the exhibitor’s chest still maintaining slight bend in the elbow and walk
135 forward. The ideal position for the Exhibitor’s left shoulder to be in alignment with the horse’s left front leg,
136 never standing directly in front of the horse.
137 8.—The horse should back up readily with the head, neck and body aligned in a straight or curved line as instructed
138 by the pattern.
139 9.—The stop should be straight, prompt, smooth and responsive with the horse’s body remaining straight
140 10. Crowding should be penalized, as it is dangerous. The handler should maintain 8-10’ from the horse in front of
141 himself in a head to tail line. When lined up side by side, there needs to be sufficient room between entries. If
142 someone is at risk they are too close.
143 c. Poise/Alertness/Attitude
144 1. Exhibitors should be poised, confident, courteous and genuinely sportsmanlike at all times, quickly recognizing
145 and correcting faults in the positioning of the horse. The exhibitor should continue showing the horse until the
146 class has been placed or they have been excused, unless otherwise instructed by the judge or designated person.
147 The exhibitor should appear business-like, stand and move in a straight, natural and upright manner, and avoid
148 excessive, unnatural or animated body positions.
149 2. Handler should show the horse to its best advantage for its style of presentation throughout the class.
150 3. Handlers should be focused on the class and not be distracted by people/other things inside or outside the arena.
151 2. PRESENTATION 30 Percent
152 a. Condition 10%
153 1. The horse’s body condition and overall fitness should be assessed.
154 2. The horse should be alert and healthy.
155 b. Grooming 10%
156 1. The hair coat should be clean, well-brushed and in good condition. The mane, tail, forelock and wither tuft may
157 not contain ornaments (ribbons, bows, etc.), but braiding as defined in the appointments chart is allowed. The
158 length of mane and tail may vary, as long as they are neat, clean and free of tangles. The bridle path, eyebrows,
159 and long hair on the head and legs may be clipped.
160 2. Grooming oils should not be overdone
161 3. Hooves should be properly trimmed and if shod, the shoes should fit correctly and clinches should be neat. Hooves
162 must be clean and may be painted clear or black hoof dressings, or shown naturally.
163 3. APPOINTMENTS 40 Percent
Attire and tack should be clean, well-fitting and in good repair. A workmanlike appearance should be presented.

a. Attire should reflect the intended use of the horse and should be consistent with attire requirements described in the division depicted.

Tack: An Arabian show halter, a leather show halter with or without silver (silver not to count), hunter/dressage/show hack style bridle, or a double bridle may be used. Modified cavessons are prohibited. A western style or bosal bridle are prohibited. Leads may be attached to the halter or cavesson. If a chain is used, it is prohibited to go through the horse’s mouth, over the nose or through the bit. When leading with the reins, they must be attached to both sides of the bit. Hats are optional. Spurs are prohibited, and, Be It Further

Resolved. That USEF AR253 be amended by striking out and inserting the following:

AR253 Tests From Which the Judge May Choose:

1. Walk or trot horse to or from judge or designated person or marker in a straight or curved line, a circle, serpentine or figure eight.
2. Set horse up.

Whereas, The AQHA, APHA and PtHA have seen increased entries at their shows since they all added walk/trot classes for exhibitors over the age of 10 to their class list, and

Whereas, Open shows have increased entries by adding walk/trot classes to their shows, and

Whereas, AHA Member Organizations need to increase entries at their shows, and

Whereas, In the opinion of the Proponent, AHA Member Organizations need to encourage youth or adults who may not be ready or able to canter or lope to show at AHA shows, and

Whereas, Exhibitors who are not ready to canter or lope at the beginning of the show season may gain the confidence to canter or lope during the show season and should be encouraged to move up, and

Whereas, Exhibitors who have shown in regular classes and for reasons of age, disease, accident, or disability, cannot or do not want to canter or lope should be allowed to continue to show, and

Whereas, People with disabilities that have kept them from showing at a canter or lope should be encouraged to show, and

Whereas, In the opinion of the proponent, horses who may be sound at a walk/jog or trot, but not at the lope or canter could be good ‘teaching’ mounts for less experienced youth and adults, and

Whereas, In providing these classes it would also encourage the showing of older horses that are no longer able to show at a canter or lope; Therefore, Be It

PROPONENTS FINANCIAL IMPACT (REQUIRED): Refer to Chapter 9, RULE 101.3.e. for financial requirements

Minimal cost to AHA to add new class numbers in systems.

AHA IMPACT STATEMENT:
Potentially positive to AHA recognized qualifying shows, due to increased entry revenues. Net profit to local & regional shows is difficult to predict, due to uncertain costs for operations and awards.

Minimal to no BT impact if the classes created will use the standard existing code for qualifications, Achievement Awards and Leveling (if applicable).

Whereas, Resolution 20-03, Full Top Five at Regional Shows and Rides Regardless of Entries was adopted in 2003 and became effective January 1, 2004 with the following resolves: “That commencing in 2004, all AHA Regional Championship Horse Shows, Regional Championship Endurance Rides, Regional Championship Competitive Trail Rides, may elect to award all Top Five ribbons in every class and ride, no matter how many entries per class or ride compete. All Top Five Awards awarded shall include qualifications, and all other AHA program benefits with the exception of International Arabian Breeders Sweepstakes and the AHA Horse Achievement Award Program, Amateur Achievement Award Program, High Point Horse Achievement Award Program, High Point Amateur Achievement Award Program, Distance Horse Program, which shall remain as is;” That Article 1320.2 shall be revised as follows: Regional Shows, Regional Championship Endurance Rides and Regional Championship Competitive Trail Rides may elect to present Top Five Awards in all classes regardless of how many entries are competing at the close of the gate. Top Five Awards may be given to all rides regardless of how many horses are in each division. International Arabian Breeders Sweepstakes pay-out and points in applicable Awards Programs previously listed will be given to those horses enrolled in these programs equal to one-half of the class rounded up not to exceed five of those competing at the closing of the gate at the beginning of the class for all classes ridden as a group and all those who pass through the gate in individual activity classes (e.g. A class of
Whereas, Resolution 18-09, Full Top Ten at National Shows and Rides Regardless of Entries was adopted in 2009 and became effective on December 31, 2010 with the following resolves: “That Article 1323.2, 1505 & 1604.8.c. shall be amended to reflect that all AHA National Championship Horse Shows, the National Championship Endurance Ride and the National Championship Competitive Trail Ride, will award Top Ten ribbons in every class and ride, no matter how many entries per class or ride compete, (and if ten or fewer, all exhibitors will be awarded a Top Ten ribbon). All Top Ten Awards shall include qualifications, and all other AHA Program benefits with the exception of Arabian Breeders Sweepstakes and the AHA Horse Achievement Award Program, Amateur Achievement Award Program, Distance Horse Program, which programs shall remain as is.” and “Each National Prize List shall include the following statement: Top Ten Awards will be made regardless of the number of competing entries. However, only awards made to the top 50% of the class (rounded up and not to exceed 10 awards) will receive Arabian Breeders Sweepstakes payout, AHA Horse Achievement Award, Amateur Achievement Award, High Point Horse Achievement Award, High Point Amateur Achievement Award and Distance Award Points.”, and

Whereas, The arguments made for both of these resolutions, although previously deemed valid by the passage of both of these resolutions, has diminished the prestige of having a horse awarded a Top Five or Top Ten in smaller sized classes; and

Whereas, There is a substantial cost savings to the Regions and AHA by not awarding a full Top Five or Top Ten in the smaller classes, and,

Whereas, The passage of this resolution would rendered Resolution 33-15, Ranking of Top Ten Awards at National Shows moot; Therefore, Be It

Resolved, That Resolutions 20-03, Full Top Five at Regional Shows and Rides Regardless of Entries and 18-09, Full Top Ten at National Shows and Rides Regardless of Entries be rescinded.;

Resolved, That awards at the Regional Championship Shows and Rides will be awarded to the top 50% of the class/ride (rounded up not to exceed 5 awards) and Awards at the National Champion Shows and Rides will be awarded to the top 50% of the class/ride (round up not to exceed 10 awards); and, Be It Further

Resolved, That in judging the Regional and National Championship Classes/Rides, an unranked Top Five/Ten Award will be given to equal one-half of the class/ride (rounded-up) (not to exceed five placings at Regionals/ten placings at Nationals); and, Be It Further

Resolved, That for shows, only those competing at the closing of the gate at the beginning of the class for all classes ridden as a group and all those who pass through the gate in individual activity classes will be considered, and, Be It Further

Resolved, That each Regional and National Prize List shall include the following statement: Awards will be made to the top 50% (rounded up not to exceed 5 awards at Regionals and 10 awards at Nationals), and, Be It Further

Resolved, That the Arabian Sweepstakes payout, AHA Horse Achievement Award, Amateur Achievement Award, High Point Horse Achievement Award, High Point Amateur Achievement Award and Distance Award Points will continue to be awarded by the 50% rule; and Be It Further

Resolved, That upon the passage of this resolution, Resolution 33-15, Ranking of Top Ten Awards at National Shows is rescinded.

RULE 101.2.a) (2) – The financial well-being of AHA and/or Member Organizations.

PROPONENTS FINANCIAL IMPACT (REQUIRED): Refer to Article 901.3.e. for financial requirements

AHA IMPACT STATEMENT: The cost savings of for not awarding a full set of ribbons and plaques will approximately be $39,255. The break down would be as follows; $9,680 at Youth Nationals; $13,440 at Canadian Nationals; $9,875 at U.S. Nationals; and $6,260 at Sport Horse Nationals. These figures are based on 2018 stats.

Sweepstakes and Achievement Awards are already calculated based on the 50% rule, so there should be no BT impact.

RESOLUTION: Use bold/italic for new wording, strikethrough to indicate deletion

Whereas, Resolution 15-07 implemented the ability to hold concurrently adjudicated classes at the same time/date in a single arena with identical AHA class codes, and

Whereas, Regional Championship collective classes would be difficult to run as concurrent given that qualifications are required for each exhibitor for each Region, and

Whereas, Regional Championship classes judged collectively would be difficult to adjudicate due to the fact that the judges for each region may not know which horses in the ring they need to place for which Region, and

Whereas, Regional Championships in which exhibitors are participating in classes that are run as individual go’s within the arena are easily identified as to which Regional Championship they are qualified for prior to their actual individual go, thus are easily adjudicated by the appropriate Regional judge(s), and

Whereas, Resolution 13-18 was referred back to the Competition Advisory Committee at the 2018 AHA Convention due to the concern that Achievement Award points can be obtained at a faster pace in a concurrent run Specialty Class scenario at Regionals, and

Whereas, The Competition Advisory Committee reviewed this concern and felt that the concurrently run Specialty Class Resolution be resubmitted due to the fact that Achievement Award points are currently being obtained under concurrent run classes at AHA Recognized Competitions and under current run classes such as Reining and Sport Horse In-Hand at Nationals; Therefore, Be It

Resolved, That AHA COMP 203.1 be amended by inserting the following:

General Rules

1. This system allows a show to hold concurrently adjudicated classes at the same time/date in a single arena with identical AHA class codes. (Regionals, Nationals and Dressage classes cannot be run utilizing this system).

Exception: Regionals, East Coast Championship, Pacific Slope Championship, Eastern Canadian Breeders and Western Canadian Breeders Championship may utilize this system in the following classes where exhibitors
compete one at a time, i.e. Sport Horse In-Hand, Hunter/Jumper (Over Fences), Cutting, Reining, Working
Cow/Herd Work, Ranch Riding, Trail (English and Western), and Trail In-Hand. In addition, concurrent
Regional Championships must be from two different Regions, may not be from the same Region, and will not use
the same Regional class title. Using two different judges for each class session/division (for record keeping
purposes only, AHA will utilize two recording numbers, i.e. Judge A will be recorded under one recording number
and Judge B under another). AHA encourages a show to run all classes under both judges. (BOD 11/08) Working
Hunter, Jumper, Trail and Sport Horse In-Hand may be run on open cards. Horses in Working Hunter classes would
still have to be trotted for soundness for each class when required. (Res. 15-07)

a. …
b. A Single Event Membership must be submitted for each owner, trainer, rider, driver, handler without current
   Competition Level Membership. (BOD 11/08) Single Event Memberships are not accepted at Regional
   Championships.
c. Only one 9-90 Fee ($7.00 per horse) will be charged at concurrently run shows (Exception: concurrently run
   Regional Championship classes as outlined in COMP 203.1.b must pay a 9-90 fee of $15 per horse per
   Regional Championship). (Res. 15-07) The 9-90 fee from a vetted out horse will be refunded to the exhibitor
   by the competition. (Res. 15-11)

Effective: December 31, 2019

(If a Standard resolution, the effective date will be December 31 of the year after the Convention)

RESOLUTION TYPE (REQUIRED): Standard ________ Extraordinary ______X______ “If indicated as

RULE 101.2.a)i)(2) – Financial well-being of the Regions choosing to share expenses for “Specialty” Regional

PROPOUNTS FINANCIAL IMPACT (REQUIRED): Refer to Chapter 9, RULE 101.3.e. for financial requirements

Indicate affected Article/Rule number (AHA/USEF/EC)  AHA COMP 205, CT 109, END 108

RESOLUTION: Use bold/italic for new wording, strikethrough to indicate deletion

Whereas,  There are fewer horses being exhibited now than when the 18 Regions were established in 1972, and

Whereas,  In the opinion of the proponent, some of the Regional Championship Shows/Rides have become too small to be meaningful and financially viable, and

Whereas,  An intermediate solution would be to allow some of the smaller Regional Championship Shows/Rides to be combined, and

Whereas,  Since AHA currently has no rules to allow for combined Regional Championship Shows/Rides, in the opinion of the proponent, we need to allow for combined Regional Championships; Therefore, Be It

Resolved,  That AHA COMP 205 be amended by inserting as new paragraph 11. as follows:

11.  Any two (2) Regional Championship Competitions, Pacific Slope, East Coast Championship, Eastern Canadian and Western Canadian Breeders Championships Competitions are allowed to combine their Regional Championship Competitions. This combined Regional Championship would be:

a.  Governed and managed by the two (2) Regions competitions involved.

b.  Each class having one (1) set of judge/officials(s), one (1) set of awards, and one (1) set of National qualifications.
Entries would be qualified for the Combined Regional Championship Competitions, Pacific Slope, East Coast Championship, Eastern Canadian and Western Canadian Breeders Championships by their placings in qualifying shows in either of the two involved Regions/Competitions. See Chapters 13 CTR and 14 Endurance for regional qualifications.

May be used for Regional, Pacific Slope, East Coast, Eastern and Western Canadian Breeders “Main ring” shows, Regional, Pacific Slope, East Coast, Eastern and Western Canadian Breeders Sport Horse shows and/or Regional Distance Rides (Endurance and/or CTR).

Requires approval from each of the Regional Directors within a combined Regional Championship Competition, Pacific Slope, East Coast Championship, Eastern Canadian and Western Canadian Breeders Championships and; Be It Further

Resolved. That the remaining sections in AHA COMP 205 be renumbered accordingly, and; Be It Further

Resolved. That AHA CT 109.1 be amended by adding a new paragraph e. as follows:

e. Any two Regions are allowed to combine their Regional Championship Competitive Trail Rides. This combined Regional Championship would be:
   i. Governed and managed by the two (2) Regions involved.
   ii. Each division having one (1) set of judge/official(s), one (1) set of awards, and one (1) set of National mileage.
   iii. Requires approval from each of the Regional Directors within a combined Regional Championship Ride; and; Be It Further

Resolved. That AHA END 108.3. be amended by adding a new paragraph d. as follows:

d. Any two Regions are allowed to combine their Regional Championship Endurance Rides. This Combined Regional Championship would be:
   i. Governed and managed by the two (2) Regions involved.
   ii. Each division having one (1) set of judge/official(s), one (1) set of awards, and one (1) set of National mileage.
   iii. Requires approval from each of the Regional Directors within a combined Regional Championship Ride.

Effective: December 31, 2019

(If a Standard resolution, the effective date will be December 31 of the year after the Convention)

RESOLUTION TYPE (REQUIRED): Standard _____ Extraordinary _____ X ____ “If indicated as “Extraordinary”, the proponent must list reasons which establish Chapter 9, RULE 101.2 has been met)

Some Regions are having financial and manpower difficulty offering their Regional Championship Competitions. Also, this needs to be implemented as soon as possible so that the Regions have time to plan for implementation.

PROONENTS FINANCIAL IMPACT (REQUIRED): Refer to Chapter 9, RULE 101.3.e. for financial requirements

This Resolution would only require one Regional Championship Show fee for the combined competition. This would be offset by the reduced AHA staff time to review the prize list, provide Sweepstakes ribbons, and process results.

AHA IMPACT STATEMENT: This would require a change to a database table, multiple Oracle 8i forms and reports and pages on the website. This includes places where two regions would need to be displayed instead of one and where the combined Regional Championship needs to be listed under both regions (i.e. Events by Region). It is estimated that it would take about 140 BT hours to institute this rule change.
