Amateur To Ride
All riders in Amateur to Ride classes must have in their possession a current Amateur Certification Card issued by USEF or make application for the card, at least one hour prior to riding in these classes. Applications may be secured through the Horse Show Secretary. Juniors are automatically considered amateurs.

Ranch Horse Cutting
This class is judged on the ability of the horse to work a cow by separating it from the herd and holding it to demonstrate the horse’s ability to work the cow. A single cow is cut from the herd and the horse must demonstrate its ability to work the cow. A Ranch Cutting horse should have a natural ranch horse appearance from head to tail in each maneuver. The objective will be to cut one or two cows, based on the division, from the herd and work the cow(s) with the assistance of two turn-back riders and two herd holders. Show management may supply two herd holders and two turn back riders or exhibitors may supply their own helpers. If an exhibitor is a herd holder or turn back rider, he or she may use the horse that they are competing on, or use a different horse. Herd holders’ and turn back riders’ horses should be Arabian or Half-Arabian horses.
1. SCORING SYSTEM: Each horse/rider team is scored between 0-100 points and automatically begins with a score of 70 points. Each horse/rider team is judged on the quality of each maneuver (e.g. -1½ extremely poor, -1 very poor, -1/2 poor, 0 correct, +1/2 good, +1 very good, and +1½ excellent). Plusses and minuses are a reflection of the smoothness, finesse, attitude, quickness, and authority of the horse/rider team when performing.
2. CONTENT:
   A. For Open and Amateur division competition there will be a two-minute time limit. Each exhibitor must work two head and has the option of ending their run before the two-minute limit or working the full two minutes.
   B. For youth competition, there will be a one and one-half minute time limit. Each exhibitor may work one or two cows and has the option of ending their run before the one and one-half minute time limit or working the full one and one-half minutes. Working two cows does not assure extra credit to the run.
   C. Time will begin when a rider crosses a time line just prior to entering the herd. Time should not start until contestant crosses a pre-determined and marked timeline. The rider will then separate quietly his/her cow from the herd.
   D. Unnecessary roughness or disturbing the herd excessively could result in disqualification.

Ranch Horse Conformation
The purpose of Arabian Ranch Horse Conformation is to preserve Arabian type and conformation best suited to the function of a natural ranch horse. Selection is based upon well-mannered individuals in the order of their resemblance to the breed ideal that possess the most positive combination of balance, structural correctness, and movement. Individuals should possess appropriate breed and sex characteristics with adequate muscling. The ideal Arabian ranch horse should have a natural ranch horse appearance from head to tail.
1. CONTENT: To be eligible to compete in the ranch horse conformation class the horse must be entered, shown and judged in at least one riding class in the Ranch division at that show. Horses must be at least 3 years of age. Horses in each division may be shown together as one class or divided into Purebred, Half-Arabian, Stallions, Mares, Geldings, Open, Amateur, Youth, or in any combination deemed appropriate by show management. All stallions shall be examined to confirm that they have two visible testicles. All stallions and mares shall be examined for over-shot and under-shot mouth. If examination reveals that a horse is a cryptorchid or has an over-/under-shot mouth, the judge shall not use such horse in the final placings of the class.

Ranch Horse Reining
The ranch reining class measures the ability of the ranch horse to perform basic handling maneuvers with a natural head carriage in a forward-looking manner. The ideal Ranch Reining horse should have a natural ranch horse appearance from head to tail in each maneuver.
1. SCORING SYSTEM: Each horse/rider team is scored between 0-100 points and automatically begins the run with a score of 70 points. Each horse/rider team is scored on the quality of each maneuver (e.g. -1½ extremely poor, -1 very poor, -1/2 poor, 0 correct, +1/2 good, +1 very good, and +1½ excellent). Plusses and minuses are a reflection
of the smoothness, finesse, attitude, quickness, and authority of the horse/rider team when performing the various maneuvers.
2. CONTENT: Horses will be shown individually. All runs begin upon entering the pen and any infractions are subject to penalty at that time such as two hands on the reins (except for junior horses 5 years & under wearing snaffle bit or hackamore), using either hand to instill fear or praise, etc. Patterns may be chosen from any of the ranch reining patterns found in the VRH section of the AQHA Handbook or on the AHA website.

Ranch Horse Versatility
A superior ranch riding horse has a free-flowing stride of reasonable length in keeping with his conformation and covering a reasonable amount of ground as if he was going across the pasture to do a task on the ranch in a timely fashion. Ideally, the horse should have a balanced, flowing motion, while exhibiting correct gaits with proper cadence and rhythm reflecting the versatility, attitude, and movement of a working ranch horse riding outside the confines of an arena. The ideal ranch horse will travel with forward movement and demonstrate an obvious lengthening of stride at extended gaits. The horse can be ridden with light contact or on a relatively loose rein without requiring undue restraint, but not shown on a full drape of reins. The overall manners and responsiveness of the Versatility Ranch Riding horse to make timely transitions in a smooth and correct manner, as well as the quality of the movement and consistency of the gaits are of major consideration. The ideal Versatility Ranch Riding horse should have a natural ranch horse appearance from head to tail in each maneuver.
1. SCORING SYSTEM: Each horse/rider team is scored between 0-100 points and automatically begins the run with a score of 70 points. The horse/rider team is scored on the quality of each maneuver (e.g. -1½ extremely poor, -1 very poor, -1/2 poor, 0 correct, +1/2 good, +1 very good, and +1½ excellent). Plusses and minuses are a reflection of the smoothness, finesse, attitude, quickness, and authority of the horse/rider team when performing the various maneuvers.
2. CONTENT: Horses will be shown individually at three gaits; walk, trot and lope in each direction of the arena. Horses will also be asked to reverse, stop and back. The selected pattern must ask for an extended trot and extended lope at least one direction of the ring. The pattern may be started either to the right or left direction. Show management has the option to set markers to designate gait changes. The pattern may be set outside or inside an arena. If the class is held inside an arena, the course shall be set up to make approximately one pass of the arena in each direction. One of the suggested patterns for Versatility Ranch Riding may be used from the current AQHA Handbook in the Versatility Ranch Horse (VRH) section or on the AHA website. A judge may utilize a different pattern as long as all required gaits and maneuvers are included.

PREMABLE

We, as Professional and Amateur Horsemen of the Arabian Horse Association, pledge to assume a positive role as leaders in the Arabian horse community. While achieving the goals of promoting, showing, and caring for the horse, we shall protect the health, image, and welfare of the breed.

Therefore, we set forth the following standards:

STANDARDS OF CONDUCT

We shall comply with and actively encourage all Professional and Amateur Horsemen to adhere to all rules and regulations of AHA, USEF, CAHR, and EC.

We shall instill confidence, trust, and mutual respect in our clients, fellow exhibitors, and the public by a commitment to ethical practice and avoidance of any action conducive to discrediting the Arabian horse, AHA, or our fellow horsemen.

We shall ensure that the welfare of the Arabian horse is paramount and that every Arabian horse be treated humanely and with dignity, respect, and compassion.

As Horsemanship we agree that it is our obligation, not only to the horse, but to each other, to have a reciprocal relationship wherein we are compelled to comment to our peers on their actions as well as be receptive of comments on our actions, if those actions might be perceived or interpreted as abusive or inappropriate.

There should be no malicious force during training. Good horsemanship teaches a horse to respond to the aids with confidence. Abusive practices are those that inflict injury or result in intimidation and fear. This may include jerking, spurring or whipping when employed in a manner that increases a horse’s fear, confusion, or distress.

AT THE DIRECTION OF THE AHA JUDGE’S & STEWARD’S COMMISSIONER AND THE AHA EDUCATION AND EVALUATION COMMISSION, THE JUDGE(S) WILL BE PENALIZING HORSES WITH UNNATURAL TAILS. CONVERSELY, HORSES WITH NATURAL TAIL CARRIAGE SHOWING EXPRESSION THAT IS NOT ANGRY OR OFFENSIVE WILL NOT BE PENALIZED.
