EVERY CLASS OFFERED HEREIN WHICH IS COVERED BY THE RULES AND SPECIFICATIONS OF THE CURRENT USEF/EC RULE BOOK WILL BE CONDUCTED AND JUDGED IN ACCORDANCE THEREWITH.

The Youth Nationals, Sport Horse Nationals and U.S. Nationals are conducted in accordance with the rules of the United States Equestrian Federation (USEF), and Canadian Nationals is conducted in accordance with the rules of Equestrian Canada (EC). The official rulebook of each organization will prevail for all shows, particularly the Arabian, Half-Arabian and Anglo-Arabian Horse Division and the rules of the Arabian Horse Association. Any changes or corrections of the rules will automatically become part of this prize list and will appear on the AHA website (www.ArabianHorses.org) and via an Eblast. Every participant in each show is responsible for knowledge of these rules and is subject to these rules. The Show Commissions reserve the right to make changes to what is listed in the omnibus at any time.

Shaded text indicates changes for 2019.

For assistance, please call the AHA office at (303) 696-4500 (option #4), or fax at (303) 696-4599, Monday through Friday, 8:00 am to 5:00 pm (Mountain Time), or e-mail us at NationalEvents@ArabianHorses.org.

AHA INDEMNITY AND NON-RESPONSIBILITY CLAUSES

All entries are accepted with the understanding that the Arabian Horse Association and State Fair Park, Balmoral Park, Tulsa Expo Square and Keystone Centre, their officers, officials, and employees will not be held responsible for any loss, damage, or injury to any exhibitor, his or her agent or employee, or to any horse or any article of any kind. The exhibitor will be responsible for any loss, damage, or injury to any person, animal, or property occasioned by him/her, his/her agents or employees, or by any animal owned or exhibited by him/her, and shall indemnify the Arabian Horse Association and State Fair Park, Balmoral Park, Tulsa Expo Square and Keystone Centre, against any and all loss, damages and liability thus occasioned, including, but not limited to any and all legal costs, including attorney fees, which may be incurred as a result. The submitting of any official entry form to the show secretary shall constitute an acceptance of these provisions by each person or agent signing the entry form.

ADMISSION TO THE RING AND CONTROLLED Paddock PROCEDURE

No person will be permitted to enter the ring except participants in the class, judges, their assistants and show officials. Attendants and grooms may enter the ring only when summoned by order of the judges. Attendants and grooms who enter the ring shall be considered a part of the showing team and must be neatly dressed in proper show attire, wearing unmarked dusters at all times when they are in the ring.

Only standard grooming equipment will be allowed in this area. There will be no whips, noise makers or other such equipment, devices or objects in the in-gate area which might disturb or create a hazard to horses or handlers except a show whip carried properly by a handler.

1. PERFORMANCE CLASSES

At the discretion of Show Management, order of entry into the ring may be predetermined for any class.

A maximum of two grooms and one handler per horse will be allowed at the in-gate area.

2. IN-HAND CLASSES

In all breeding classes, the order of go will be determined and posted by birth date of the horse from oldest to youngest. Entries will enter in the order as posted and will be inspected for signs of abuse by the Show Steward immediately prior to entrance into the ring for judging. The manner of inspection will be at the discretion of Show Management.

CONTROLLED Paddock

The one specified person assisting with entrance of in-hand horses into the ring will be allowed to use only the same length whip and appendages as are currently allowed for the individual handling the horse. Rule reference AR114.2: Whips are to be no longer than 6' including snapper/lash/appendage. Small appendages (no more than 12 inches in length) of ribbon, plastic, etc. are permitted.

The designated person **will not hit or use any other objects, such as trash cans, walls, etc., to make any noise.**

In addition, **effective immediately**, the use of plastic or paper bags of any type or size is prohibited in assisting with entrance(s) into the arena.

It is the responsibility of Show Management, along with the USEF Steward(s) to ensure the "designated person" understands this policy and their role.

Should this rule/policy be violated, a warning card may be issued to both the handler and the designated person or groom who initiates this violation.

AMATEUR OWNER

*** A horse that is co-owned by two distinct non family members per USEF AR110.e. 1 – 10 cannot be shown in the ABS AAOTR Jackpot classes or Performance Maturity AAOTR Classes at US Nationals.

It is unethical to transfer or assist or facilitate in the transfer of a horse with the intent to circumvent the purpose of the rules regarding ownership of horses shown in the amateur owner and/or junior owner classes. It is unethical for any AHA member to not provide information relating to the transfer in question that is requested by the Probable Cause Panel or the Ethical Practice Review Board.

In determining whether the transfer was unethical, the EPRB may consider, among others, the following:

Horse ending up back in the previous owner's name within a year of the original transfer.

Horse being transferred at less than fair market value (owner to provide proof of the sales amount).

The fact that prize money went to a person other than the owner or family member.

The fact that the owner or family member did not pay the expenses relating to the upkeep and showing of the horse.

AWARDS

Top Ten Awards will be made regardless of the number of competing entries. However, only awards made to the top 50% (rounded up not to exceed 10 awards) will receive AHA Horse Achievement Award Points, Amateur Achievement Award Points, High Point Horse Achievement Award, and High Point Amateur Achievement Award points.

Types of awards are as follows: trophy and championship ribbon to the National Champion; trophy and reserve championship ribbon to the Reserve National Champion; plaques and ribbons to remainder of the Top Ten.

Champion and Reserve Champion will NOT receive Top Ten

* Grey highlight indicates changes for 2019

Plaques. Champion and Reserve Champion may purchase a plaque if they wish to do so in the Awards Room.

All horses qualifying for the semi-finals will receive a ribbon. In addition, all horses chosen to advance in preliminary and elimination sections will receive a ribbon.

All awards not claimed by the close of the show will be forfeited with no exceptions.

AWARDS CEREMONY

The Championship and Reserve Championship award ceremony at National Shows allow up to five people other than authorized personnel for award photographs.

AWARDS/SPECIAL

The National Show Commissions will determine if individual prizes and awards will be presented at the National Shows. AHA is not liable for payment of donated prize money paid by an outside organization. Exhibitors are instructed to contact the individual donors to complete any necessary paperwork.

BEDDING/SHAVINGS

Shavings and feed are available for purchase on the show grounds. Outside shaving deliveries are not allowed to the show grounds.

CANCELLATION OR DATE CHANGE OF SHOW

Show Management reserves the right to change the dates and/or the location of the show or to cancel the show altogether. In the event of a cancellation, all entry fees and stall fees will be refunded upon request. (Office fees are non-refundable.) Neither the Show Management nor AHA shall have any liability to any exhibitor, owner, handler or other person, firm or corporation by reason of any change or cancellation of the show, except for the return of the aforementioned fees.

CLASS INFORMATION

Any class can be entered by the closing date (qualified or not). Qualifications can be earned up to the start of the show. You are qualified from the earliest date you earn the points required. There is no such thing as re-qualifying.

Many National classes are divided into preliminary and/or elimination sections depending on the number of entries. (Refer to current AHA Handbook for information on "Dividing Classes at Nationals"). Please check with the Show Office regarding which section you have been assigned. If you miss YOUR SECTION, you have missed YOUR CLASS and will not be allowed to advance further. This policy will be strictly enforced. Preliminary sections are designated by Roman Numerals, (I, II, III, IV) and always run before eliminations when class entries warrant the use of preliminaries. Capital letters (A & B) designate elimination sections and either follow the preliminaries or can be the first go of the class. Semi-finals are designated by "SF," and finals are the last go of the class and are designated by "FNL." The final and semi-final can be combined as designated with "SF/F." Classes which may be divided are subject to be moved ahead on the schedule. Check with the Show Office for updates.

1. ADDING CLASSES

Additional class entries must be submitted on the Official Entry Form for each show. Please check the box indicating this is not a new horse but added classes for a horse already entered.

2. CANCELLATION OF CLASSES

The AHA Convention has established a minimum of three (3) entries for all National classes. The Show Commissions may cancel any class with fewer than three entries. Horses entered in classes cancelled in the 2019 National Arabian and Half-Arabian Championship Horse Shows will retain their eligibility for the 2020 National Show (Res. 61-86).

3. CLASS CALLS

- The two-minute limit for gate closing will be strictly enforced. The gate will close two minutes after the first horse enters the ring or in cases with large classes taking more than two minutes, after the entry of the final horse in a continuous string of horses.
- Due to unforeseeable problems with any mechanical device, the public address system and paddock calls over that system must be considered a courtesy.
- It is the responsibility of the exhibitor to be sure that his/her horse is at the gate at the prescribed time. Every effort will be made to maintain a working public address system to carry class calls; however, no protest will be upheld, nor will any section be changed on the basis of public address malfunction alone.

4. CLASS PROCEDURES

- A class is composed of its preliminaries, eliminations, semi-finals and finals. (See Section, Rider/Handler/Equitation Horse Change or Working Order Change Requests for more information on preliminaries and eliminations).
- Riders in Reining, Trail, Working Cow, Cutting, Dressage, Working Hunter, Jumper, Sport Horse In-Hand, Ranch Riding and Obstacle Driving classes may show more than one horse in the class.
- In all other classes, a horse may be shown in a class by only one rider and only one horse per rider.

5. CLASS SCRATCHES & NO SHOWS

- PLEASE refer to the fee chart for each show.
- All Scratches MUST be done in writing and turned in (depending on each national show) to the show office to be considered official.
- Class scratches must be made before the end of the prior session.
- Scratches taking place once the session starts will be assessed the scratch fee. Exhibitors who scratch at the gate and do not file an official scratch by the end of the session will be charged either the scratch fee or the no show fee.

6. CLASS SECTIONS

- Entrants, with possible ring conflicts, should identify section requests on the Official Entry Form. If a section is not specified, then random entry selection will be used for assigning sections.
- Requests for section or working order changes shall be handled as follows:
 - Random entry selection will be used for assigning sections. Any section request not received with your entries will not be considered until the time of the show.
 - At the show, exhibitors can request sections prior to the classes being sectioned. Sections will be posted the day prior to the class. Section requests submitted at the show must be in to the show office by Noon the day prior to when the sections are to be posted. i.e if the class is Tuesday, sections will be posted Monday, section requests must be in by noon Sunday.**
 - Exhibitors can request a GO FORWARD section AFTER they make the cut in the preliminary section. The request MUST be submitted to the show office within 1/2 hour after the session the elimination sections were held. (Example: 30 minutes after the completion of the session when the I, II, III cuts were held is the deadline to submit section A & B requests)

* Grey highlight indicates changes for 2019

- 4) ONCE A CLASS HAS BEEN SECTIONED, if an exhibitor has a conflict between scheduled classes, the exhibitor must request the change in section or working order at least two sessions prior to the earliest class involved. This change must be requested on the official Section Change Form and be filed with the Show Secretary in the Show Office.
- 5) Please check with the Show Office regarding which section you have been assigned. If you miss YOUR SECTION, you have missed YOUR CLASS and will not be allowed to advance further. This policy will be strictly enforced.
- 6) Show Management reviews all requests for changes and their rulings are final. Exhibitors must return to the Show Office to determine if their request for change has been granted and must sign the request form indicating they are aware of the action taken relative to their request.
- 7) If Show Management creates a conflict with an exhibitor's scheduled class, due to a time change or other adjustment, a section or work order assignment may be changed by Show Management to resolve the conflict. In such case, every effort will be made by the Show Office to notify the exhibitor involved of the section/work order change.

7. CLASS/HORSE SUBSTITUTIONS

Substitutions will follow USEF/EC rules. If the owner wishes to use another qualified horse to replace the deceased, sold or injured horse, substitutions may be made after the announced date of the closing of entries and will be handled as follows:

- a. The Office and the Scoring fee must be paid for the substitute horse, all other fees are transferable.
- b. A copy of the veterinary letter and/or a copy of notification of death or sale (to the appropriate registry) regarding the death or sale of the horse must be provided with the substitution horse's entry. For an injury the Vet certificate should give a detailed description of the injury.
- c. The classes must be the same type and rider age breaks.
- d. Additional classes may be entered for which the new horse is qualified. Post entry rules apply.

8. POST ENTRY Please refer to each individual show's rules.

9. RIDER/HANDLER/EQUITATION HORSE CHANGES

Any changes to the originally entered rider, driver, handler or equitation horse must be made on the appropriate form at the show office at least one session prior to the class involved. Failure to do so will result in a fine. Refer to Fee Chart for each show.

Once a class section has run, rider/driver/handler changes for advancing sections are not allowed except for a medical emergency per USEF rules. Please make sure the correct rider is listed for your classes.

10. REFUNDS

- a. Refunds will be considered upon receipt of a suitable veterinarian certificate attesting to illness or injury, along with a letter from the exhibitor explaining the circumstances.
- b. All fees, except the office fees, will be refunded with a veterinarian certificate received at the AHA office no later than 40 days prior to the first day of the show. Only the class entry fees, 9-90 fee, USEF fees, EC fees will be refunded, with a veterinarian certificate postmarked between 40 days and 15 days prior to the first day of the show. No fees will be refunded

for requests received at the AHA office between 14 day and the completion of the show.

- c. In the case of a deceased horse, a copy of the veterinary letter and/or a copy of notification of death (to the appropriate registry) is required before a refund will be made for all fees with the exception of the office fee which will be retained by AHA.
- d. All fees paid for classes cancelled by Show Management shall be refunded in full.
- e. Class entry fees will be refunded for all non-qualified classes only. All qualified horses/riders entered in a class including classes where cross entry is not permitted will not be refunded.
- f. All refunds will be sent by mail after the conclusion of the show.

DISCIPLINE

Exhibitors are advised that any act of discourtesy or disobedience to the officials of this show on the part of the owner, lessee, trainer, groom, rider, driver, handler or member of the family of the person participating in the show will disqualify the horse from adjudication. The management reserves the right to remove any horse, owner, lessee, trainer, groom, rider, driver, handler, or member of the family of the person participating in the show from the show grounds without being liable for compensation of damages.

Any action(s) against a horse which are deemed excessive by a Judge, Steward or Show Veterinarian, in the show ring or anywhere on the competition grounds, may be punished by official warning, elimination, or other sanctions which may be deemed appropriate by the Commissions or the Judges & Stewards Commissioner. Such action(s) could include, but are not limited to, excessive use of whip, spurs, or bamboo poles. It is a violation of USEF and Equestrian Canada rules to commit any act or make remarks during the show that are considered offensive or made with the intent to influence or cast aspersions on the judging. (Refer to the current USEF and Equestrian Canada Rule Books).

DISPUTE NOT COVERED BY RULES

Should any question or dispute arise not provided for in the governing rules of USEF or AHA, the question or dispute shall be referred to the Show Committee, whose decision will be final.

DISQUALIFICATION

Refer to current USEF and Equestrian Canada Rule Books. For clarification on how a disqualified horse is replaced, refer to the current AHA Handbook.

DNA TESTING

The Arabian Horse Association reserves the right to do DNA testing at ANY National Show by collecting hair samples (or blood sample, if necessary) from Arabian, Half-Arabian or Anglo-Arabian horses. Samples will be collected under the overall supervision of the Registry Services Department. Any questionable results will go through the standard investigation process of that department. Prize money may be withheld pending the outcome of questionable results. Half-Arabians must have DNA type of file of the horse and horse's purebred Arabian Parent placed on permanent record with the AHA Registry and the horse has been shown to qualify as an offspring of the purebred sire or purebred dam through DNA type testing in order to compete in the Halter Futurity and Performance Futurity/Maturity classes. DNA must be on file with the AHA office before the horse will be eligible to compete in these classes.

* Grey highlight indicates changes for 2019

DOGS & OTHER PETS

No dogs will be allowed in the main arena or paddock area with the exception of Companion/Guide Dogs, and in accordance with USEF Rules. Dogs are not permitted to be loose on competition grounds and must be on a leash or otherwise contained. Individuals must not lead dogs on a leash while mounted. Dog owners are solely responsible for any damages, claims, losses or actions resulting from their dogs' behaviors. Dog owners failing to comply with this rule may be subject to penalty under USEF Chapters 6 and 7, as well as issuance of warning cards. The Show Management further reserves the right to fine any exhibitor or farm whose dog is running loose and has to be confined by show officials. The first offense will be up to \$50.00. The second offense will be up to \$100.00 and expulsion of the animal from the show grounds.

DRUG TESTING, SHOE & HOOF MEASURING

It is the prerogative of Show Management to require drug testing or to require the inspection of shoes, pads and/or hoof length for any entry at any time during the show. This is to be accomplished prior to the horse leaving a prearranged inspection area. All horses competing in the Arabian, Half-Arabian and Anglo-Arabian Hunter, Jumper, Dressage, Eventing, Combined Driving, Pleasure (Carriage) Driving, Working Western, and Sport Horse Sections are exempt from shoeing regulations. This does not exempt horses that are cross entered into any other classes from compliance with applicable shoeing requirements while competing in those classes. See USEF Rulebook for current shoeing and toe length regulations.

Per resolution #24-04, mandatory drug testing will take place at the U.S. and Canadian Nationals. Horses will be picked at random.

The effective date of this application is the date the properly completed form and fee are received by the USEF office. Points will not be credited retroactively.

narian's statement that examination was made within the past thirty (30) days. Each horse must have a negative Coggins test, dated within a year of the showing date.

Do not submit your Coggins Test Certificate or Health Certificate with your entries. Keep the certificates in your possession until such time as it is requested. You may be required to show health papers and proof of a negative Coggins test prior to being allowed to unload horses.

EQUINE VACCINATION RULE

1. At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.
2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.
3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.
4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

HEALTH CERTIFICATE REQUIREMENTS FOR HORSES CROSSING THE U.S./CANADIAN BORDER

A valid health certificate is required for every horse. All horses six months and older must be accompanied by an official health certificate of state of origin issued by a state, federal or licensed accredited veterinarian, and such certificate must include a veterinarian's statement that examination was made within the past thirty (30) days and revealed the animal to be free from symptoms of any infectious disease or exposure thereto. Each horse must have a negative Coggins test, dated within a year of the showing date. Do not submit your Coggins Test Certificate or Health Certificate with your entries. Keep the certificates in your possession until such time as it is requested. You may be required to show health papers and proof of a negative Coggins test prior to being allowed to unload horses.

Please check with the state veterinarians of all states you are planning on passing through regarding possible restrictions due to current health related problems and outbreaks. It is the exhibitor's responsibility to be aware of any additional restrictions that may be in place at the time of crossing state/country boundaries.

HEALTH CERTIFICATE REQUIREMENTS FOR NATIONALS SHOWS IN CANADA

Health certificate Requirements— ENTERING the U.S.A. All horses require a negative Coggins test, dated and signed by the Health of Animals Veterinarian, within 6 months of entry to the U.S.A.

All horses require a health certificate, signed by your veterinarian and a Health of Animals Veterinarian within 30 days of entering the U.S.A. The certificate must state that the horse is free of contagious diseases.

Foals that are less than 5 months old and accompanied by the mare, require no testing to enter the U.S.A.

All horses must be accompanied by a document indicating proof of ownership. If the horse is registered, a photocopy of the original registration papers must be carried with the horse.

If Canadian horses are entering the U.S.A. for breeding or sales purposes, a formal entry must be made. This is done through a customs broker at the U.S.A. Port of Entry. There is a fee charged for this service.

Canadian show and rodeo horses entering the U.S.A. temporarily are required to fill out a form at the Port of Entry. This may be done by the owner or agent.

An American horse in Canada for 72 hours or less can re-enter the U.S.A. with an American Health Certificate.

American horses participating in a public recognized show can return to the U.S.A. on the American Health Certificate for up to 90 days, if the owner supplies proof of attending rodeos, horse shows, or race meets. This means you must have a published show program identifying your horse as a competitor in the show.

All horses must submit to inspection when entering the U.S.A. If a Canadian horse is sold to an American buyer, the seller must file an export entry form at the Canadian port prior to leaving Canada.

Some American states have permit regulations, so check with state agricultural authorities to obtain a permit prior to entering the state. In many cases, this can be obtained via telephone.

HOOF MEASUREMENTS

Complimentary hoof measurements will NOT be provided by USEF Stewards at any National Show.

IN-KIND SPONSORSHIP/PRODUCT DONATIONS

INSURANCE ADVISORY

Due to the number and quality of horses at the National Shows, we urge each exhibitor to verify their liability insurance coverage and their livestock mortality coverage with their own insurance carrier.

No photographers other than the official photographer may take pictures in the ring or from the rail. Professional photography equipment, cameras with lenses longer than 4 inches, will not be permitted except for credentialed media and those holding press passes (to take pictures outside the ring only). Additionally, watermarked photography will be considered professional photography and will not be allowed to be posted on any media outlets by any photographers other than AHA or the official photographer.

Media credentials may be issued to credentialed journalists, photographers and videographers from recognized non-equine industry magazines, newspapers, and publications. Those issued media credentials must sign an agreement stating no photographs or videos taken will be sold. Credentials will only be issued to media for the purpose of news gathering and dissemination only.

Equine Industry press passes will be issued to photographers for the price of \$900 and these press passes will allow photographers to shoot on grounds, however, not in any show arenas. Press passes can be purchased in the commercial exhibitor office. Violation of the policy will result in removal from the show grounds. Additionally, commercial photographers found violating this policy will be assessed a \$900 fee. This policy extends to violations found post-show through websites, social media, and other outlets.

It is the responsibility of the Exhibitor and/or the person(s) signing the Official Entry Form to verify that the horse is eligible to be entered and compete in the National Championship Class.

Any class can be entered by the closing date (qualified or not). Qualifications for classes not qualified for by the closing date can be earned up to the start of the show. You are qualified from the earliest date you earn the points required. There is no such thing as re-qualifying.

Refer to the current AHA Handbook and www.ArabianHorses.org for complete rules. If you have any questions about qualifications, contact AHA Competition Services at (303) 696-4500, option #4.

SCHEDULE

The schedules printed in this prize list are based on entry projections for each class and the number of sections required. Any change in the number of entries may affect the corresponding number of sections in that class. The Show Commissions will review class entry numbers and sections after the entry deadline and will revise the schedule accordingly if deemed necessary.

Please note No classes will be moved to an earlier day in the schedule. Classes scheduled with only a SFF that must be divided into section due to the number of entries, will have the sections run in place of the SFF and the SFF will be later in the schedule.

Check with the Show Office upon arrival for schedule changes and posted sections.

Please be prepared as no entry fees or other fees will be refunded due to schedule changes. Schedule conflicts between rings are the responsibility of the exhibitor.

Updates to the schedules for all the Nationals shows will be posted on each shows home page. Please refer to the most current schedule prior to entering the horse show.

SECURITY

Exhibitors are advised that it is their responsibility to secure their valuables and stall area. The Show has a limited number of security personnel on the premises. Please report any issues related to security breaches.

SHARPS CONTAINERS

For US Competitions (per USEF Rule Book): Show Management will place at least one sharps container per fifty occupied stalls for the disposal of needles and other disposable sharp instruments in convenient locations in barns housing competition horses. It is competition management's responsibility to replace such containers when full and dispose of them properly. Competition management may fine any individuals including trainers, owners, exhibitors, or their agents up to \$100 plus clean-up costs for improper disposal of needles or other sharp disposable instruments. Competition management will place a notice of this requirement either in its prize list or on a specific handout given to trainers on check in at the competition. If local law has different requirements, local law will prevail.

APAHA PREAMBLE

We, as Professional and Amateur Horsemen of the Arabian Horse Association, pledge to assume a positive role as leaders in the Arabian horse community. While achieving the goals of promoting, showing, and caring for the horse, we shall protect the health, image, and welfare of the breed.

Therefore, we set forth the following standards:

HORSEMEN'S STANDARDS OF CONDUCT

We shall comply with and actively encourage all Professional and Amateur Horsemen to adhere to all rules and regulations of AHA, USEF, CAHR, and EC.

We shall instill confidence, trust, and mutual respect in our clients, fellow exhibitors, and the public by a commitment to ethical practice and avoidance of any action conducive to discrediting the Arabian horse, AHA, or our fellow horsemen.

We shall ensure that the welfare of the Arabian horse is paramount and that every Arabian horse be treated humanely and with dignity, respect, and compassion.

As Horsemen we agree that it is our obligation, not only to the horse, but to each other, to have a reciprocal relationship wherein we are compelled to comment to our peers on their actions as well as be receptive of comments on our actions, if those actions might be perceived or interpreted as abusive or inappropriate.

There should be no malicious force during training. Good horsemanship teaches a horse to respond to the aids with confidence. Abusive practices are those that inflict injury or result in intimidation and fear. This may include jerking, spurring or whipping when employed in a manner that increases a horse's fear, confusion, or distress.

While most types of tack and training methods are not themselves abusive, we understand that anything used wrongly, over used, or over done can prove to be abusive or perceived to be abusive by onlookers.

The duration of training sessions should take into account climate conditions, intensity of work, footing and the condition of each horse to ensure there is no undue stress.

We shall conduct all business affairs with integrity, sincerity, and accuracy in an open and forthright manner.

We shall act with integrity in financial dealings with clients, professionals, and the public. We shall employ a policy of full disclosure to our horse's owners, as well as potential buyers, about all facts and knowledge regarding a horse they own or are considering purchasing.

Horsemen will never perform, condone, or allow surgical alteration or procedure on an Arabian horse unless professionally prescribed by a licensed veterinarian, and then, only for the survival or threatened health of an Arabian or Half-Arabian horse. This includes the altering of the natural carriage of the tail, which is one of our breed standards and characteristics.

Horsemen will not administer to any horse engaged in competition drugs or medications that give an unfair competitive advantage or serve no required therapeutic purpose.

Dressage musical freestyle is an exciting combination of the technical and artistic aspects of classical dressage. To foster the highest possible technical quality in freestyle performances, competitors are required to enter a freestyle class only at the level at which they have already demonstrated proficiency.

QUALIFICATIONS In order to enter a freestyle class at any level, for either English or Western, a horse/rider combination must have received a minimum score of 63% in the highest test of the declared freestyle level or any test of a higher level at an AHA, USEF /EC or FEI recognized Competition held prior to the competition where the horse/rider combination is entered to ride a freestyle class.

A photocopy of the test verifying eligibility or copy of the USDF score verification must be submitted with the entry for a freestyle class. For USDF verification, access: www.usdf.org/usdfscores/

TIME

The maximum time limit for all USDF freestyles is five minutes. For Western Dressage the maximum time limit is six minutes. There is no minimum time requirement.

The bell or whistle will not be sounded at the end of either the five or six minutes.

Movements performed after the time limit has elapsed will not be scored. One (1) point will be deducted from the total for artistic impression for exceeding the time limit. A 10-second grace period should be given before a deduction is taken.

The program is timed from the horse's move-off after the initial halt and salute and ceases at the final salute.

The rider must signal the sound engineer within 45 seconds of the entry bell, or be eliminated. The rider must enter the arena within 30 seconds of the start of the music, or they may be eliminated at the discretion of the Judge.

Exceeding 75 seconds before entering the arena after the bell has sounded will entail elimination.

MUSIC

Music is mandatory and must be emailed in an mp3 file format and be submitted by August 20th.

Exit music is not allowed.

DR 129: In case of rider's music failing before or during a Freestyle Test and in cases where there is no backup system, the rider can, with permission of the judge at "C", leave the arena or start at a later time. There should be minimum interference with the starting times of the other riders and the affected rider should return to complete or restart his/her test during a scheduled break in the competition or at the end of the competition. The rider may decide whether to restart the test from the beginning or to commence from the point where the music failed. Judging must restart at the point of interruption. In any case, the marks already given will not be changed.

It is the rider's responsibility to notify the judge if there is an issue with the music once the test starts. This includes the wrong music or music that cuts out, or is corrupted in some way. The rider should stop riding the test and let the judge know about the issue with the music.

Only the ten highest scoring horses from each class (or 50% of each section if fewer than 20 horses) and 2 reserves will advance to the Under Saddle Final class (after being jogged for soundness).

GREEN WORKING HUNTER CLASSES

Qualifications are not required for Green Working Hunter Championships. However, horses must still be eligible to show in the Green Working Hunter as defined by USEF AR162 b.1a. Effective 4/1/19.

WORKING HUNTER 14.2 & UNDER CH

This championship is open to any 14.2 and under Working Hunter. Measurement cards must be sent with your entry. Fence heights are 2'6" with a maximum spread of 2'6". Championship will run as defined by USEF in Article AR162 b1b.

A/HA/AA \$2500 AON HUNTER DERBY

Hunter Derby Championships consist of two over fence classes with the top horses in the first class returning for a second over fence class. The course should include natural elements and options. The first class is 10 – 12 fences with the second class over a shortened course of 6 to 8 fences. Further the 2nd class will be a Handy Hunter Course. The number of horses returning for the second class can be determined by show management but may not exceed 12 horses nor can it be less than the number of ribbons

plus 2 as entries allow. The Derby will be run as a combined hunter competition, with horses competing at 2'6", 2'9" and 3'. The height that the horse would compete at would be the maximum Hunter height that the horse/rider combination competed at during the show. A horse/rider combination may elect to jump a higher height than they jumped during the competition. It is open to professional, amateur and junior riders; Arabian and Half-Arabian/Anglo-Arabian horses. An individual rider may not enter more than 3 horses. There is no under saddle final class. All judges will sit together and provide one numerical score to be announced after each horse finished had completed the round. Horses entered will not be required to jog for soundness. Any unsoundness during the competition will be reflected in the scores from the judges (GR 1034.7).

SPORT HORSE IN-HAND CLASSES

Sport Horse In-Hand classes will be judged using the AHA Sport Horse Score Sheets as specified in the USEF Rule Book.

To help avoid conflicts with other rings, once the number of horses in each of the Sport Horse In-Hand class has been determined, there will be a signup sheet with time frames for each class in the office. If you do not sign up by Noon the day prior to your scheduled class, a go order will be assigned to you.

The Order of Go will be definite, but the times listed are approximate. Exhibitors are responsible for having their entries at the gate for their order of go. If you miss your order, you have missed your class.

EXHIBITORS are requested to check the posted order of go EARLY for conflicts and advise the SH Ring Coordinator so adjustments can be made. Only the SH Ring Coordinator can make changes to the order of go, not the paddock. In the event of a conflict with other rings, management will work with exhibitors within the time frame for each class.

All Sport Horse In-Hand classes will utilize the "Triangle" method of presenting their horses to the judges.

In keeping with the spirit and tradition of the Sport Horse, the show commission would like to remind exhibitors of the following rules and assure their enforcement.

USEF Rule AR 115.2 lists causes for mandatory elimination from the ring, including, but not limited to, removal of eyelashes, changing the natural color of the mane and/or tail, and the use of anything other than clear or transparent products on the hooves while being shown in Breeding and/or In-Hand classes.

USEF AR 115.3 An entry must be penalized for: excessive amounts of oil, grease or other similar substances, excessive use of the whip which might disturb other entries, and balding of the area around the eyes or proximal to the muzzle and nostrils.

USEF Rule AR 176 describes the conduct of sport horse in-hand classes. The commission would remind exhibitors the triangle will be trotted a second time only at the direction of the judge and that the horse is to be shown in an "open position" for conformation judging, otherwise the entry may be eliminated from judging consideration.
