GR 9 CONTROLLED PADDOCK PROCEDURE
Since the controlled paddock was first instituted, the use of large plastic bags and other items has escalated well beyond what is necessary to assist our in-hand horses into the arena. Additionally, we have erred by not clearly stating how this one specified person appointed by either the show committee or the exhibitor is to go about assisting with entrance(s) into the arena. It is well past time for us to establish these parameters and we ask for the support of all our owners and spectators in understanding that these parameters are for the welfare of our horses and our breed. These parameters will also help remove some of the negativity expressed regarding the current practices of how our in-hand horses are presented to the judges and to the public.
2021 GENERAL RULES FOR ALL NATIONALS SHOWS

The one specified person assisting with entrance of in-hand horses into the ring will be allowed to use only the same length whip and appendages as are currently allowed for the individual handling the horse. Rule reference AR 114.2: Whips are to be no longer than 6' including snapper/lash/appendage. Small appendages (no more than 12 inches in length) of ribbon, plastic, etc. are permitted.

The designated person will not hit or use any other objects, such as trash cans, walls, etc., to make any noise.

In addition, effective immediately, the use of plastic or paper bags of any type or size is prohibited in assisting with entrance(s) into the arena. It is the responsibility of Show Management, along with the USEF Steward(s) to ensure the “designated person” understands this policy and their role. Should this rule/policy be violated, a warning card may be issued to both the handler and the designated person or groom who initiates this violation.

GR 10 COVID AND HEALTH PROTOCOLS

Exhibitors are advised that All AHA National Shows will follow the current guidelines put in place in accordance with the recommendations of the CDC, WHO, USEF and AHA in regard to social distancing and public health that are in place at the time of each National Show. Please check the AHA web site for updates.

GR 11 DISCIPLINE

Exhibitors are advised that any act of discourtesy or disobedience to the officials of this show on the part of the owner, lessee, trainer, groom, rider, driver, handler or member of the family of the person participating in the show will disqualify the horse from adjudication. The management reserves the right to remove any horse, owner, lessee, trainer, groom, rider, driver, handler, or member of the family of the person participating in the show from the show grounds without being liable for compensation of damages.

Any action(s) against a horse which are deemed excessive by a Judge, Steward or Show Veterinarian, in the show ring or anywhere on the competition grounds, may be punished by official warning, elimination, or other sanctions which may be deemed appropriate by the Commissions or the Judges & Stewards Commissioner. Such action(s) could include, but are not limited to, excessive use of whip, spurs, or bamboo poles. It is a violation of USEF and Equestrian Canada rules to commit any act or make remarks during the show that are considered offensive or made with the intent to influence or cast aspersions on the judging. (Refer to the current USEF and Equestrian Canada Rule Books).

GR 12 DISPUTE NOT COVERED BY RULES

Should any question or dispute arise not provided for in the governing rules of USEF or AHA, the question or dispute shall be referred to the Show Committee, whose decision will be final.

GR 13 DISQUALIFICATION

Refer to current USEF and Equestrian Canada Rule Books. For clarification on how a disqualified horse is replaced, refer to the current AHA Handbook.

GR 14 DNA TESTING

The Arabian Horse Association reserves the right to do DNA testing at ANY National Show by collecting hair samples (or blood sample, if necessary) from Arabian, Half-Arabian or Anglo-Arabian horses. Samples will be collected under the overall supervision of the Registry Services Department. Any questionable results will go through the standard investigation process of that department. Prize money may be withheld pending the outcome of questionable results. All Half-Arabians competing in the Halter Futurity and Performance Futurity/Maturity/Derby must have DNA type on file of the horse and horse’s purebred Arabian Parent placed on permanent record with the AHA Registry and the horse has been shown to qualify as an offspring of the purebred sire or purebred dam. DNA must be on file with the AHA office before the horse will be eligible to compete in these classes.

GR 15 DOGS & OTHER PETS/ANIMALS

No dogs will be allowed in the main arena or paddock area with the exception of Companion/Guide Dogs, and in accordance with USEF Rules. Dogs are not permitted to be loose on competition grounds and must be on a leash or otherwise contained. Individuals must not lead dogs on a leash while mounted. Dog owners are solely responsible for any damages, claims, losses or actions resulting from their dogs’ behaviors.

Dog owners failing to comply with this rule may be subject to penalty under USEF Chapters 6 and 7, as well as issuance of warning cards. The Show Management further reserves the right to fine any exhibitor or farm whose dog is running loose and has to be confined by show officials. The first offense will be up to $50.00. The second offense will be up to $100.00 and expulsion of the animal from the show grounds.

No animal other than horses, dogs or cats are allowed on the show grounds without the express written consent of the National Show Commission. No animals other than horses shall be allowed on the grounds for the purpose of being sold.

GR 16 DRUG TESTING, SHOE & HOOF MEASURING

Complimentary hoof measurements will NOT be provided by USEF/EC Stewards at any National Show. It is the prerogative of Show Management to require drug testing or to require the inspection of shoes, pads and/or hoof length for any entry at any time during the show. This is to be accomplished prior to the horse leaving a prearranged inspection area. All horses competing in the Arabian, Half-Arabian and Anglo-Arabian Hunter, Jumper, Dressage, Eventing, Combined Driving, Pleasure (Carriage) Driving, Working Western, and Sport Horse Sections are exempt from shoeing regulations. This does not exempt horses that are cross entered into any other classes from compliance with applicable shoeing requirements while competing in those classes. See USEF Rulebook for current shoeing and toe length regulations.

Per resolution #24-04, mandatory drug testing will take place at the U.S. and Canadian Nationals. Horses will be picked at random.

It is the exhibitor’s responsibility to be aware of any additional restrictions that may be in place at the time of crossing state/country boundaries.

A valid health certificate is required for every horse. All horses six months and older must be accompanied by an official health certificate of state of origin issued by a state, federal or licensed accredited veterinarian, and such certificate must include a veterinarian’s statement that examination was made within the past thirty (30) days. Each horse must have a negative Coggins test, dated within a year of the showing date.

Do not submit any Health or Vaccination Certificates with your entries. Keep the certificates in your possession until such time as it is requested. You may be required to show health papers and proof of a negative Coggins test prior to being allowed to unload horses.

Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers’ or veterinarian’s recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

GR 32 PATRONSHIPS

......

Omnibus | 2021 | Arabian Horse Association

Grey Shaded area indicated changes for 2021
2021 GENERAL RULES FOR ALL NATIONALS SHOWS

National shows have patron programs with various benefits including preferred stabling, class sponsorship, seating and patron's lounge benefits. Patron seniority is based on the number of consecutive years a barn/trainer/individual has been Nationals Patron. Stabling assignments will be done based off Patron seniority and when Patronship forms are received. Any year a Patronship is missed will result in the Patron losing their seniority. In order to retain seniority, Patrons must be current every year. The National Show Commissions reserves the right to review special case requests regarding seniority, and their decision will be final. Each special case will be evaluated on its own facts and circumstances.

See the individual Patron sponsorship forms in this Omnibus for each National Show for specific benefit and cost information and deadlines. Patronship fees are listed on the patron form for each show, and should be mailed separate from the Official Entry Form. Any requests to change status in a Patronship, including cancellations, MUST be emailed to nationalevents@ArabianHorses.org. All patrons who elect to use a golf cart will be held responsible for their own cart. Should their cart be damaged or stolen, the patron will be required to replace or repair the golf cart directly through the chosen golf cart vendor. The submission of a signed Patron form constitutes an agreement by the signing party for a payment for Patronship. After the entry closing date, any cancelled patronship is refundable by 50% if paid in full. If only minimum payment was made and patronship is not paid in full by date stated on form, no money will be refunded. Prior to entry closing date, patron fees may be refunded less the non-refundable deposit. After the entry closing date, patronships may still be available. Please contact AHA National Events Sales for more information. Patronships are encouraged to be submitted before the deadline to ensure availability, seating and stabling priority.

1. PASSING DOWN PATRONSHIPS
A patron who has maintained a Patronship seniority that is retiring may elect to pass their Patronship on to an immediate family member. The family member receiving the seniority will be required to maintain the Patronship payments annually. Additionally, in order to keep the original stabling area, the family member may not exceed the number of stalls required by the original patron. To confirm the transfer of a Patronship, an email to the barn manager will be required.

2. PATRON STABLING
Patron stabling is assigned prior to any non-Patrons. Priority for Patron stabling assignments will be based on the number of continuous years as a Patron, the prior year’s stalling location, and number of stalls needed. Only the named person/stable on the Patronship is allowed to hang one set of drapes that identify the Patron farm/stable. Piggybacking (stall with) will not be allowed. Patron farms/stables allowing other farms/stables/trainers to piggyback with them who are NOT patrons run the risk of being moved to other less desirable areas of stabling. The entry blank (or electronic entry) must be signed by the trainer listed on the Patronship in order for the exhibitor to be stabled with said patron. Farms, stables or trainers wishing to stall with other farms/stables in the patron stabling area must purchase a separate patronship in order to hang identifying drapes.

GR 33 PHOTOGRAPH

Additionally, watermarked photography will be considered professional photography and will not be allowed to be posted on any media outlets by any photographers other than AHA or the official photographer.

Media credentials may be issued to credentialed journalists, photographers and videographers from recognized non-equine industry magazines, newspapers, and publications. Those issued media credentials must sign an agreement stating no photographs or videos taken will be sold. Credentials will only be issued to media for the purpose of news gathering and dissemination only. Equine Industry press passes will be issued to photographers for the price of $900 and these press passes will allow photographers to shoot on grounds, however, not in any show arenas. Press passes can be purchased in the commercial exhibitor office. Violation of the policy will result in removal from the show grounds. Additionally, commercial photographers found violating this policy will be accessed a $900 fee. This policy extends to violations found post-show through websites, social media, and other outlets.

When entering, please be aware of entering classes which might run in different rings at the same time. Every effort will be made to solve these conflicts, however rings will not be held for extensive periods to solve conflicts. Entry fees will be forfeited in case of time conflicts caused by two rings running simultaneously that can’t be resolved.

It is the policy of the Nationals Show Commissions to not make schedule changes within 24 hours of a class, unless there are extenuating circumstances. No classes will be moved in the schedule once the Omnibus is printed other than sections may be added or cancelled if entries warrant.

The schedules printed in this prize list are TENTATIVE and based on entry projections for each class and the number of sections required. Any change in the number of entries may affect the corresponding number of sections in that class. The Show Commissions will review class entry numbers and sections after the entry deadline and will revise the schedule accordingly if deemed necessary.

Please note No classes will be moved to an earlier day in the schedule. Classes scheduled with only a SFF that must be divided into section due to the number of entries, will have the sections run in place of the SFF and the SFF will be later in the schedule. If Sections listed in the tentative schedule are canceled, the SFF maybe moved to run where the sections were scheduled for that class.

Please check the AHA App, the Web site or with the Show Office upon arrival for schedule changes and posted sections.

Please be prepared as no entry fees or other fees will be refunded due to schedule changes. Schedule conflicts between rings are the responsibility of the exhibitor.

Every horse is required to be stabled on the show grounds at least 12 hours before the start of the first class in which it is to be shown and must remain continuously on the show grounds until it has completed every class in which it is to be shown.

APAHA PRAMBLE

We, as Professional and Amateur Horsemen of the Arabian Horse Association, pledge to assume a positive role as leaders in the Arabian horse community. While achieving the goals of promoting, showing, and caring for the horse, we shall protect the health, image, and welfare of the breed. Therefore, we set forth the following standards:

HORSEMEN’S STANDARDS OF CONDUCT

We shall comply with and actively encourage all Professional and Amateur Horsemen to adhere to all rules and regulations of AHA, USEF, CAHR, and EC.

We shall instill confidence, trust, and mutual respect in our clients, fellow exhibitors, and the public by a commitment to ethical practice and avoidance of any action conducive to discrediting the Arabian horse, AHA, or our fellow horsemen.

We shall ensure that the welfare of the Arabian horse is paramount and that every Arabian horse be treated humanely and with dignity, respect, and compassion.

As Horsemen we agree that it is our obligation, not only to the horse, but to each other, to have a reciprocal relationship wherein we are compelled to comment to our peers on their actions as well as be receptive of comments on our actions, if those actions might be perceived or interpreted as abusive or inappropriate.

There should be no malicious force during training. Good horsemanship teaches a horse to respond to the aids with confidence. Abusive practices are those that inflict injury or result in intimidation and fear. This may include jerking, spurring or whipping when employed in a manner that increases a horse’s fear, confusion, or distress.

While most types of tack and training methods are not themselves abusive, we understand that anything used wrongly, over used, or over done can prove to be abusive or perceived to be abusive by onlookers.

The duration of training sessions should take into account climate conditions, intensity of work, footing and the condition of each horse to ensure there is no undue stress.

We shall conduct all business affairs with integrity, sincerity, and accuracy in an open and forthright manner.

We shall act with integrity in financial dealings with clients, professionals, and the public. We shall employ a policy of full disclosure to our horse’s owners, as well as potential buyers, about all facts and knowledge regarding a horse they own or are considering purchasing.

Horsemen will never perform, condone, or allow surgical alteration or procedure on an Arabian horse unless professionally prescribed by a licensed veterinarian, and then, only for the survival or threatened health of an Arabian or Half-Arabian horse. This includes the altering of the natural carriage of the tail, which is one of our breed standards and characteristics.

Horsemen will not administer to any horse engaged in competition drugs or medications that give an unfair competitive advantage or serve no required therapeutic purpose.

AT THE DIRECTION OF THE AHA JUDGE’S & STEWARD’S COMMISSIONER AND THE AHA EDUCATION AND EVALUATION COMMISSION, THE JUDGE(S) WILL BE PENALIZING HORSES WITH UNNATURAL TAILS. CONVERSELY, HORSES WITH NATURAL TAIL CARRIAGE SHOWING EXPRESSION THAT IS NOT ANGRY OR OFFENSIVE WILL NOT BE PENALIZED.

The class consists of a Semi Final (Pattern Class) and the Final (Rail Class). 10 Horses will advance to the FNLF. A panel of 5 will be used to Judge the Patten Class using the 5 judge total point system and for the Finals 3 judges and the MOS scoring system.

An AEPA representative may choose to meet with the riders at the U.S. National Show prior to one or both sections of the Futurity class. During this meeting the AEPA representative will advise the riders of class procedures, rules, and how the horses are to be presented.

Horses can wear a martingale with a snaffle bit or a full bridle. Any Bit that is USEF legal for any Arabian English Division class is legal for the AEPA classes.

**PATTERN SECTION (SEMI FINAL)**

The horses will be presented one at a time riding the AEPA Pattern and Judged and scored using the AEPA Score Card.

If a horse throws a shoe during the Pattern Class the rider may call a Time Out and exit the ring to have the shoe nail on OR the rider can continue with the remainder of the Pattern Class. If a rider exits the ring to resolve the thrown shoe problem the horses current scoring in the Pattern Class does not count. When the thrown shoe problem is resolved the horse is assigned a new order of go position as described in the Paddock rules. When the Horse returns to the ring the scoring of the horse begins with a NEW score card.

If there is a tack problem the rider can call a Time Out to resolve the problem and then continue with the Pattern Class.

As the horse enters the ring it is suggested that the horse’s number, horse’s name, rider’s name, sire’s name, dam’s name, and breeder’s name be announced. After the horse’s score has been tallied it is suggested that the score be announced after the current horse being judged leaves the ring.

There will be no line up. However, if the Call Judge observes a horse with a bloody mouth the Call Judge can request that the horse remain in the ring or return to the ring for inspection. If a horse has a bloody mouth then AHA and USEF rules apply.
A rider can ride up to 3 horses in the Pattern Class.

A horse’s entry into the ring, for the pattern class, is determined by the AEPA Class Order of Go Rules.

### RAIL CLASS (FINAL)

Ten horses from the SF class will advance to the Finals.

The horses will be judged according to all AHA and USEF rules and all AHA rules for AHA Class 91 Arabian English Pleasure Junior Horses for the AEPA Arabian Horse Times Arabian Futurity and AHA Class 532 HA/AA English Pleasure Junior Horse for the AEPA Equine Athlete Half-Arabian Futurity, with the following exceptions:

- The horses will be Judge using the AEPA manifesto. Class 91 and Class 532 class specifications will not be used.
- Horses can wear a martingale with a snaffle bit, or a full bridle.
- Any Bit that is USEF legal for any Arabian English Division class is legal for the AEPA classes.
- If a horse throws a shoe in the ring during the Rail Class the rider may call a Time Out and the farrier will be brought to the ring to nail on the shoe or the rider can continue with the remainder of the Rail Class.
- If there is a tack problem the rider can call a Time Out to resolve the problem or the rider can continue with the Rail Class.
- The rider of the horse in the rail class does not have to be the same rider that rode the horse in the Pattern Class. If there is a change of rider please notify the show office and an AEPA representative 24 hours prior to the rail class.
- A horse’s order of entry into the ring, for the AEPA Arabian Horse Times Arabian Futurity, will be determined by an AHA randomly generated list of the horses that are showing in the Rail Class. The random list will be generated the day before the Rail Class is run. As each horse enters the ring it is suggested that the horse and rider are announced as they enter the ring and trot around the ring and wait near the out-gate area until all horses have entered the ring. Once all horses are in the ring the class will be called to order.
- Horses enter the ring in a normal manner for the AEPA Equine Athlete Half-Arabian Futurity.
- Any horse that is not present and misses the entry into the ring will have been considered to have missed the class. A horse having a problem in the Paddock area, as described under Paddock Class Rules, can request a Time Out to resolve the problem.
- After the class has been judged all horses will remain in the ring near the out gate area. The horses placing in the class is announced in reverse order. It is suggested that the following be announced – placing, dollar amount of winnings, horse number, horse name, riders name, sire name, dams name and breeders name. The rider will trot to the point in the ring where ribbons are being awarded and photos are taken. After the ribbon and photo presentation the horse trots out of the ring. The Reserve Champion will depart the ring prior to the announcement of the Champion. The Champion remains alone in the ring, and there may be a brief interview of the Champion prior to the Champion exiting the ring.

Ford Truck Arena takes priority, Mustang second, and the Pavilion third.

General conflict procedure: Exhibitor/agent must contact show commissioner/ show secretary at least 12 hours or a minimum of 2 sessions prior to the session with the conflict.

Working Western conflict procedure:

Exhibitor/agent must contact show commissioner/ show secretary within two hours of the posted draw (The 2 hours is defined as hours in which the Show Office is open).

Exhibitor draw will move to the top of the posted draw go order. Exception Herd work will follow NCHA Rules.

Each order of go for every Working Western class will have three slots available for these conflicts.

The U.S. Nationals Show Commission has the right to deviate from this procedure only if the deviation does not create an excessive hold in any class in any arena (Excessive is defined as more than 15 minutes). A Working Western class should never be held once the class has started for longer than it takes to complete an arena drag or approximately 10 minutes.

The MOS Scoring system will be used in all classes including Breeding and Gelding In-Hand classes. EXCEPTION: Reining, Trail, Working Cow, Herd Work and Ranch Riding. See the AHA Handbook for information on this scoring system. All sections will be ranked. No more than 8 entries will go forward from any preliminary or elimination sections (except where called for by the class rules).

For Working Western, the five judge high low out judging system will be utilized One high score and one low score for each horse from each class will be eliminated (Reined Cow is a total of both phases) and the three remaining scores will be totaled to determine the placings in the class.

Performance Halter will use the AHA score card, the scorecards will be turned into placings and in turn, run through the Majority Opinion System (MOS) to determine the Champion, Reserve Champion and Top Five.
