The horses will be presented one at a time riding the AEPA Pattern and Judged and scored using the AEPA Score Card. A rider can ride up to 3 horses in the Pattern Class. A horse's entry into the ring for the pattern class is determined by the AEPA Class Order of Go Rules. If a horse throws a shoe during the Pattern Class, the rider may call a Time Out and exit the ring to have the shoe nailed on, OR the rider can continue with the remainder of the Pattern Class. If a rider exits the ring to resolve the thrown shoe problem, the horse's current scoring in the Pattern Class does not count. When the thrown shoe problem is resolved the horse is assigned a new order of go position as described in the Paddock rules. When the Horse returns to the ring the scoring of the horse begins with a NEW score card.

FINAL (Rail)

3 Judges will be selected from 5 used for the SF using MOS.

Ten horses from the SF class will advance to the Finals. The rider of the horse in the rail class does not have to be the same rider that rode the horse in the Pattern Class. If there is a change of rider, please notify the show office and an AEPA representative 24 hours prior to the rail class.

After the class has been judged, all horses will remain in the ring near the out-gate area. The horses' placings in the class are announced in reverse order. The Champion remains alone in the ring, and there may be a brief interview of the Champion prior to the Champion exiting the ring.

SCORING SYSTEMS

Please refer to General Rules GR 39

The MOS Scoring system will be used in all classes including Breeding and Gelding In-Hand classes. EXCEPTION: Reining, Trail, Working Cow, Herd Work, and Ranch Riding. See the AHA Handbook for information on this scoring system. All sections will be ranked. Nine (9) horses will be selected from each preliminary (I, II, III) or Elimination (A/B) section for 18 in the Finals except where noted in specific class rules for AEPA, AWPA, AHPA, AWWA, and Breeding Pays Futurities.

For Working Western, the five-judge high low-out judging system will be utilized. One high score and one low score for each horse from each class will be eliminated (Reined Cow is a total of both phases), and the three remaining scores will be totaled to determine the placings in the class.

Performance Halter will use the AHA scorecard. The scorecards will be turned into placings and, in turn, run through the Majority Opinion System (MOS) to determine the Champion, Reserve Champion, and Top Five.

For exceptions, see the AEPA, AWPA, AHPA, AWWA, and Breeding Pays classes information for scoring.
