The Horse who met a 1 !

Once upon a time there was a horse. The horse's name was Frank. One day Frank decided to go to 2. There, he bought a 3, and a 4 pile of 5. On the way back he decided to go 6. Right after he passed Mr Smith's 7 he heard a 8 sound. The Sound Sounded sort of like a call, "Frank, Frank". Frank turned around and saw a 9. The colors of the 10 were brown, black, and 11. The 12 seemed to know Frank, but didn't know the 13. This scared Frank so he asked the 14 how he knew him, and who he was. The answer the cow gave him 15 and 16 him. "I am an old 17 of your 18, old granddad. He is 19 years old now. My name is Bobby."

"Hello Bobby," Frank responded.

So it turned out that they became great 20, and never stayed away from each other for a day in their long, 21 lives.
